

Lexon LA125N

Lexon MINO+ Portable Bluetooth Speaker User Manual

Model: LA125N

1. INTRODUCTION

Thank you for choosing the Lexon MINO+ Portable Bluetooth Speaker. This compact and powerful speaker is designed to provide high-quality audio on the go, featuring convenient charging options and hands-free capabilities. Please read this manual carefully before using your device to ensure optimal performance and longevity.

2. PACKAGE CONTENTS

Ensure all items are present in the package:

- Lexon MINO+ Portable Bluetooth Speaker
- USB-C Charging Cable
- User Manual (this document)

3. PRODUCT FEATURES

The Lexon MINO+ offers a range of features for an enhanced audio experience:

- **Portable Design:** Compact and lightweight for easy transport.
- **3W Speaker Output:** Delivers clear and powerful sound.

- **Bluetooth Connectivity:** Seamless wireless audio streaming.
- **Qi Wireless Charging:** Convenient cable-free charging.
- **USB-C Charging Port:** Alternative charging option.
- **Hands-Free Microphone:** For taking calls directly through the speaker.
- **Selfie Control:** Use the speaker as a remote shutter for your smartphone camera.
- **Pairable (TWS):** Connect two MINO+ speakers for true wireless stereo sound.
- **Aluminum Finishing:** Durable and stylish construction.

Image: An illustration of the Lexon MINO+ speaker's key features, including Bluetooth connectivity, TWS pairing, hands-free microphone, selfie remote function, wireless recharging capability, and its aluminum construction.

4. SETUP

4.1 Charging the Speaker

Before first use, fully charge your Lexon MINO+ speaker. The speaker can be charged via USB-C or wirelessly using a

Qi-compatible charging pad.

1. **USB-C Charging:** Connect the included USB-C cable to the speaker's charging port and the other end to a USB power adapter (not included) or a computer's USB port.
2. **Wireless Charging:** Place the speaker on a Qi wireless charging pad. Ensure the speaker is centered on the pad for effective charging.

A full charge takes approximately 1 hour and provides up to 3 hours of playback time.

Image: A green Lexon MINO+ speaker being charged wirelessly on a white, circular Qi charging pad, demonstrating its wireless charging capability.

4.2 Bluetooth Pairing

To connect your Lexon MINO+ speaker to a Bluetooth-enabled device:

1. Ensure the speaker is charged and powered on.
2. Activate Bluetooth on your smartphone or audio device.
3. Search for "Lexon MINO+" in the list of available Bluetooth devices.

4. Select "Lexon MINO+" to pair. A confirmation sound will indicate successful pairing.

The speaker will automatically reconnect to the last paired device when powered on, if it is within range.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

Refer to the speaker's physical button for power control. Typically, a long press will power the device on or off.

5.2 Audio Playback

Once paired, audio from your connected device will play through the MINO+ speaker. Control playback (play/pause, skip tracks) directly from your connected device.

