1986 Topps Garbage Pail Kids Series 6 #240B Eve Droppin' Card Guide

An informational guide for collectors and enthusiasts.

1. PRODUCT OVERVIEW

This guide provides detailed information regarding the 1986 Topps Garbage Pail Kids (GPK) Series 6 collectible card, specifically card number 240B, featuring the character "Eve Droppin'". Garbage Pail Kids are a series of sticker trading cards produced by Topps, known for their satirical and gross-out humor, parodying the popular Cabbage Patch Kids dolls.

The 6th series of GPK cards was released in 1986 and continued the tradition of featuring unique characters with humorous names and grotesque illustrations. Each character typically has two variations (A and B) with different names but the same artwork.

3. CONDITION ASSESSMENT

The condition of a collectible card significantly impacts its value. When assessing the condition of your "Eve Droppin'" card, consider the following factors:

- **Corners:** Examine all four corners for any signs of wear, such as rounding, fraying, or creasing. Sharp corners indicate better condition.
- **Edges:** Check the edges for nicks, dings, or whitening. Smooth, clean edges are desirable.
- **Surface:** Look for scratches, indentations, print defects, or loss of gloss on both the front and back surfaces.
- **Centering:** Evaluate how evenly the image is centered within the card borders. Poor centering can reduce the card's appeal.
- **Creases/Bends:** Any creases or bends, even minor ones, will significantly lower the card's grade.

Common grading scales for collectible cards include Near Mint (NM), Excellent (EX), Very Good (VG), and Good (G), with variations in between. This specific card is described as "EX or Better," indicating it should be in excellent condition or higher.

4. STORAGE AND CARE

Proper storage is crucial for preserving the condition and value of your collectible card. Follow these guidelines:

- **Protective Sleeves:** Always store the card in a soft, acid-free penny sleeve to prevent surface scratches.
- **Toploaders or Card Savers:** For added rigidity and protection, place the sleeved card into a rigid toploader or a semi-rigid card saver.
- **Storage Boxes:** Store cards upright in dedicated cardboard storage boxes or plastic cases designed for trading cards.
- **Environment:** Keep cards away from direct sunlight, extreme temperatures, and high humidity. A cool, dry, and dark environment is ideal.
- **Handling:** Always handle cards by their edges to avoid transferring oils from your skin or causing surface damage.
