Kozyus Wearable Heated Throw Blanket (Model KOZ01) - Instruction Manual

Brand: Kozyus | Model: KOZ01

INTRODUCTION

Thank you for choosing the Kozyus Wearable Heated Throw Blanket. This manual provides essential information for the safe and effective use of your new heated blanket. Please read it thoroughly before first use and retain it for future reference.

Key Features

- **Soft & Certified Materials:** Crafted from ultra-soft flannel and plush sherpa, OEKO-TEX STANDARD 100 certified.
- **Relaxed Fit & Full Coverage:** Measures 56" x 63", designed as a wearable shawl or poncho with a roomy hood and fleece-lined hand pockets.
- **Custom Heat Settings:** 5 heat levels with a simple one-button controller and integrated fast-heating wires for even warmth.
- **Safety Certified:** ETL certified with a 3-hour auto shut-off feature and overheat protection.
- **Extra-Long Power Cord:** A 14-ft cord for flexible movement.
- **Machine Washable:** Detachable power cord for easy cleaning.

SETUP INSTRUCTIONS

Unpacking

Carefully remove the heated blanket and all components from the packaging. Inspect the blanket and controller for any signs of damage. Do not use if any damage is present.

Connecting the Controller

1. Locate the connection port on the blanket.
2. Align the detachable power cord connector with the port and push firmly until it clicks into place.
3. Ensure the connection is secure before plugging the power cord into a standard wall outlet.

OPERATING INSTRUCTIONS

Power On/Off

- To turn on the blanket, press the power button on the controller. The indicator light will illuminate.
- To turn off the blanket, press and hold the power button until the indicator lights turn off.

Adjusting Heat Settings

- Once powered on, press the power button repeatedly to cycle through the 5 heat settings (1 being the lowest, 5 being the highest).
- The corresponding indicator light on the controller will show the selected heat level.

Auto Shut-Off Feature

For safety and energy conservation, the blanket is equipped with a 3-hour auto shut-off feature. After 3 hours of continuous use, the blanket will automatically turn off. To resume heating, simply press the power button again.

Wearing the Blanket

The Kozyus Wearable Heated Throw Blanket offers versatile use:

- **As a Shawl/Poncho:** Drape the blanket over your shoulders. Use the snap buttons along the front to secure it for hands-free movement. The roomy hood provides extra warmth for your head and neck.
- **As a Throw Blanket:** Unsnap the buttons and use it as a traditional heated throw blanket.
- **Foot Pockets:** Utilize the fleece-lined hand pockets and the deep 18-inch foot pockets to keep your extremities warm while lounging or working.

MAINTENANCE

Cleaning Instructions

The Kozyus Wearable Heated Throw Blanket is machine washable for easy care:

1. Ensure the blanket is unplugged from the wall outlet.
2. Detach the power cord and controller completely from the blanket.
3. Machine wash the blanket on a gentle cycle with cold water.
4. Tumble dry on low heat or hang to air dry. Do not iron or dry clean.

Storage

When not in use, ensure the blanket is clean, dry, and completely cooled. Store it in a cool, dry place, away from direct sunlight and excessive heat. Avoid folding it tightly to prevent damage to the internal heating wires.

TROUBLESHOOTING

If you experience any issues with your Kozyus Wearable Heated Throw Blanket, please refer to the following common troubleshooting steps:

- **Blanket not heating:** Ensure the power cord is securely connected to both the blanket and a working wall outlet. Check if the controller is powered on and a heat setting is selected.
- **Controller lights flashing:** This may indicate an error or an activated safety feature. Try unplugging the blanket from the wall, waiting a few minutes, and then plugging it back in.
- **Uneven heating:** Ensure the blanket is laid flat and not bunched up, which can affect heat distribution.

If the problem persists after attempting these steps, please contact Kozyus customer support for assistance.

PRODUCT SPECIFICATIONS

Feature	Detail
