HP HP 805

HP 805 Tri-Color Original Ink Cartridge User Manual

Model: HP 805

INTRODUCTION

This manual provides essential information for the proper use and maintenance of your HP 805 Tri-Color Original Ink Cartridge. This dye-based ink cartridge is designed to deliver vibrant color prints and has a page yield of approximately 100 pages. It features water-resistant ink for lasting results.

SETUP AND INSTALLATION

Follow these steps to correctly install your HP 805 Tri-Color ink cartridge into your compatible HP printer.

1. **Unpack the Cartridge:** Carefully remove the HP 805 Tri-Color ink cartridge from its packaging. Avoid touching the copper-colored electrical contacts or ink nozzles.
2. **Open Printer Access Door:** Turn on your printer and open the ink cartridge access door. The print carriage will move to the center. Wait until the carriage is idle and silent before proceeding.
3. **Remove Protective Tape:** Gently pull the orange pull tab to remove the protective tape from the cartridge. Do not remove the copper-colored electrical strip.
4. **Insert Cartridge:** Hold the cartridge with the HP logo facing up and slide it into the correct slot. The tri-color cartridge typically goes into the left slot. Push the cartridge firmly until it clicks into place.
5. **Close Access Door:** Close the ink cartridge access door. The printer will perform an alignment process.

Original HP Ink Cartridges

Prints you can take pride in

Compatible Printers:

- HP DeskJet Plus All-in-One (4121, 4122, 4123)
- HP DeskJet All-in-One (2720, 2721, 2722, 2723, 2729, 2332, 2330, 2331, 2333)
- HP DeskJet (1212, 1210, 1211, 1213)

OPERATING INSTRUCTIONS

The HP 805 Tri-Color ink cartridge is designed for high-quality color printing. Ensure your printer drivers are up to date for optimal performance.

- **Print Quality:** This cartridge produces vibrant colors and rich blacks, suitable for various documents and images.
- **Page Yield:** Expect to print approximately 100 pages with this cartridge, based on ISO/IEC 24711 standards. Actual yield may vary significantly based on content of printed pages and other factors.
- **Fade Resistance:** The ink is formulated to produce fade-resistant photos that can last for decades when stored properly.

MAINTENANCE

Proper maintenance ensures the longevity of your ink cartridge and consistent print quality.

- **Storage:** Store unused cartridges in their sealed packaging at room temperature. Avoid extreme temperatures or direct sunlight.
- **Print Head Cleaning:** If print quality degrades (e.g., streaks or faded colors), use your printer's utility software to perform a print head cleaning cycle. Refer to your printer's manual for specific instructions.
- **Environmental Responsibility:** HP is committed to sustainability. Original HP Inks are water-based and meet eco-label emissions criteria.
- **Recycling:** Over 50% of Original HP Ink Cartridges are made with recycled ocean-bound plastic. HP encourages recycling of used cartridges. Visit the HP website for recycling programs.

TROUBLESHOOTING

If you encounter issues with your HP 805 Tri-Color ink cartridge, consider the following common solutions:

- **Low Page Yield:** If the cartridge appears to run out of ink quickly, ensure you are printing in standard quality settings. High-quality prints or prints with heavy color saturation consume more ink. Verify that the protective tape was fully removed during installation.
- **Faded or Inaccurate Colors:**
 - Perform a print head cleaning cycle through your printer's software.
 - Check ink levels to ensure the cartridge is not empty.
 - Ensure you are using genuine HP ink cartridges.
 - Run a print head alignment from your printer's control panel or software.
- **Cartridge Not Recognized:**
 - Remove the cartridge and reinsert it firmly until it clicks.
 - Clean the electrical contacts on the cartridge and inside the printer with a lint-free cloth.
 - Restart your printer and computer.

SPECIFICATIONS

Model Name	HP 805
Brand	HP
Ink Colour	Tricolor
Page Yield	100 pages
Ink Type	Dye-based ink cartridge
Special Feature	Water Resistant
Item Weight	50 Grams
