Divoom Planet-9

Divoom Planet-9 Smart Mood Lamp User Manual

Model: Planet-9 | Brand: Divoom

INTRODUCTION

The Divoom Planet-9 Smart Mood Lamp is a versatile, battery-operated RGB LED lamp designed to enhance various environments such as bedrooms, gaming rooms, and offices. It offers programmable lighting, color customization, and smart control via a dedicated mobile application. This manual provides detailed instructions for its proper use and maintenance.

SETUP

1. Unboxing and Initial Inspection

Carefully remove the Planet-9 lamp from its packaging. Inspect the lamp for any visible damage. Ensure all components, including the lamp and charging cable, are present.

2. Charging the Lamp

The Planet-9 lamp is equipped with a built-in Lithium Ion battery. Before first use, fully charge the device using the provided USB charging cable. Connect the cable to the USB charging port located on the lamp and to a compatible 5V USB power adapter (not included).

Product Details

3. App Installation and Pairing

To unlock the full potential of your Planet-9 lamp, download the Divoom app from the App Store (iOS) or Google Play Store (Android). Follow the in-app instructions to pair your lamp via Bluetooth. This enables remote control and access to advanced features.

OPERATING INSTRUCTIONS

1. Power On/Off and Basic Control

- **Power:** Use the physical slide switch on the lamp to turn it on or off.
- **Brightness:** Rotate the dimming knob on top of the lamp to adjust brightness levels.
- **Color Cycle:** Press the dimming knob to cycle through preset color modes.

2. Advanced App Control

- **Color Selection:** Within the Divoom app, choose from 16 million colors to personalize your lighting.
- **Color Temperature:** Adjust the color temperature from 1600K (warm white) to 6500K (crisp white).
- **DIY Lighting Effects:** Create and customize your own lighting patterns and share them within the Divoom community via the app.
- **Music Sync:** Activate the music sync feature in the app to make the lamp's light dance with your favorite

songs, movies, or video games.

3. Sleep Aid and Alarm Functions

The Planet-9 lamp can function as a sleep aid and alarm clock. Utilize the Divoom app to set timed alarms and configure night light modes for improved sleep experience.

MAINTENANCE

1. Cleaning

To clean the lamp, gently wipe its surface with a soft, dry cloth. Avoid using abrasive cleaners or solvents, as these may damage the finish. Ensure the lamp is powered off and unplugged before cleaning.

2. Battery Care

To prolong battery life, avoid fully discharging the lamp frequently. Recharge the lamp when the battery indicator shows low power. Use only the provided charging cable and a compatible 5V USB power source.

TROUBLESHOOTING

- **Lamp does not turn on:** Ensure the lamp is fully charged. Check the power switch position.
- **Cannot connect to app:** Verify Bluetooth is enabled on your mobile device. Ensure the Divoom app is updated to the latest version. Try restarting both the lamp and your mobile device.
- **Inconsistent charging:** Use the original charging cable and a 5V USB power adapter. Avoid using damaged cables or incompatible chargers.
- **Lights are not changing:** Check app settings for active lighting modes or patterns. Ensure the lamp is within Bluetooth range of your device.

SPECIFICATIONS

Feature	Detail
Brand	Divoom
Model Number	Planet-9
Dimensions	5"D x 5.16"W x 3.15"H
Item Weight	13.1 ounces (372 Grams)
Material	Plastic
Color	Pink
