## Wireless Gear G0686

# Wireless Gear Bluetooth 5.0 True Wireless Stereo Secure Fit Earbuds User Manual

Model: G0686 | Brand: Wireless Gear

## INTRODUCTION

This manual provides detailed instructions for the Wireless Gear Bluetooth 5.0 True Wireless Stereo Secure Fit Earbuds, Model G0686. These earbuds feature advanced Bluetooth 5.0 technology for rich audio and extreme bass, offering up to 8 hours of playtime. The cord-free design includes a built-in microphone for hands-free calling, intelligent noise reduction, and lossless audio transmission. Convenient touch controls allow for easy management of music and calls.

Please read this manual thoroughly before using your earbuds to ensure proper operation and to maximize your listening experience.

## WHAT'S INCLUDED

Your package should contain the following items:

- Two Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual (this document)

Image: USB Charging Cable and various ear tip sizes.

## PRODUCT OVERVIEW

Familiarize yourself with the components of your Wireless Gear Earbuds:

Image: Earbuds and Charging Case (open view).

The charging case protects your earbuds and provides additional battery life. The earbuds feature touch-sensitive surfaces for control and indicator lights for status.

Image: Earbuds in Charging Case with indicator lights.

- **Earbuds:** Left (L) and Right (R) earbuds with touch control areas and LED indicators.
- **Charging Case:** Houses and charges the earbuds. Features LED indicators for case battery status.
- **Charging Ports:** Micro-USB port on the case for charging the case itself.

## SETUP

### Initial Charging

Before first use, fully charge both the charging case and the earbuds.

1. Place both earbuds into the charging case. Ensure they are correctly seated in their respective slots (L for left, R for right).
2. Connect the supplied USB charging cable to the charging port on the case and the other end to a USB power source (e.g., computer USB port, wall adapter).
3. The indicator lights on the case will illuminate to show charging status. Once fully charged, the lights may change color or turn off.
4. Allow approximately 1-2 hours for a full charge of the case and earbuds.

## OPERATING INSTRUCTIONS

### Power On/Off

- **Power On:** The earbuds will automatically power on when removed from the charging case. You can also manually power them on by pressing and holding the touch control area on each earbud for a few seconds until you hear a

prompt.

- **Power Off:** Place the earbuds back into the charging case to automatically power them off and begin charging. You can also manually power them off by pressing and holding the touch control area on each earbud for a few seconds until you hear a prompt.

## Bluetooth Pairing

The earbuds feature auto-pair functionality for seamless connection.

1. Ensure the earbuds are charged and removed from the charging case. They will automatically enter pairing mode, indicated by flashing LED lights (typically blue and red).
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices. You should see "Wireless Gear G0686" or a similar name in the list.
4. Select the earbud name to connect. Once connected, the earbud indicator lights will stop flashing and you will hear a confirmation sound.
5. If prompted for a password, enter "0000".

Once paired, the earbuds will automatically connect to the last paired device when removed from the case, provided Bluetooth is enabled on the device.

## Touch Controls

The earbuds feature convenient touch controls on the side of each earbud:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the Right earbud.
- **Previous Track:** Double tap on the Left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold on either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant (Siri/Google Assistant):** Triple tap on either earbud.

## Charging the Earbuds and Case

The charging case provides multiple charges for your earbuds on the go.

- **Charging Earbuds:** Place the earbuds into the charging case. They will automatically begin charging. The LED indicators on the earbuds will show charging status (e.g., red while charging, off when fully charged).
- **Charging Case:** Connect the USB charging cable to the case's charging port and a USB power source. The case's LED indicators will show its charging status. A fully charged case can recharge the earbuds 4 to 5 times, providing up to 40 additional hours of playback.

## MAINTENANCE

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Water Resistance:** These earbuds are not waterproof. Avoid exposure to water, moisture, or excessive sweat.

## TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing with device.	<p>Ensure earbuds are fully charged.</p> <p>Make sure Bluetooth is enabled on your device.</p> <p>Place earbuds back in the case, then remove them to re-enter pairing mode.</p> <p>Forget the device from your phone's Bluetooth settings and try pairing again.</p> <p>Ensure earbuds are within 10 meters (33 feet) of your device.</p>
No sound from earbuds.	<p>Check the volume level on both your device and the earbuds.</p> <p>Ensure earbuds are properly connected to your device.</p> <p>Try playing different audio sources.</p>
Earbuds not charging.	<p>Ensure the charging cable is securely connected to both the case and the power source.</p> <p>Check if the power source is working.</p> <p>Ensure the earbuds are correctly seated in the charging case.</p> <p>Clean the charging contacts on both the earbuds and the case.</p>
