Package Contents

Upon opening your Falwedi T16 Earbuds package, you should find the following items:

- 1 x FALWEDI T16 Wireless Earbuds
- 1 x Charging Case
- 1 x USB Charging Cable
- 1 x User Manual (this document)

- 3 x Ear Tips (Sizes L, M, S)

Image: The Falwedi T16 earbuds, charging case, and the three included sizes of ear tips (L, M, S) for a comfortable fit.

Setup and Pairing

Initial Charging

Before first use, ensure both the earbuds and the charging case are fully charged. Place the earbuds into the charging case and connect the USB charging cable to a power source. The indicator lights on the case will show charging status. A full charge for the earbuds provides approximately 4 hours of playback, and the charging case can recharge the earbuds up to 6 times, extending total listening time to 28 hours.

Image: An illustration demonstrating the lasting battery life of the Falwedi T16 earbuds, showing 4 hours of earbud battery time plus 6 recharges from the case for a total of 28 hours of working time.

One-Step Pairing

The Falwedi T16 earbuds feature Bluetooth 5.0 technology for stable and quick connections.

1. Take both earbuds out of the charging case. The orange and white lights on the main earbud will flash alternately, indicating they are in pairing mode.
2. On your device (smartphone, tablet, laptop), go to the Bluetooth settings.
3. Turn on Bluetooth and select the device named "T16" from the list of available devices to connect.
4. Once connected, the indicator lights on the earbuds will stop flashing.

The earbuds will automatically connect to the last paired device when taken out of the case, provided Bluetooth is enabled on the device.

Operating Instructions

Smart Touch Controls

The Falwedi T16 earbuds feature intuitive touch controls for various functions. Gently tap the touch sensitive area on the earbuds.

Function	Action
Play/Pause Music	Double click either earbud
Previous Track	Keep touching for 2 seconds (Left earbud only)
Next Track	Keep touching for 2 seconds (Right earbud only)
Answer/Hang up Phone Call	Double click either earbud

Function	Action
Reject Phone Call	Keep touching for 2 seconds either earbud
Switch Call (between phone and earbuds)	Keep touching for 2 seconds either earbud
Activate/Deactivate Siri (iOS only)	Triple click either earbud

Note: If using only one earbud, the earbud can only go to the next track, not the previous track, using this operation.

Single and Dual Earbud Mode

The Falwedi T16 earbuds offer flexible usage modes:

- **Independent Use:** You can take out any one of the earbuds from the charging case and use it independently.

- **Automatic Switching:** If you are using one earbud and then take the other earbud out of the charging case, the two earbuds will automatically pair together immediately for stereo sound.
- **Main Earbud Power Loss:** If the main earbud runs out of power or is placed back into the charging case, the secondary earbud will automatically switch to become the main earbud and continue to function without interruption.

Image: An illustration depicting the different sound modes of the Falwedi T16 earbuds: single ear mode, binaural mode, and sharing mode, highlighting their flexibility.

Maintenance

Cleaning Your Earbuds

To maintain optimal sound quality and hygiene, regularly clean your earbuds.

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- For earwax or debris in the ear tips, carefully remove the ear tips and clean them with a mild soap solution, then rinse and dry thoroughly before reattaching.

- Do not use abrasive cleaners or submerge the earbuds or case in water.

Charging and Battery Care

Proper charging practices extend battery life.

- Always use the provided USB charging cable.
- Avoid exposing the earbuds and case to extreme temperatures.
- Store the earbuds in their charging case when not in use to protect them and keep them charged.

Troubleshooting

Common Issues and Solutions

- **Earbuds not pairing with device:**
  - Ensure Bluetooth is enabled on your device.
  - Make sure the earbuds are fully charged.
  - Try resetting the earbuds as described below.
  - Ensure no other Bluetooth devices are interfering.
- **Only one earbud working:**
  - Place both earbuds back into the charging case, close the lid, wait a few seconds, then take them out again.
  - Perform a factory reset.
- **Poor sound quality or disconnections:**
  - Ensure the earbuds are within the 10-meter Bluetooth range of your device.
  - Check for obstructions between the earbuds and your device.
  - Clean the ear tips and speaker mesh.
  - Ensure the earbuds are fully charged.
- **Touch controls not responding:**
  - Ensure your fingers are clean and dry.
  - Try resetting the earbuds.

Factory Resetting

If you encounter persistent issues, a factory reset can often resolve them.

1. While the earbuds are turned on, go to your device's Bluetooth settings and "forget" or "unpair" the device named "T16".
2. Click the multi-function key on both earbuds 5 times rapidly to clear the pairing information and restart the earbuds. You will hear a short melody tone, and the indicator light will slowly flash orange and white simultaneously.
3. Place both earbuds back into the charging case and close the case cover.
4. The reset operation is complete. You can now attempt to pair them with your device again.

Specifications

Feature	Detail

Feature	Detail
Model	T16
Brand	FALWEDI
Connectivity Technology	Wireless (Bluetooth 5.0)
Wireless Communication Technologies	Bluetooth
Form Factor	In Ear
Microphone Format	Built-In (with DSP intelligent noise reduction)
