

Hansong A-white With Bluetooth-32x23in

Hansong Vanity Mirror with Lights and Bluetooth

Model: A-white With Bluetooth-32x23in

Brand: Hansong

INTRODUCTION

This manual provides comprehensive instructions for the setup, operation, and maintenance of your Hansong Vanity Mirror with Lights and Bluetooth. This extra-large Hollywood-style makeup mirror features 18 LED bulbs, three color lighting modes, USB charging capabilities, and integrated Bluetooth speakers for an enhanced user experience. Please read this manual thoroughly before use to ensure proper functionality and safety.

SAFETY INFORMATION

- Ensure the mirror is placed on a stable, flat surface or securely mounted to a wall to prevent tipping.
- Do not expose the mirror to excessive moisture or direct water spray. This product is designed for indoor use only.
- Handle the mirror with care. Although made with tempered glass for enhanced durability, improper handling can still cause damage.
- Unplug the mirror from the power outlet before cleaning or performing any maintenance.
- Keep the power cord away from heat sources and sharp edges. Do not place heavy objects on the cord.
- Do not attempt to disassemble or repair the mirror yourself. Refer all servicing to qualified personnel.
- If the mirror arrives damaged or experiences any issues, contact customer support immediately.

PACKAGE CONTENTS

Verify that all components are present and in good condition upon opening the package:

- Hansong Vanity Mirror with Lights and Bluetooth
- Detachable Base
- Power Adapter
- 10X Magnifying Mirror (with suction cups)
- Mounting Hardware (for wall installation)
- User Manual (this document)

SETUP

Tabletop Installation

1. Carefully remove the mirror from its packaging.
2. Locate the screws at the bottom of the mirror frame. Unscrew them if they are pre-installed.
3. Align the holes in the detachable base with the corresponding holes at the bottom of the mirror.
4. Insert and tighten the screws to secure the base firmly to the mirror.
5. Place the assembled mirror on a stable, flat surface.
6. Connect the power adapter to the mirror's power input port and then plug it into a standard electrical outlet.

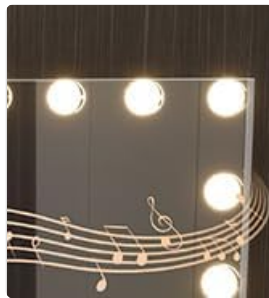

Figure 2: Tabletop Installation Steps

Wall Mount Installation

The mirror is designed with two back holes for wall mounting. Ensure the wall can support the mirror's weight (approximately 18.08 pounds). Professional installation is recommended for wall mounting.

1. Identify the desired location on the wall. Ensure it is a sturdy surface.
2. Measure the distance between the two mounting holes on the back of the mirror.
3. Mark the corresponding points on the wall using a pencil and a level to ensure horizontal alignment.
4. Drill pilot holes at the marked locations. Insert wall anchors if necessary (e.g., for drywall).
5. Screw the provided mounting hardware (screws) into the wall, leaving a small portion protruding to hang the mirror.
6. Carefully lift the mirror and align the back holes with the screws on the wall. Gently lower the mirror until it is securely seated.
7. Connect the power adapter to the mirror's power input port and then plug it into a standard electrical outlet.

OPERATING INSTRUCTIONS

1. Power On/Off and Lighting Modes

The mirror features touch-sensitive controls located on the mirror surface.

- **Power On/Off:** Touch the power icon () to turn the lights on or off.
- **Change Lighting Mode:** Touch the light bulb icon () to cycle through the three color lighting modes:
 - **Cool Light:** Suitable for office makeup.
 - **Natural Light:** Ideal for outdoor makeup.
 - **Warm Light:** Best for party and date makeup.
- **Adjust Brightness:** Press and hold the light bulb icon () to dim or brighten the lights to your desired level.

3 Color Lighting Modes

3 lighting tones for choice and you can dim or brighten it

Cold Light

Suitable for office makeup

Natural Light

Suitable for outdoor makeup

Warm Light

Suitable for Party and date makeup

2. Bluetooth Connectivity

The mirror is equipped with two Bluetooth speakers and a microphone, allowing you to play music and answer calls.

1. Ensure the mirror is powered on.
2. Activate Bluetooth on your smartphone or other Bluetooth-enabled device.
3. Search for available Bluetooth devices. The mirror will appear as "Hansong Mirror" or similar.
4. Select the mirror from the list to pair. A confirmation sound will indicate successful pairing.
5. Once paired, you can play audio through the mirror's speakers and use the integrated microphone for calls.

Connect to the Music Mirror

Figure 6: Connecting to Bluetooth Speakers

3. USB Charging Port

A USB output charging port is located on the side of the mirror, allowing you to charge your phone or other USB-powered devices.

- Connect your device's USB charging cable to the USB port on the mirror.
- Ensure the mirror is plugged into a power outlet for the USB charging function to work.

With a USB Output Charging Port
Charge your Phone/Power Bank when your socket is occupied

4. 10X Magnifying Mirror

The included 10X magnifying mirror is detachable and features suction cups for easy attachment to the main mirror or any smooth surface. It is useful for detailed tasks such as eyebrow plucking or precise eye and lip makeup application.

- To attach, press the suction cups firmly against the main mirror surface.
- To remove, gently lift the edge of the suction cups to release the vacuum.

Figure 8: 10X Magnifying Mirror

MAINTENANCE

- **Cleaning the Mirror Surface:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into the electrical components.
- **Cleaning the Frame:** Wipe the metal frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Bulb Replacement:** The LED bulbs are integrated and designed for long-term use. They are not user-replaceable.
- **Storage:** If storing the mirror for an extended period, unplug it and store it in a dry, cool place, preferably in its original packaging to protect it from dust and damage.
