Medcursor FM04

Medcursor Foot Massager Machine

MODEL: FM04

INTRODUCTION AND OVERVIEW

The Medcursor Foot Massager Machine with Heat (Model FM04) is designed to deliver effective relief for tired muscles and plantar fasciitis, offering deep kneading therapy and multi-level settings for use at home or in the office. This machine is suitable for foot sizes up to 13 inches.

Key features include:

- **Professional-Grade Massage:** Features 3 specially-designed massage heads per side to deeply massage the forefoot, arch, and heel, promoting foot circulation, eliminating physical fatigue, and improving sleep quality.
- **Soothing Heat Function:** Effectively relieves fatigue and muscle tension, alleviates foot soreness, and offers a relaxing massage effect. The heat function can be turned on or off as needed.
- **Multiple Massage Settings:** Customize your massage experience by combining deep kneading, heat, and air pressure functions.
- **Easy to Clean:** Made from high-quality PU material, the exterior can be wiped with a damp cloth. It includes removable zippered foot sleeves that are easy to remove and washable.
- **Ideal Choice:** Features a 15-minute auto-shutoff timer for safety and peace of mind.

SETUP

To set up your Medcursor Foot Massager Machine, follow these simple steps:

- 1. Placement:** Place the massager on a flat, stable surface.
- 2. Power Connection:** Plug the massager into a compatible electrical outlet.
- 3. Comfort:** Sit comfortably in a chair, ensuring your feet can easily reach the foot inserts.
- 4. Insert Feet:** Gently slide your feet into the foot inserts. It is recommended to wear socks to maintain hygiene and comfort.

Easy to Store

With its compact design, it perfectly nestles into your space.

OPERATING INSTRUCTIONS

The Medcursor Foot Massager is designed for ease of use with intuitive controls located on the top panel.

Wellness Starts with Taking Care of Your Feet

Get a relaxation after a long arduous day at work

Figure 3: Close-up of the built-in control panel with Power On/Off, Switch Air Pressure Gear, Heating Button On/Off, and Switch Massage Mode buttons.

- **Power On/Off:** Press the power button (●) to turn the unit on or off.
- **Heat Function:** Press the heat button (🔥) to activate or deactivate the soothing heat. The heat will typically be felt within 3-5 minutes.
- **Air Pressure Intensity:** Adjust the air pressure intensity (L/H) to your preference. This controls the compression around your feet.
- **Massage Modes:** Cycle through the three available massage modes (M1, M2, M3) to find your desired massage style. Each mode offers a unique combination of kneading, rolling, and air compression.

The massager features a 15-minute auto-shutoff timer for safety and convenience.

Maintenance

Proper maintenance ensures the longevity and hygiene of your Medcursor Foot Massager.

- Exterior Cleaning:** The massager is made from high-quality PU material. Simply wipe the exterior with a damp cloth to clean.
- Removable Foot Sleeves:** The foot massager comes with removable zippered foot sleeves. These can be easily removed and are washable for convenient hygiene.
