

FEZIBO SDE-DC

FEZIBO Standing Desk Instruction Manual

Model: SDE-DC

1. INTRODUCTION

Thank you for choosing the FEZIBO 48 x 24 Inches Standing Desk with Drawer. This adjustable height electric stand-up desk is designed to enhance your home office experience by promoting ergonomic posture and providing convenient storage. Built with industrial-grade steel, it offers stability and durability for your daily work needs.

2. SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Keep hands and objects clear of moving parts during height adjustment.
- Do not overload the desk; maximum weight capacity is 176 lbs (80 kg).
- Avoid placing liquids directly on the control panel or near electrical components.
- Unplug the desk from the power outlet before cleaning or maintenance.
- This desk is designed for indoor use only.

3. PACKAGE CONTENTS

Please verify that all parts are present before beginning assembly:

- Desktop (48 x 24 inches, Rustic Brown)
- Adjustable Height Electric Desk Frame (Alloy Steel)
- Control Panel with 4 Memory Presets
- Upgraded Leather Storage Drawer (15.7 x 10.4 x 3.2 inches)
- Desk Hooks (Set of 2)
- Lockable Casters (Set of 4)
- Assembly Hardware and Tools (L-shaped installation tools)
- Power Adapter and Cables

4. SETUP AND ASSEMBLY

Follow these steps carefully for proper assembly. A detailed installation manual (PDF) is available for download, and an installation video guide is provided for visual assistance.

Recommended: Two-person assembly for ease and safety.

1. **Unboxing and Preparation:** Lay out all components on a clean, soft surface to prevent scratches. Identify all parts and hardware using the provided list.
2. **Assemble Desk Columns and Feet:** Attach the desk columns to the main frame. Ensure the desk feet are securely installed.

Image: All components of the FEZIBO Standing Desk laid out for assembly, including the rustic brown desktop, black frame, and various hardware bags.

3. **Install Control Panel:** Securely attach the control panel to the underside of the desktop.

4. **Connect Power Cords:** Connect all necessary power cords from the motor and control panel to the main power unit. Ensure connections are firm.
5. **Insert Transmission Shaft:** Carefully insert the transmission shaft, ensuring it aligns correctly with both lifting columns.
6. **Attach Desktop:** Carefully place the desktop onto the assembled frame. Align the pre-drilled holes and secure the desktop using the provided screws.
7. **Install Accessories:** Attach the storage drawer, desk hooks, and lockable casters as desired. The desktop cable grommets can be used to organize wires.

8. **Initial Power-Up and Reset:** Plug the desk into a power outlet. Before first use, perform a reset by pressing and holding the up and down buttons simultaneously for 5 seconds until the display flashes or beeps, then releases. The desk will move to its lowest position and then slightly up, indicating a successful reset.

5. OPERATING INSTRUCTIONS

The FEZIBO standing desk features an intuitive control panel for easy height adjustment and memory functions.

Height Adjustment:

- Use the **Up (▲)** and **Down (▼)** arrow buttons on the control panel to adjust the desk height. The desk can be adjusted from 27.7 inches to 46.6 inches.
- The motor operates quietly at 45 dB.

UPGRADED LEATHER DRAWER

15.7 x 10.4 x 3.2in

With Waterproof Function and Better Texture

Image: Close-up of the desk's control panel, showing the up and down arrow buttons and memory preset buttons (1, 2, 3, 4).

Memory Presets:

- The desk features 4 programmable memory positions.
- **To Set a Memory Position:** Adjust the desk to your desired height. Press and hold one of the numbered memory buttons (1, 2, 3, or 4) for 3 seconds until the display flashes or beeps, indicating the height has been saved.

- **To Use a Memory Position:** Press the corresponding numbered memory button (1, 2, 3, or 4) once. The desk will automatically move to the saved height.

Anti-Collision Technology:

The desk is equipped with an auto-sensing anti-collision system. If the desk encounters an obstacle during adjustment, it will automatically stop and reverse slightly to prevent damage.

6. MAINTENANCE

- **Cleaning:** Wipe the desk surface with a dry cloth. For the upgraded leather drawer, its waterproof function allows for easy cleaning of spills.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight.
- **Cable Management:** Utilize the desktop cable grommets and included cable ties to keep wires organized and prevent tangling, which can interfere with desk movement.

7. TROUBLESHOOTING

- **Desk Not Moving:**
 - Check all power connections. Ensure the power cord is securely plugged into both the desk and the wall outlet.
 - Perform a reset: Press and hold the up and down buttons simultaneously for 5 seconds until the display flashes or shows "RST".
 - Check for obstructions under or around the desk that might be triggering the anti-collision system.
- **Uneven Movement:**
 - Ensure the desk is placed on a level surface.
 - Verify that all assembly screws, especially those connecting the legs and frame, are tightened evenly.
- **Drawer Issues:**
 - Ensure the drawer is properly seated in its designated space.
 - Avoid overloading the drawer, as this can cause it to sag or detach.

8. SPECIFICATIONS

Feature	Detail
Brand	FEZIBO
