Safety Information

Adherence to the following safety guidelines is crucial for preventing injury and ensuring the longevity of your bunk bed:

- Always ensure all connections are securely tightened before use. Periodically check and retighten hardware.
- The top bunk is equipped with full-length guardrails for user safety. Ensure they are properly installed and maintained.
- Only one person should occupy the top bunk at a time.
- Do not allow children under 6 years of age on the upper bunk.
- Use only mattresses that comply with the recommended dimensions for bunk beds.
- Do not attach or hang items on any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, or ropes.
- Always use the provided ladders for accessing the upper bunks. Do not climb on the frame.

Setup and Assembly

Assembly of the MERITLINE L-Shaped Bunk Bed requires two adults. Please ensure all parts are present before beginning. Tools for assembly are included.

Package Contents:

Your bunk bed will arrive in multiple boxes. Verify all components are present against the parts list provided in your physical instruction manual.

Assembly Options:

This L-shaped bunk bed offers two primary installation configurations to best suit your space. Review both options before proceeding with assembly.

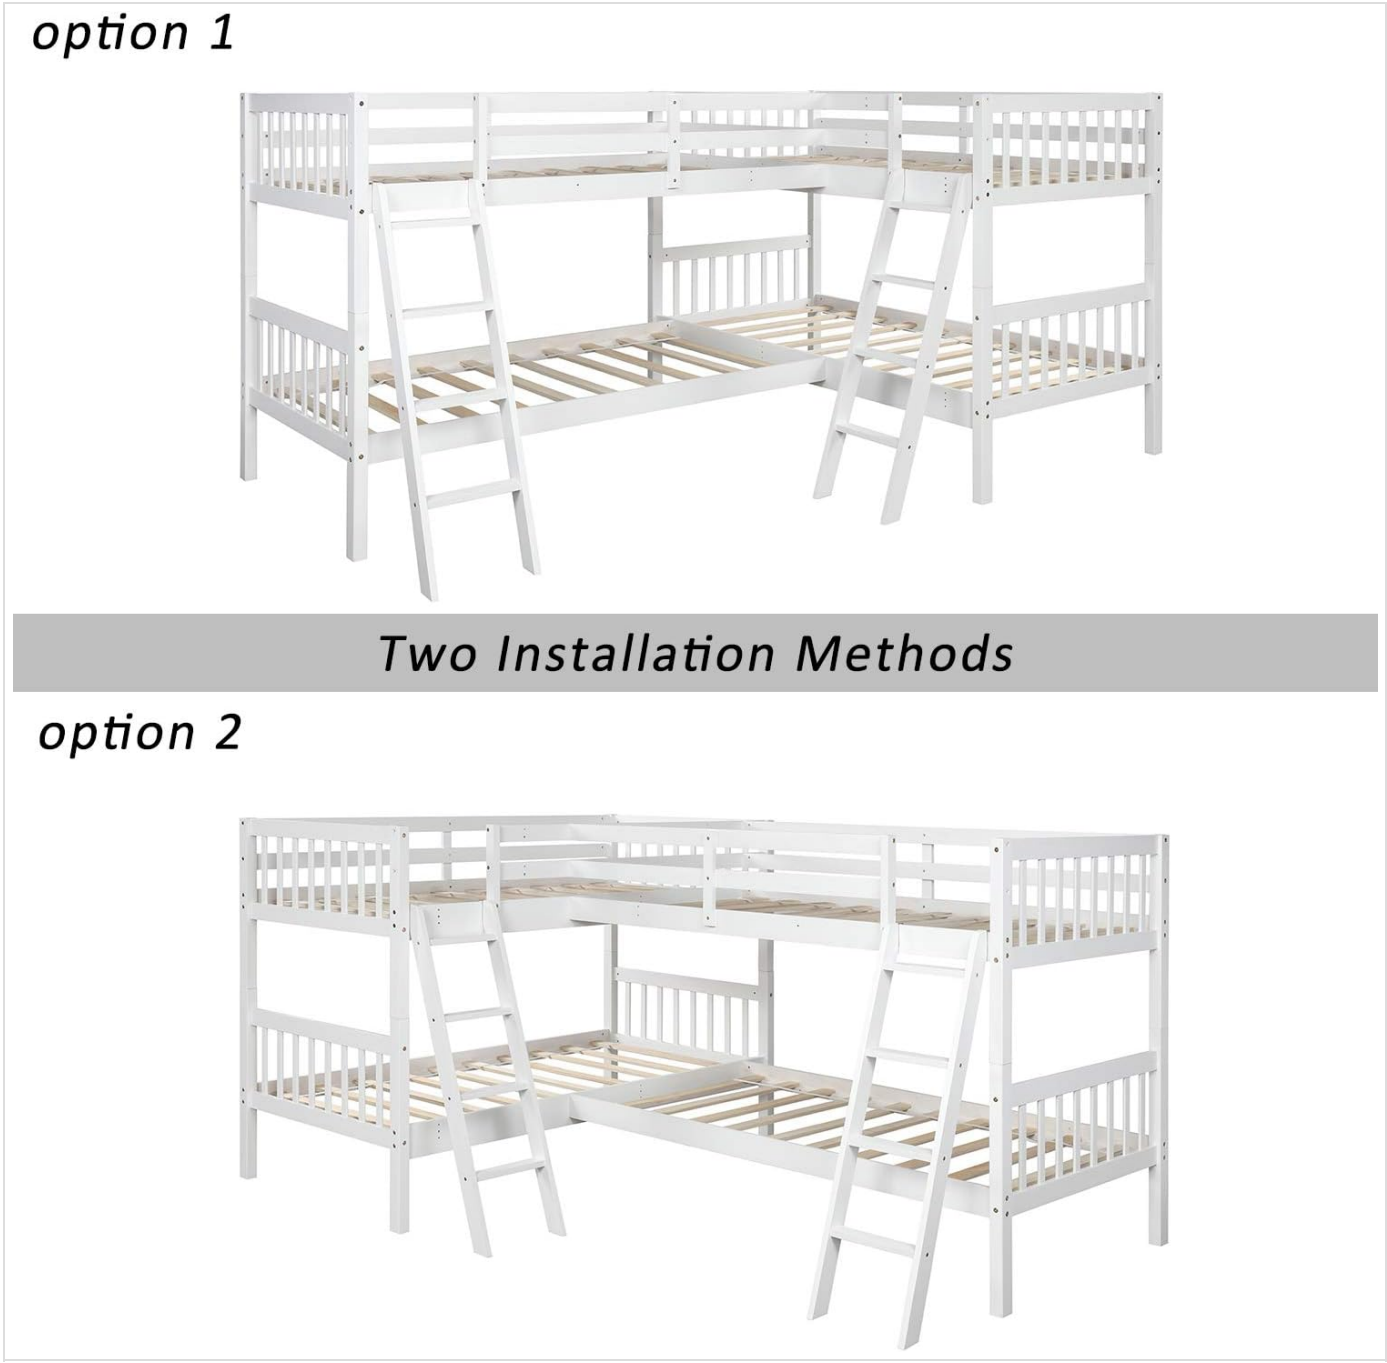

Image: Depiction of Installation Option 1, showing the L-shaped bunk bed configuration with the two upper beds and two lower beds arranged in a specific orientation. This option illustrates one possible layout for the bed frame.

Image: Depiction of Installation Option 2, presenting an alternative L-shaped bunk bed configuration. This option demonstrates a different arrangement of the upper and lower bed sections, providing flexibility for room layout.

General Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Identify the main frame components for the lower beds. Assemble these sections first, ensuring all bolts are finger-tight.
3. Attach the vertical support posts and guardrails for the upper beds.
4. Carefully lift and secure the upper bed frames onto the support posts.
5. Install the wooden slats for all bed platforms. Ensure slats are evenly spaced and securely fastened. No spring box is needed.
