Kids Keyboard Piano User Manual

Brand: aPerfectLife | Model: HS-3260A

INTRODUCTION

Thank you for choosing the aPerfectLife Kids Keyboard Piano. This 32-key multifunctional electric keyboard is designed to provide an engaging and educational musical experience for children aged 3-8 years. It features a variety of tones, rhythms, and demonstration songs to foster musical theory, hand-eye coordination, and fine motor skills. Please read this manual thoroughly to ensure proper setup, operation, and maintenance of your new musical instrument.

SAFETY INFORMATION

- **Adult Supervision:** Always ensure children are supervised while playing with the keyboard.
- **Battery Safety:** This product requires 4 AA batteries (not included). Only use battery power. Do not mix old and new batteries, or different types of batteries. Insert batteries with correct polarity. Remove batteries if the product is not used for a long period.
- **Choking Hazard:** The power button may detach easily. Keep small parts away from young children who may put them in their mouth.
- **Volume Control:** Be mindful of the volume level, especially for young children, as it resets to a higher volume when turned off and on.
- **Material Safety:** Made from non-toxic environmental protection ABS plastic, certified by CPC children and conforming to RoHS safety certification.
