Bush Furniture SET014PG

Bush Furniture Somerset 72W 3 Position Sit to Stand L Shaped Desk Instruction Manual

Model: SET014PG

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Bush Furniture Somerset 72W 3 Position Sit to Stand L Shaped Desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

- **Maximum Weight Recommendation:** Do not exceed the maximum weight recommendation of 200 pounds on the desk surfaces.
- **Stability:** Ensure the desk is properly assembled and placed on a level surface to prevent tipping.
- **Assembly:** Follow the assembly instructions carefully to maintain structural integrity and stability.
- **Moving the Desk:** When moving the desk, ensure all drawers are closed and the sit-to-stand mechanism is in the lowest, locked position. It is recommended to have two people for moving the assembled desk.

3. SETUP AND ASSEMBLY

Assembly of the Bush Furniture Somerset L-Shaped Desk requires two people and approximately 2-3 hours. Carefully unpack all components and verify against the parts list provided in the separate assembly guide included with your

product. Read all instructions thoroughly before beginning.

- **Tools Required:** Hammer, Phillips Head Screwdriver.
- **Orientation:** Before assembly, decide whether the sit-to-stand return will be on the left or right side of the main desk. This decision impacts specific assembly steps.
- **Component Identification:** Lay out all parts and identify them using the provided diagrams. Pay close attention to part numbers and labels.
- **Fasteners:** Use the correct fasteners for each step. Some screws may appear similar but have different lengths or threads.
- **Stability:** Ensure all cam locks and screws are tightened securely for optimal stability. Do not overtighten.

4. OPERATING INSTRUCTIONS

4.1 Sit-to-Stand Mechanism

The 42W Sit-to-Stand Return features a mechanical Lift-n-Lock system, allowing you to easily adjust the desktop height to three preset standing positions. This system is designed for smooth and stable operation.

1. **To Raise the Desktop:** Clear the desktop of any heavy items. Gently lift the desktop from the front edge. The mechanism will engage and lock into the next available standing height position.
2. **To Lower the Desktop:** Gently lift the desktop slightly to disengage the lock, then slowly guide it down to the desired lower position. The mechanism will lock into the seated height or another standing position.
3. **Available Standing Heights:** The desktop can be locked into standing heights of 35 inches, 38 inches, and 41 inches.

CHOOSE YOUR WORK HEIGHT

Lift and lock desktop into any of
three standing positions

Image 4.1: The Lift-n-Lock mechanism allows for three standing height adjustments.

4.2 Drawer Operation

The 72W Office Desk includes a file drawer and a box drawer. Both drawers operate on full-extension ball bearing slides for smooth and complete access to their contents.

- **File Drawer:** Designed to accommodate legal and letter-size documents. Ensure files are properly aligned to prevent obstruction.
- **Box Drawer:** Suitable for storing office supplies and smaller items.
- **Smooth Operation:** Avoid overloading drawers to maintain smooth operation of the ball bearing slides.

FIND YOUR FILES

File drawer opens on smooth full-extension ball bearing slides for an easy reach to the back

Image 4.2: The file drawer provides ample storage for documents.

4.3 Wire Management

Both the main desk and the sit-to-stand return feature integrated wire management grommets. Use these to route and organize power cords and cables, keeping your workspace tidy and safe.

5. MAINTENANCE

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Moving Parts:** The Lift-n-Lock mechanism is designed for maintenance-free operation. Do not attempt to lubricate or disassemble it.

6. TROUBLESHOOTING

- **Desk Wobbles:**

- Ensure all assembly hardware is securely tightened.
- Verify the desk is on a level surface. Adjust floor glides if present, or use shims.

- **Sit-to-Stand Mechanism Not Locking:**

- Ensure the desktop is lifted fully to the desired height until it clicks into place.
- Check for any obstructions beneath the desktop or within the mechanism.
- Do not exceed the weight capacity of 20 pounds when elevated.

- **Drawers Stick or Do Not Close Smoothly:**

- Check for obstructions inside the drawer or along the slides.
- Ensure the drawer slides are properly aligned and securely attached.
- Verify the drawer is not overloaded.

- **Missing Parts:** If any parts are missing or damaged upon arrival, contact Bush Furniture customer support immediately.