6. Attach the ladders to the designated access points for the upper bunks.
7. Once all components are in place, fully tighten all bolts and screws using the provided tools. Do not overtighten.
8. Perform a final check to ensure the bed is stable and all guardrails are secure.

Operation and Usage

The MERITLINE L-Shaped Bunk Bed is designed for sleeping and resting. Observe the following guidelines for proper use:

- Ensure mattresses are correctly sized and placed on the bed platforms.

- Always use the ladders to access the upper bunks. Do not jump on or off the beds.
- Periodically inspect the bed for any signs of wear, loose connections, or damage.

Maintenance and Care

Regular maintenance will help preserve the appearance and structural integrity of your bunk bed.

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. For spills, blot immediately with a clean cloth.
- **Hardware Check:** Every 3-6 months, inspect all bolts, screws, and connections. Tighten any loose hardware to maintain stability.
- **Wood Care:** Protect the wood from direct sunlight and extreme temperature changes to prevent warping or cracking.

Troubleshooting

If you encounter issues with your bunk bed, refer to the following common solutions:

- **Bed feels unstable or shaky:** This is often due to loose hardware. Re-check and tighten all bolts and screws throughout the entire frame. Ensure the bed is placed on a level surface.
- **Missing or damaged parts during assembly:** Contact MERITLINE customer support immediately with your

purchase details and a description of the missing/damaged part.

- **Squeaking noises:** Squeaking can indicate loose connections. Identify the source of the squeak and tighten the corresponding hardware. Applying a small amount of furniture wax or lubricant to metal-on-metal contact points (if applicable) can also help.

Specifications

Feature	Detail
Brand	MERITLINE
Model Number	B08CZHHT5R
Type	Twin Over Twin L-Shaped Bunk Bed
Color	White
Product Dimensions	118"L x 90"W x 60"H
Material	Solid Pine Wood, MDF
Special Features	Spindles, Convertible L-Shape, Full-Length Guardrails
