nanoblock NBPM_070

Nanoblock Pokemon Greninja Building Kit Instruction Manual

Model: NBPM_070

1. PRODUCT OVERVIEW

This instruction manual provides guidance for assembling the Nanoblock Pokemon Greninja building kit. This kit allows you to construct a detailed micro-sized model of Greninja, the Ninja-like Water and Dark-type Pokémon.

Image: Nanoblock Pokemon Greninja building kit packaging.

The Greninja model, part of Nanoblock's Pokémon Collection series, stands approximately 2.3 inches tall upon completion and consists of 180 micro-sized pieces. The assembly difficulty level is rated 3 out of 5, suitable for builders aged 15 and above.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts.

This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly, especially for younger users, due to the small size of the building bricks.

3. WHAT'S IN THE BOX

Your Nanoblock Pokemon Greninja building kit includes:

- Greninja [Pokémon] Nanoblock Building Kit components (180 pieces)
- Detailed step-by-step instruction manual

4. SETUP AND ASSEMBLY INSTRUCTIONS

The Nanoblock Greninja kit is designed for an engaging building experience. Follow the included step-by-step instructions carefully to assemble your model. The difficulty level is 3 out of 5, recommended for ages 15 and up.

Video: This video provides a product overview and demonstrates the micro-sized bricks and assembly process for a Nanoblock kit, similar to the Greninja model. It shows the individual pieces and how they are connected according to the instructions.

General Assembly Tips:

- **Organize Pieces:** Before starting, sort the micro-sized bricks by color and shape to make the assembly process smoother.
- **Follow Instructions:** Refer to the detailed graphical instructions provided in the kit. Each step illustrates which pieces to use and where to place them.
- **Secure Connections:** Ensure each brick is firmly connected to the previous one to maintain the model's stability.
- **Patience is Key:** Due to the small size of the bricks, assembly requires precision and patience. Take your time to enjoy the building process.

5. OPERATING THE MODEL

The Nanoblock Greninja model is a static display item. It is not designed for active play or manipulation once assembled. Handle with care to prevent accidental disassembly.

6. MAINTENANCE

To maintain the appearance of your Nanoblock Greninja model:

- **Cleaning:** Gently dust the model with a soft brush or a can of compressed air. Avoid using liquids or harsh cleaning agents.
- **Storage:** Store the model in a stable location away from direct sunlight, extreme temperatures, or high humidity to prevent material degradation or discoloration.

7. TROUBLESHOOTING

If you encounter issues during assembly:

- **Missing Pieces:** Double-check all packaging and surrounding areas. If pieces are genuinely missing, refer to the warranty and support section for assistance.
- **Difficulty Connecting:** Ensure bricks are aligned correctly and apply gentle, even pressure. The micro-sized connections are precise.
- **Model Instability:** Review previous steps to ensure all connections are secure and no pieces were misplaced.

8. SPECIFICATIONS
