

VONLUCE HCF-1505

VONLUCE HCF-1505 Brushed Gold Pendant Light Instruction Manual

Model: HCF-1505 | Brand: VONLUCE

INTRODUCTION

This manual provides detailed instructions for the safe installation, operation, and maintenance of your VONLUCE HCF-1505 Brushed Gold Pendant Light. Please read all instructions carefully before beginning installation and retain this manual for future reference.

SAFETY INFORMATION

- **WARNING:** To avoid electric shock, ensure power is turned off at the circuit breaker before installation or servicing.
- All electrical connections must be in accordance with local codes, ordinances, or the National Electric Code (NEC). Consult a qualified electrician if you are unfamiliar with proper electrical wiring connections.
- Use only bulbs of the specified type and wattage. Do not exceed the maximum wattage of 60W for E26 bulbs.
- Do not install this fixture in wet locations. It is designed for indoor use only.
- Handle glass components with care to prevent breakage.

PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- Pendant Light Fixture (with adjustable PVC cable, E26 socket, and metal canopy)
- Clear Glass Shade
- Mounting Hardware (screws, wire nuts, mounting bracket)
- Instruction Manual

SETUP AND INSTALLATION

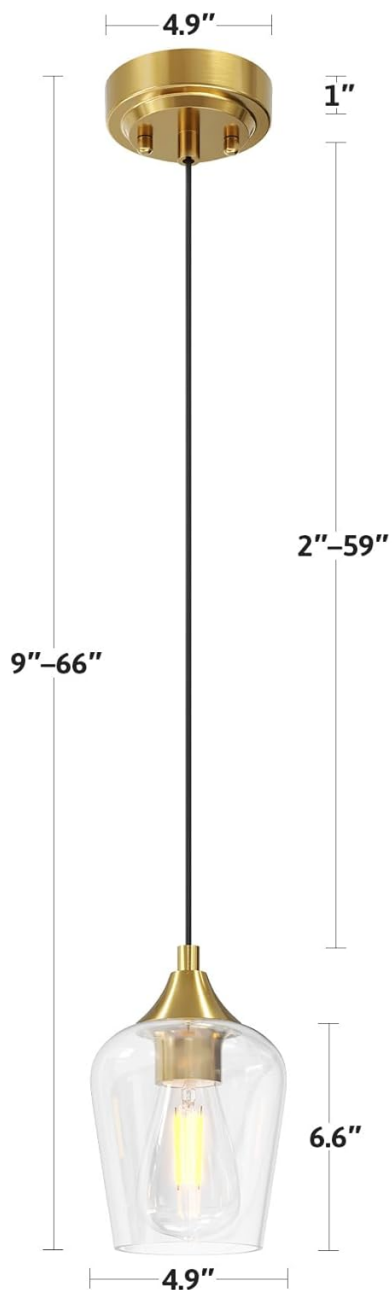

Follow these steps to install your pendant light fixture:

1. **Prepare the Cable:** If the PVC cable is not perfectly straight out of the package, hang the light loosely for 1-2 days or gently rub the cable with a wipe cloth 4-5 times to help straighten it.

Image: Tips for straightening the PVC cable.

2. **Turn Off Power:** Before starting any electrical work, turn off the power at the main circuit breaker.
3. **Install Mounting Bracket:** Secure the mounting bracket to the ceiling junction box using the provided screws.
4. **Adjust Cable Length:** Determine the desired hanging height for your pendant light. The cable is adjustable from 9 inches to 66 inches. Adjust the cable length by pushing the cable through the canopy.

COMPATIBLE WITH E26 BASE BULBS

Bulbs Not Included

Image: Dimensions and adjustable cable length.

- Wire Connections:** Connect the fixture's wires to the corresponding household wires using the wire nuts. Typically, black to black (Live), white to white (Neutral), and green/bare copper to green/bare copper (Ground).
- Secure Canopy:** Carefully push the wires into the junction box and secure the fixture canopy to the mounting bracket with the provided screws.
- Install Glass Shade:** Attach the clear glass shade to the fixture.
- Install Bulb:** Screw an E26 base bulb (not included) into the socket. Ensure the bulb wattage does not exceed 60W.

Video: Watch this video for a visual guide on how to install the VONLUCE Kitchen Island Lighting.

OPERATING INSTRUCTIONS

Once installed and powered, the pendant light operates via a standard wall switch. Ensure the correct E26 bulb (max 60W) is installed for optimal performance and safety.

ADJUSTABLE PVC CABLE

Easily Customize the Height of the Light from 9" to 66" to Suit Every Room

MAINTENANCE

To maintain the appearance and functionality of your pendant light:

- **Cleaning:** Turn off power before cleaning. Wipe the metal parts with a soft, dry cloth. For the glass shade, use a mild glass cleaner and a soft cloth. Avoid abrasive cleaners or solvents.
- **Bulb Replacement:** Ensure power is off before replacing the bulb. Allow the bulb to cool completely before touching. Replace with an E26 base bulb, not exceeding 60W.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on	No power to fixture	Check circuit breaker and wall switch.
Light bulb is not working	Bulb is loose or burned out	Tighten or replace the bulb.

Problem	Possible Cause	Solution
Flickering light	Loose wiring or incompatible bulb	Turn off power, check wire connections. Ensure bulb is compatible and not exceeding wattage.
