Aqua Vista 22-B42CPL-BN-AV

Aqua Vista 22-B42CPL-BN-AV Bathroom Sink Faucet User Manual

Brand: Aqua Vista | Model: 22-B42CPL-BN-AV

Introduction

This manual provides instructions for the Aqua Vista 22-B42CPL-BN-AV Bathroom Sink Faucet. This two-handle faucet features an integrated LED light that activates with water flow and a brushed nickel finish. It is designed for bathroom sink applications and includes a pop-up drain assembly.

Product Features

- **LED Light:** Water flow activates the integrated LED light, requiring no batteries.
- **Two-Handle Design:** Separate handles for hot and cold water provide precise temperature control.
- **High Arc Spout:** Offers ample space for hand washing.
- **Brushed Nickel Finish:** Durable and aesthetically pleasing finish.
- **Lead-Free Brass Construction:** Ensures product durability and water safety.
- **Ceramic Cartridges:** Designed for drip-free performance.
- **Included Pop-Up Drain:** Completes the sink installation.

Setup and Installation

This faucet is designed for installation on 1 or 3-hole deck-mounted sinks. A deck plate is included to accommodate 3-hole configurations. It is recommended to consult a qualified plumber for installation to ensure proper function and compliance with local codes.

Included Components:

- Lavatory Faucet Assembly
- Deck Plate (for 3-hole installation)
- Pop-Up Drain Assembly
- Mounting Hardware
- Flexible Supply Lines

All components required for faucet installation.

Operating Instructions

1. **Water Flow Activation:** Turn the hot or cold water handle to initiate water flow. The integrated LED light will automatically illuminate when water is flowing.
2. **Temperature Control:** Use the left handle for hot water and the right handle for cold water. Adjust both handles to achieve the desired water temperature.
3. **Spout Swivel:** The high arc spout can be swiveled to direct water flow as needed.
4. **LED Light Operation:** The LED light is powered by the water flow itself and does not require batteries or external power. It will turn off automatically when the water flow stops.

Maintenance

- **Cleaning the Finish:** To maintain the brushed nickel finish, clean regularly with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the finish.
- **Hard Water Deposits:** For areas with hard water, mineral deposits may accumulate on the faucet or LED component. Use a mild descaling solution or a mixture of vinegar and water to gently clean these areas. Ensure to rinse thoroughly after cleaning.
- **Ceramic Cartridges:** The faucet is equipped with durable ceramic cartridges designed for long-lasting, drip-free operation. If a leak occurs, contact a qualified plumber for repair or replacement of the cartridge.

Troubleshooting

If you encounter issues with your Aqua Vista faucet, refer to the following common troubleshooting steps:

- **No Water Flow or Low Pressure:**
  - Check if the water supply valves under the sink are fully open.
  - Inspect the aerator for clogs or debris. Unscrew the aerator and clean it if necessary.
  - Verify that the main water supply to your home is active.
- **LED Light Not Activating:**
  - Ensure sufficient water flow. The LED light requires a certain water pressure to activate.
  - Check for any obstructions in the spout that might impede water flow or the LED mechanism.
  - If the issue persists, contact customer support for assistance.
- **Leaking Faucet:**
  - Tighten any loose connections at the base of the faucet or supply lines.
  - If the leak is from the handles or spout, the ceramic cartridges may need inspection or replacement by a qualified professional.

Specifications

Feature	Detail
Brand	Aqua Vista
Model Number	22-B42CPL-BN-AV
Recommended Uses	Sink
Mounting Type	Deck Mount
Finish Type	Brushed Nickel
Material	Brass (Lead Free)
Number of Handles	2
Hole Count	1 or 3 (with included deck plate)
Special Feature	LED Light (Water Powered), Lead Free
Style	Contemporary
Maximum Flow Rate	1.2 Gallons Per Minute (GPM)

Handle Material	Ceramic
Item Weight	2 Pounds
Product Dimensions	13.39 x 11.02 x 2.76 inches
UPC	820633003373
Manufacturer	Homewerks Worldwide, LLC.
