Google G025J

Google Pixel 4a - Unlocked Android Smartphone - 128 GB - User Manual

1. OVERVIEW

The Google Pixel 4a is an unlocked Android smartphone designed for flexibility and performance. It features a 12 MP dual pixel rear camera, an Adaptive Battery that lasts up to 24 hours, and the Google Assistant. The device is protected by a custom Titan M security chip and receives at least 3 years of OS and security updates. Its bezel-less 5.8-inch Full HD+ OLED display provides an immersive viewing experience.

Key features include:

- **Unlocked Flexibility:** Compatible with major carriers like Verizon, T-Mobile, Sprint, AT&T, and Google Fi.
- **Advanced Camera:** 12 MP dual pixel rear camera with Live HDR+, Night Sight, and Portrait Mode.
- **Long-lasting Battery:** Adaptive Battery designed for up to 24 hours of use.
- **Enhanced Security:** Custom Titan M security chip and guaranteed OS/security updates for at least 3 years.
- **Personal Safety Features:** Car crash detection and Call Screen with Google Assistant.

2. WHAT'S IN THE BOX

Your Google Pixel 4a package includes the following items:

- Google Pixel 4a Phone (Just Black)
- 18W USB-C power adapter
- 1 m USB-C to USB-C cable (USB 2.0)
- Quick Start Guide
- Quick Switch Adapter
- SIM tool

3. SETUP

3.1 Powering On and Initial Setup

1. Press and hold the power button on the side of the device until the Google logo appears.
2. Follow the on-screen prompts to select your language, connect to Wi-Fi, and set up your Google account.
3. You will be guided through setting up a screen lock (PIN, pattern, or password) and fingerprint unlock.

3.2 Inserting the SIM Card

1. Locate the SIM card tray on the side of your Pixel 4a.
2. Insert the provided SIM tool into the small hole on the tray and push gently until the tray ejects.
3. Place your nano-SIM card into the tray with the gold contacts facing down.
4. Carefully reinsert the tray into the phone.

Get peace of mind.

Protected by the Titan M security chip and receives guaranteed updates for at least 3 years.²

4. OPERATING INSTRUCTIONS

4.1 Navigation

- **Gesture Navigation:** Swipe up from the bottom of the screen to go home. Swipe up and hold to view recent apps. Swipe from the left or right edge to go back.
- **3-Button Navigation:** (Can be enabled in Settings) Use the back, home, and recent apps buttons at the bottom of the screen.

4.2 Fingerprint Sensor

The fingerprint sensor is located on the back of the phone. Register your fingerprint during initial setup or via Settings > Security > Fingerprint Unlock. It can be used to unlock your device and authorize purchases.

4.3 Audio

The Pixel 4a features dual stereo speakers for enhanced audio experience. It also includes a 3.5 mm audio jack for wired headphones.

5. CAMERA FEATURES

The Pixel 4a is equipped with a 12 MP dual pixel rear camera, renowned for its computational photography capabilities. The camera includes:

- **Live HDR+:** Automatically adjusts for color and lighting to produce stunning photos.
- **Night Sight:** Captures rich detail and color even in very low light conditions.
- **Portrait Mode:** Creates beautiful portraits with a professional-looking blurred background.
- **Top Shot:** Automatically recommends the best picture from a burst of photos.

6. PERFORMANCE

The Google Pixel 4a is powered by a Snapdragon 730G CPU with 6 GB of RAM, providing smooth performance for daily tasks and applications. While not a flagship processor, it offers a responsive user experience and handles most apps and games efficiently.

7. BATTERY LIFE

The Pixel 4a features a 3140 mAh Adaptive Battery. This battery is designed to learn your favorite apps and reduce power to those you rarely use, optimizing battery life for up to 24 hours on a single charge. The

device supports 18W fast charging via USB-C.

8. MAINTENANCE

8.1 Software Updates

Google Pixel phones receive regular OS and security updates directly from Google for at least 3 years from the device's initial availability. Ensure your device is connected to Wi-Fi to download and install updates.

8.2 Cleaning Your Device

- Use a soft, lint-free cloth to clean the screen and body of your phone.
- Avoid using abrasive cleaners or solvents that could damage the device.
- Do not submerge your phone in water.

9. TROUBLESHOOTING

9.1 Common Issues

- **Device Freezing/Unresponsive:** Press and hold the power button for about 30 seconds to force a restart.
- **Battery Draining Quickly:** Check battery usage in Settings to identify apps consuming excessive power. Adjust screen brightness and disable unnecessary features like always-on display.
- **Connectivity Problems:** Toggle Wi-Fi or Bluetooth off and on. Restart your device. If issues persist, reset network settings (Settings > System > Reset options > Reset Wi-Fi, mobile & Bluetooth).

9.2 Factory Reset

If you experience persistent software issues, a factory reset may resolve them. **Warning:** This will erase all data from your phone. Back up important data before proceeding. Go to Settings > System > Reset options > Erase all data (factory reset).
