TITIMO 7-Piece Outdoor Furniture Dining Set Instruction Manual

Model: B08DG2RBBN

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your TITIMO 7-Piece Outdoor Furniture Dining Set.

Important Safety Information

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Do not overload the furniture beyond its weight capacity.
- Always adjust the feet for stability on uneven surfaces.
- Keep small assembly parts out of reach of children to prevent choking hazards.
- Be cautious when using any locking mechanisms during assembly or adjustment.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.

Product Overview

The TITIMO 7-Piece Outdoor Furniture Dining Set is designed for comfort and durability, featuring a rectangular table and six chairs with khaki cushions. Constructed from sturdy, rust-resistant cast aluminum, this set is suitable for various outdoor and indoor settings, including patios, gardens, decks, and poolside areas. The table includes a 2.0-inch diameter umbrella hole for added shade.

Components Included

Before beginning assembly, ensure all components listed below are present and undamaged. The set is typically delivered in multiple packages.

- 1 x Rectangular Dining Table
- 6 x Stackable Chairs
- 6 x Khaki Cushions
- All necessary hardware for assembly (bolts, washers, Allen wrench, etc.)

Image: Packaging details showing the furniture set is delivered in multiple boxes, typically two chairs per BOX 1 and one table per BOX 2.

Setup & Assembly

Assembly of the TITIMO dining set requires careful attention to detail. While straightforward, it can be time-consuming. It is recommended to have assistance for easier assembly, especially for the table.

General Assembly Tips:

- Unpack all components and lay them out on a soft, clean surface to prevent scratches.
- Identify all parts and hardware using the provided parts list (not included in this JSON, but implied by "detailed instruction").
- Do not fully tighten screws until all components are loosely assembled and aligned.
- Use the included Allen wrench for tightening.

Chair Assembly:

Each chair features a lattice and flora design. Ensure proper alignment of the backrest, seat, and legs before tightening. The curved armrests are designed for comfort.

Image: Detailed features of the chair, including the exquisite design, curved armrests for comfort, cushions with fixing straps, and adjustable feet for stability on uneven surfaces.

Table Assembly:

The rectangular table is designed with a central umbrella hole. Attach the legs securely to the tabletop, ensuring the table is stable before placing any items on it.

Operating Instructions

Your TITIMO dining set is designed for versatile use in various outdoor settings.

- **Placement:** Position the dining set on a flat, stable surface. It is suitable for backyard patios, outdoor decks, sunrooms, gardens, or poolside areas.
- **Umbrella Use:** The table features a 2.0-inch diameter umbrella hole. Insert a patio umbrella (not included) for shade on sunny days or protection during light rain. Ensure the umbrella base is stable and secure.
- **Seating:** The chairs are designed for comfort with contoured shapes and curved armrests. The cushions provide additional comfort and can be secured with fixing straps.

Maintenance

Proper maintenance will extend the life and appearance of your outdoor dining set.

- **Cleaning:** Wipe the cast aluminum frames with a damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly.
- **Cushion Care:** The khaki cushions come with zippers, making them fixable and washable. Remove covers for cleaning as per fabric care instructions. Store cushions indoors during inclement weather or prolonged periods of non-use to prevent fading and mildew.
- **Rust Prevention:** The set features an E-coating for rust and weather resistance. While designed for all-weather use, regular cleaning and avoiding prolonged exposure to standing water will help maintain its finish. Periodically inspect fasteners for rust and replace if necessary.
- **Storage:** The chairs are stackable, allowing for easy storage when not in use, which helps protect them from harsh weather conditions.

Troubleshooting

This section addresses common issues you might encounter with your dining set.

- **Missing Hardware/Damaged Parts:** If you receive the product with missing hardware or damaged components, contact the seller or manufacturer immediately for replacement parts. Do not attempt to force assembly with incorrect or missing parts.
- **Assembly Difficulties (Twisted Pieces):** If components appear twisted or misaligned, ensure you are not overtightening screws prematurely. Loosen all screws, gently adjust the pieces to align, and then gradually tighten all screws evenly. Sometimes, slight pressure or wiggling is needed to fit parts together.
- **Rusty Fasteners:** While the set is rust-resistant, fasteners can sometimes show signs of rust over time, especially in humid environments. Inspect fasteners periodically. If rust appears, clean with a rust remover and consider applying a rust-inhibiting spray. For severe rust, replace the affected fasteners.

- **Chairs Not Sliding Under Table:** Verify the dimensions of your chairs and table against the product specifications. Ensure the chairs are fully pushed in and not obstructed by the table legs or design elements.
- **Instability/Wobbling:** Check that all adjustable feet on the chairs and table are properly set and making full contact with the ground. Ensure all assembly bolts are securely tightened. If the surface is uneven, adjust the feet accordingly.

Specifications

Detailed specifications for the TITIMO 7-Piece Outdoor Furniture Dining Set.

Feature	Detail
Brand	TITIMO
