Umbra Exhibit 24-inch Wall Mirror Instruction Manual

Model: 1015544-040

1. INTRODUCTION

The Umbra Exhibit Wall Mirror is designed to be a unique and modern accent for your living space. This round mirror is suspended from a metal bar, offering a distinctive aesthetic. Its large circular shape is intended to enhance the light and dimension within a room. This manual provides essential information for the proper installation and care of your mirror.

2. WHAT'S INCLUDED

Please ensure all components are present before beginning installation:

- 1 x Round Mirror
- 1 x Metal Hanging Bar
- 2 x Metal Rods (for suspending the mirror)
- Mounting Hardware (screws, wall anchors)

Figure 1: Front view of the Umbra Exhibit Wall Mirror.

3. SETUP AND INSTALLATION

Minor assembly and installation are required. All necessary mounting hardware is included. Follow these steps for secure installation:

1. **Determine Mounting Location:** Choose a suitable wall location. Ensure the wall material can support the mirror's weight (approximately 6.82 lbs or 3.1 kg).
2. **Mark Drill Points:** Hold the metal hanging bar against the wall at your desired height. Use a pencil to mark the positions for the two mounting screws through the holes in the bar. Ensure the bar is level.
3. **Drill Pilot Holes:** Using an appropriate drill bit for your wall type (e.g., 1/4 inch for drywall anchors), drill pilot holes at the marked locations.

4. **Insert Wall Anchors:** Gently tap the provided wall anchors into the pilot holes until they are flush with the wall surface.
5. **Attach Hanging Bar:** Align the metal hanging bar with the installed anchors. Insert the screws through the bar's holes and tighten them into the anchors until the bar is securely fastened to the wall.
6. **Attach Metal Rods:** The two metal rods connect the mirror to the hanging bar. Insert the top ends of the rods into the designated slots on the hanging bar.
7. **Hang the Mirror:** Carefully attach the mirror to the lower ends of the metal rods. The mirror has pre-drilled holes for this purpose. Ensure the mirror is securely suspended and balanced.

Installation Video Guide

Video 1: Official installation guide for the Umbra Exhibit Mirror. This video demonstrates the process of mounting the hanging bar and attaching the mirror.

4. USAGE

The Umbra Exhibit Wall Mirror serves as a decorative accent piece, suitable for various rooms and decor styles. Its design allows it to be a focal point, reflecting light and enhancing the visual space. The mirror's hanging mechanism allows for slight adjustments to its position on the rods, providing flexibility in display.

5. MAINTENANCE

To maintain the clarity and appearance of your mirror, follow these cleaning guidelines:

- **Mirror Surface:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping behind the edges. Wipe gently to remove dust and smudges.
- **Metal Components:** Wipe the metal hanging bar and rods with a soft, dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Regular Dusting:** Dust the mirror and metal components regularly with a soft cloth to prevent buildup.

6. SPECIFICATIONS

Brand	Umbra
Model Number	1015544-040
Color	Black

Mirror Dimensions (H x W)	Approximately 24 inches (61 cm) x 30.13 inches (76.5 cm)
Overall Product Dimensions (L x W)	40 inches (101.6 cm) x 30 inches (76.2 cm)
