GearLight GL-35RRLR

GearLight Radiance 3.5" Ring Light Instruction Manual

MODEL: GL-35RRLR

Introduction

The GearLight Radiance 3.5" Ring Light is a versatile, rechargeable LED lighting solution designed to enhance your appearance during video calls, online meetings, and content creation. Its compact size and clip-on design make it suitable for use with various devices, including phones, laptops, tablets, and desktop monitors. This manual provides essential information for the proper setup, operation, and care of your device.

What's in the Box

- GearLight Radiance 3.5" Ring Light
- USB Charging Cable (3 feet)
- User Manual (this document)

Setup

Follow these steps for initial setup and use of your Radiance Ring Light:

1. **Charging the Device:** Before first use, fully charge the ring light using the provided 3-foot USB cable. Connect the micro-USB end to the charging port on the ring light and the USB-A end to a compatible USB power source (e.g., computer, wall adapter). The indicator light will show charging status. A full charge provides approximately 2 hours of runtime on the brightest setting.

Image: The included 3-foot USB charging cable.

- 2. Attaching to Your Device:** The ring light features a wide, flexible clip that can attach to edges up to 1.25 inches thick. Carefully clip the light onto the top edge of your phone, laptop, tablet, or desktop monitor, ensuring it is securely positioned. For optimal lighting and to prevent glare on eyeglasses, mount the light off-center or slightly above eye level.

Operating Instructions

The Radiance Ring Light offers adjustable settings to optimize your lighting environment:

1. **Power On/Off:** Locate the power button on the back of the ring light. Press once to turn the light on. Press and hold to turn it off.
2. **Adjusting Light Modes:** The ring light features three distinct color modes: Daylight, White, and Warm. Press the mode button (usually indicated by a sun icon or 'M') to cycle through these options until you find your preferred color temperature.
3. **Adjusting Brightness Levels:** Each color mode has 10 adjustable brightness levels. Use the '+' and '-' buttons to increase or decrease the light intensity.

4. **Portable Use:** The compact and lightweight design allows for easy portability. Clip it onto your phone for on-the-go selfies or video calls.

Image: The ring light's small size, fitting easily in a hand or pocket.

5. **Extended Use:** For prolonged use, connect the ring light to a power source using the USB charging cable to ensure endless runtime.

Take it on the go
WHENEVER, WHEREVER

Maintenance

- Keep the device clean by wiping it with a soft, dry cloth. Avoid using abrasive cleaners or solvents.
- Store the ring light in a cool, dry place when not in use.
- Avoid exposing the device to extreme temperatures or direct sunlight for extended periods.

Troubleshooting

- **Light not turning on:** Ensure the device is charged. If using while plugged in, verify the USB cable is securely connected to both the light and the power source.
- **Light not holding a charge:** Ensure the charging cable is not damaged and the power source is functional. Allow sufficient time for charging (approximately 2 hours for a full charge).
- **Unstable clip:** Ensure the clip is fully opened and securely attached to the device's edge. The maximum compatible thickness is 1.25 inches.
