1. SAFETY INFORMATION

Please read this manual thoroughly before assembly and use to ensure safe operation and prevent injury or damage to the product.

- Always ensure all screws and bolts are securely tightened before using the chair. Periodically check and re-tighten as necessary.
- Do not stand on the chair or use it as a step stool.
- Keep small children and pets away from the chair during assembly to prevent accidents.
- Avoid placing the chair near heat sources or in direct sunlight for prolonged periods to prevent material degradation.
- Do not exceed the maximum weight capacity of the chair (not specified in provided data, general safety advice).
- Use the chair on a flat, stable surface to prevent tipping.

2. SETUP GUIDE

Follow these steps to assemble your Dowinx Gaming Chair LS-6658-01. It is recommended to have a second person assist with some steps due to the weight of certain components.

Assembly Video Guide

Your browser does not support the video tag.

This video provides a visual step-by-step guide for assembling the Dowinx Gaming Chair. It covers unboxing, part identification, and the complete assembly process.

Step-by-Step Assembly Instructions

- 1. Unboxing and Part Identification:** Carefully open the package and remove all components. Lay them out and verify against the parts list in your included manual. Ensure no parts are damaged.
- 2. Assemble the Five-Star Base:** Attach the five legs to the central hub of the base. Ensure they click securely into place.
- 3. Attach Casters:** Insert the five casters firmly into the holes at the end of each leg of the five-star base. Push until they are fully seated and cannot be easily removed.
- 4. Install Gas Lift and Cover:** Place the gas lift cylinder into the central hole of the assembled five-star base. Cover the gas lift with the protective cover. *Note: The gas lift may have lubricant; handle with care to avoid staining clothes or flooring.*
- 5. Attach Tilt Mechanism and Guide Rails to Seat Cushion:** Secure the tilt mechanism to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism faces the front of the seat. Then, attach the guide rails to the sides of the seat cushion, ensuring the oval holes face forward.
- 6. Attach Footrest:** Slide the footrest bars into the guide rails on the underside of the seat cushion and secure them with the provided screws.
- 7. Attach Backrest Support Plate:** Secure the steel support plate to the backrest using the provided screws. Note that the plate is designed with a slight incline, so the slanted part should face outwards.
- 8. Attach Backrest to Seat Cushion:** Align the backrest with the seat cushion's attachment points and secure it with the appropriate screws. It is easier to do this with the seat cushion inverted.
- 9. Connect Seat Assembly to Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder. The top half of the chair is heavy, so it is recommended to invert the upper half and insert the gas cylinder for easier assembly.
- 10. Attach Headrest and Lumbar Pillow:** Secure the headrest and lumbar support pillows to the backrest using their integrated straps and buckles. Adjust their positions for optimal comfort.
- 11. Attach Armrests:** Attach the armrests to the sides of the seat cushion using the provided screws. Ensure they are securely fastened. If the backrest does not recline, the armrest screws might be too tight.

3. OPERATING INSTRUCTIONS

Your Dowinx Gaming Chair LS-6658-01 offers various adjustable features for personalized comfort.

Key Features Overview

豊富な機能で快適性を追求

This image highlights the main adjustable features of the chair, including the headrest, lumbar support, height adjustment lever, silent casters, retractable ottoman, and the durable alloy steel frame.

Adjusting Chair Functions

- **Height Adjustment:** Use the lever located on the right side under the seat to adjust the chair's height. Pull the lever up to raise the seat, or pull it up while seated to lower the seat. Release the lever to lock the height.
- **Reclining Function:** The backrest can recline up to approximately 140-145 degrees. Use the lever on the left side under the seat to adjust the recline angle. Pull the lever up to recline, and push it down to lock the angle.
- **Retractable Ottoman:** The ottoman is stored neatly under the seat. Pull it out when you wish to extend your legs for relaxation. Push it back in when not in use.
- **Linked Armrests:** The armrests are designed to move in conjunction with the recline of the backrest, providing continuous arm support at any angle.
- **Lumbar Support with Vibration Function:** The lumbar support pillow can be adjusted vertically along the backrest. It also features a vibration function for added comfort. Connect the USB cable to a power source to activate the vibration.

Seating Comfort and Material

ソファのような 極上の座り心地

高級ソファに使用される
ポケットコイルの採用
により、ずっと座ってい
たくなるほど極上の座り
心地を体感できる。

This image illustrates the internal pocket coil structure of the seat, designed to distribute weight evenly and provide a comfortable, sofa-like sitting experience.

The chair features a unique pocket coil cushion, similar to those found in high-end sofas, providing balanced support that is neither too firm nor too soft. The S-shaped backrest and lumbar support are designed to protect the spine and reduce pressure on the lower back.

The breathable fabric material ensures comfort in both warm and cool environments. It is also durable and resistant to scratches, offering a pleasant tactile experience for long periods of use.

Recline and Armrest Demonstration

This short video showcases the key features of the Dowinx Gaming Chair, including the pocket coil seating, breathable fabric, adjustable armrests, recline function, and retractable ottoman.

4. MAINTENANCE

Proper care and maintenance will extend the life of your Dowinx Gaming Chair.

- **Cleaning:** Wipe the chair clean with a damp cloth. For stubborn stains, use a mild soap solution and a soft cloth, then wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically inspect all screws and bolts to ensure they are tight. Re-tighten any loose fasteners to maintain stability and safety.
- **Avoid Overloading:** Do not exceed the recommended weight capacity to prevent damage to the chair's frame and components.
- **Environmental Care:** Keep the chair away from direct sunlight and extreme temperatures to prevent

fading or damage to the fabric and internal materials.

5. TROUBLESHOOTING

If you encounter any issues with your Dowinx Gaming Chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair feels wobbly or unstable.	Loose screws or improper assembly.	Check all screws and bolts, especially those connecting the seat, backrest, and armrests. Tighten them securely. Ensure the five-star base legs are fully inserted.
Casters are difficult to insert into the base.	Requires firm, even pressure.	Apply steady, firm pressure to push the casters fully into the base. Avoid using a hammer directly on the casters, as this may cause damage. Wearing gloves with good grip can help.
Chair height keeps dropping or won't adjust.	Gas lift malfunction.	The gas lift may be faulty. Contact customer support for assistance or replacement.
Backrest does not recline or is stiff.	Recline mechanism issue or armrest screws too tight.	Check the recline lever for proper engagement. If armrest screws are overtightened, they can restrict movement; try slightly loosening them.
Ottoman is difficult to pull out or push in.	Obstruction or stiff mechanism.	Ensure there are no obstructions. Apply gentle, even force. If it remains stiff, check the guide rails for any debris.

6. SPECIFICATIONS

Feature	Detail
Brand	Dowinx
Model Number	LS-6658-01
Color	Black
Material	Fabric, Pocket Coil, Alloy Steel, Urethane Foam
Product Dimensions (D x W x H)	80 cm x 55 cm x 132 cm
Package Dimensions	76.5 cm x 57 cm x 25.5 cm
