Belkin Wemo Smart Plug (WSP080-BD3) Instruction Manual

Model: WSP080-BD3

1. PRODUCT OVERVIEW

The Wemo Wi-Fi Smart Plug allows you to control your electronic devices directly from your smartphone or tablet. It utilizes your existing home Wi-Fi network for wireless control of various appliances, such as lamps and fans, without requiring a subscription or a separate hub. To use, simply plug the Smart Plug into an electrical outlet, connect your device to the Smart Plug, and manage it using the free Wemo app or through voice commands with Apple HomeKit, Amazon Alexa, or Google Assistant. Voice recognition devices or services are sold separately.
