Yaheetech Large Indoor Bird Cage with Rolling Stand

MODEL: YA-00110781 INSTRUCTION MANUAL

1. Introduction

Thank you for choosing the Yaheetech Large Indoor Bird Cage. This manual provides essential information for the safe assembly, operation, and maintenance of your new bird cage. Please read these instructions carefully before assembly and retain them for future reference.

This durable bird cage is suitable for various small to medium-sized birds such as parrots, parakeets, canaries, lovebirds, and cockatiels. Its spacious design and practical features make it ideal for home use, pet shops, or animal hospitals.

2. Safety Information

- Always ensure all parts are securely fastened before placing birds inside the cage.
- Keep small parts and packaging materials away from children and pets during assembly.
- Place the cage on a stable, level surface to prevent tipping.
- Regularly inspect the cage for any damaged or loose components that could harm your birds.
- Do not hang heavy objects on the cage or stand.
- Ensure the cage is placed in a well-ventilated area, away from direct sunlight, drafts, and extreme

temperatures.

3. Package Contents

Please verify that all components are present before beginning assembly:

- Cage panels (front, back, sides, top, bottom)
- Rolling stand components (legs, crossbars, bottom shelf)
- 4 x Swivel wheels
- 1 x Removable pull-out tray
- 1 x Bottom grate
- 2 x Wooden perches
- 4 x Plastic feeders
- Assembly hardware (screws, nuts, washers, etc.)
- Assembly tool (e.g., wrench)

Figure 2: Disassembled cage and stand components.

4. Setup and Assembly

Follow these steps to assemble your bird cage:

1. **Assemble the Rolling Stand:** Attach the four legs to the crossbars using the provided hardware. Secure the bottom storage shelf to the stand. Install the four swivel wheels into the designated holes at the bottom of the stand legs. Ensure all connections are tight.
2. **Prepare the Cage Base:** Place the cage bottom panel onto the assembled rolling stand.
3. **Attach Cage Panels:** Connect the side panels, front panel, and back panel to the cage bottom and to each other. Use the provided clips or screws to secure them firmly.
4. **Install Top Panel:** Place the top panel onto the assembled cage structure and secure it.
5. **Insert Grate and Tray:** Slide the bottom grate into its position above the pull-out tray. Then, insert the removable pull-out tray into the slot at the bottom of the cage.
6. **Install Perches and Feeders:** Attach the wooden perches inside the cage at desired heights. Place the plastic feeders into the designated openings on the side doors.

Figure 3: Overall dimensions of the assembled cage with stand.

5. Operating Instructions

- **Access Doors:** The cage features a large central front door and smaller side doors for easy access to your birds and for placing/removing accessories. Ensure all doors are securely latched to prevent escapes. The main entrance door is secured with a crescent lock.

- **Feeders:** The four plastic feeders are designed for easy refilling from outside the cage. Simply slide them out, fill with food or water, and slide them back in.
- **Mobility:** The cage is equipped with a rolling stand featuring 360-degree swivel wheels for easy movement. The stand can be separated from the cage, or the wheels can be attached directly to the cage base for mobility without the full stand.

6. Maintenance and Cleaning

Regular cleaning is essential for your bird's health and hygiene:

- **Removable Tray:** The pull-out tray located at the bottom of the cage can be easily removed for cleaning. Simply slide it out, empty waste, and wash with water and a mild, bird-safe disinfectant.
- **Bottom Grate:** The grate above the tray prevents birds from walking directly on their droppings, maintaining hygiene. This grate can also be removed for thorough cleaning.
- **Cage Interior:** Periodically wipe down the cage bars and interior surfaces with a damp cloth and bird-safe cleaner.
- **Perches and Feeders:** Clean perches and feeders regularly to prevent bacterial growth.

Figure 5: Easy-to-clean pull-out tray and grate.

7. Troubleshooting

- **Loose Parts:** If any parts feel loose after assembly, re-check all connections and tighten screws or clips as necessary.
- **Difficulty Moving:** Ensure the wheels are properly installed and free of debris. If the stand is separated, verify the wheels are securely attached to the cage base if used in that configuration.
- **Doors Not Securing:** Check that the door latches are aligned correctly and fully engaged. Adjust if needed.

8. Specifications

Model Number	YA-00110781
Overall Dimensions (L x W x H)	65.5 cm x 42.5 cm x 136.5 cm
Cage Dimensions (L x W x H)	61.5 cm x 42 cm x 76 cm

Bar Spacing	1 cm
Material	Alloy Steel, Iron, Plastic
Color	Black
Product Weight	11.2 Kilograms
Number of Doors	4 (1 large front, 4 small side for feeders)
Special Features	Removable rolling stand, bottom storage shelf, pull-out tray, bottom grate