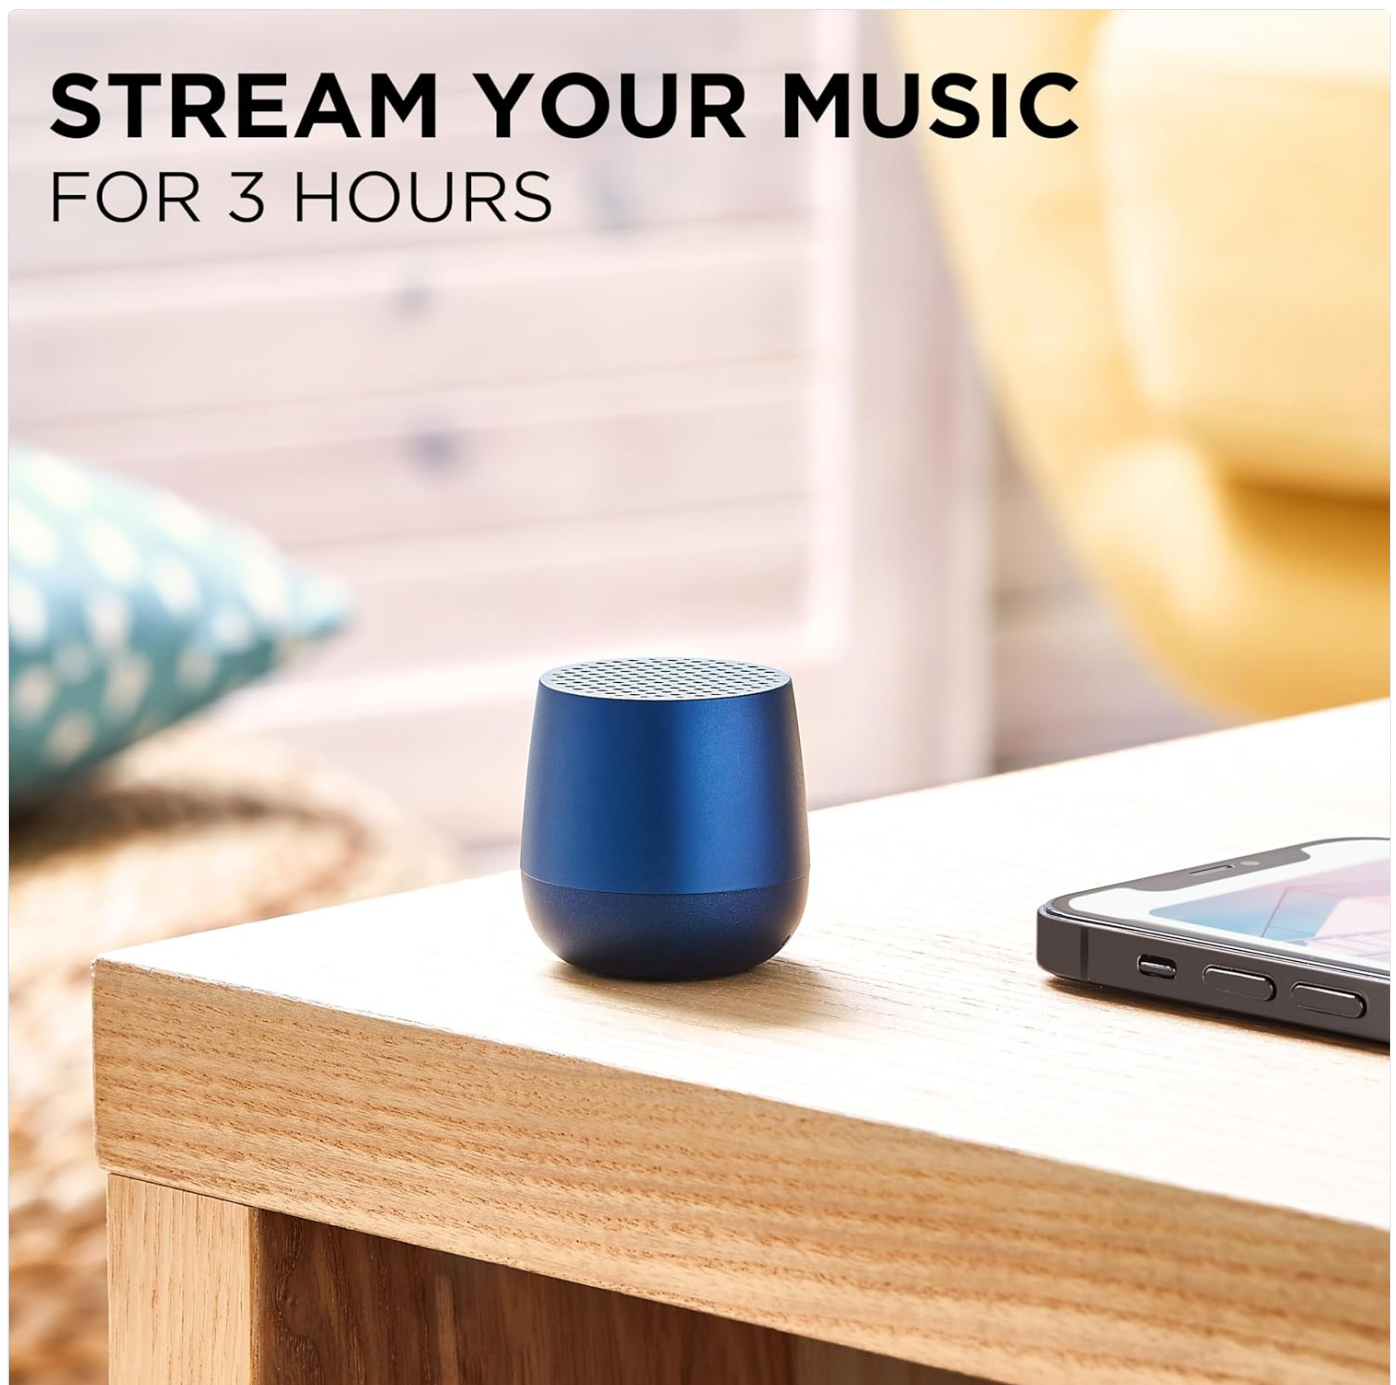

Image: A blue Lexon MINO+ speaker positioned on a light wooden surface, with a smartphone nearby displaying a music player interface, illustrating its use for streaming music.

5.3 Hands-Free Calling

When a call comes in while connected via Bluetooth, the speaker will ring. Press the multi-function button (if available, or refer to specific button functions) to answer or end a call. The built-in microphone allows for hands-free conversation.

5.4 Selfie Control

The MINO+ speaker can act as a remote shutter for your smartphone camera. Open your phone's camera app and press the multi-function button on the speaker to take a photo.

5.5 True Wireless Stereo (TWS) Pairing

To enjoy stereo sound, you can pair two Lexon MINO+ speakers together:

1. Ensure both MINO+ speakers are powered on and not connected to any other Bluetooth device.
2. On one speaker, initiate TWS pairing mode (refer to specific button press sequence in your speaker's quick start guide, usually a double-press or long-press of a specific button).
3. The two speakers will automatically search for and connect to each other.
4. Once paired, connect your smartphone to one of the speakers via Bluetooth. Audio will now play in stereo through both speakers.

6. MAINTENANCE

- Clean the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Keep the speaker away from water, moisture, and extreme temperatures.
- Avoid dropping the speaker or subjecting it to strong impacts.
- Store the speaker in a cool, dry place when not in use for extended periods.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Speaker does not turn on.	Low battery.	Charge the speaker fully.
Cannot pair with Bluetooth device.	Speaker is not in pairing mode or already connected to another device. Device Bluetooth is off.	Ensure speaker is in pairing mode. Disconnect from other devices. Turn on Bluetooth on your device.
No sound or low volume.	Volume on speaker or connected device is too low. Speaker is not connected.	Increase volume on both speaker and connected device. Re-pair the speaker.
Poor sound quality.	Speaker is too far from the connected device. Obstructions between speaker and device.	Move speaker closer to the device. Remove any obstructions.

8. SPECIFICATIONS

Feature	Detail
Model Name	LA125N (LA125)

Feature	Detail
Speaker Type	Satellite
