Avia Active Comfort No Show Socks

Avia White & Bright Active Comfort No Show Socks User Manual

Model: Active Comfort No Show Socks

INTRODUCTION

This manual provides essential information for the proper use and care of your Avia White & Bright Active Comfort No Show Socks. Please read these instructions carefully to ensure optimal performance and longevity of your product.

SETUP: UNPACKING AND FIRST USE

Your Avia Active Comfort No Show Socks are ready for immediate use upon unpacking. No assembly or special preparation is required.

1. **Unpack:** Carefully remove the socks from their packaging.
2. **Inspect:** Before first wear, inspect each sock for any manufacturing defects or loose threads.
3. **Initial Wash (Recommended):** For best hygiene and comfort, it is recommended to wash the socks before their first wear. Refer to the "Maintenance: Care Instructions" section for detailed washing guidelines.

Figure 1: A collection of Avia Active Comfort No Show Socks. The image displays multiple pairs of socks, some in white and others in pastel shades of blue, pink, and purple, illustrating the variety and design of the product.

OPERATING: WEARING INSTRUCTIONS

These no-show socks are designed for comfort and discreet wear with various types of footwear.

- **Proper Fit:** Ensure the sock is pulled up fully onto your foot, with the heel cup aligned with your heel. The

no-show design means the sock should sit below the ankle collar of most shoes.

- **Footwear Compatibility:** Ideal for sneakers, athletic shoes, and other low-cut footwear where you prefer the sock not to be visible.
- **Comfort Features:** The active comfort design provides cushioning and support for daily wear and light athletic activities.

MAINTENANCE: CARE INSTRUCTIONS

Proper care will extend the life and maintain the quality of your Avia socks.

- **Washing:** Machine wash in cold water with similar colors.
- **Detergent:** Use a mild detergent. Avoid harsh chemicals or bleach, as these can damage the fabric and elasticity.
- **Drying:** Tumble dry on low heat. Air drying is recommended to preserve elasticity and prevent shrinkage. Do not iron.
- **Material:** Made with Spandex for stretch and comfort. Avoid high heat during washing and drying to prevent damage to the Spandex fibers.

TROUBLESHOOTING

This section addresses common concerns regarding sock performance.

- **Socks slipping down:**
 - Ensure the socks are correctly sized for your feet.
 - Verify that the socks are pulled up fully and the heel is properly seated.
 - Over time, elasticity may decrease. Follow care instructions to prolong elasticity.
- **Discoloration or fading:**
 - Always wash with similar colors to prevent color transfer.
 - Avoid using bleach or harsh detergents.
 - Excessive exposure to direct sunlight during drying can cause fading.
- **Shrinkage:**
 - Ensure washing in cold water and tumble drying on low heat or air drying. High heat can cause shrinkage, especially with Spandex blends.

SPECIFICATIONS

Product Name	Avia White & Bright Active Comfort No Show Socks
Model Number	B08CCRNSCL (ASIN)
Brand	Avia
Fabric Type	Spandex blend
Care Instructions	Machine Wash
Pattern	Solid

Department	Mens
