## Jimmy JV85Pro

# Jimmy JV85 Pro Cordless Vacuum Cleaner User Manual

Model: JV85Pro | Brand: Jimmy

## IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before using the appliance. Retain this manual for future reference.

- This appliance is intended for household use only. Do not use it for commercial or industrial purposes.
- Do not use the vacuum cleaner to pick up water, liquids, or wet substances.
- Do not pick up burning or smoking materials, such as cigarettes, matches, or hot ashes.
- Keep hair, loose clothing, fingers, and all parts of the body away from openings and moving parts.
- Ensure the appliance is switched off before connecting or disconnecting accessories.
- Use only the original charger and battery pack provided by the manufacturer.
- Do not operate the vacuum cleaner if it has been dropped, damaged, left outdoors, or dropped into water.
- Regularly check the filters and brush rolls for blockages or damage.
- This appliance can be used by children aged 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.

## PRODUCT COMPONENTS

The Jimmy JV85 Pro Cordless Vacuum Cleaner comes with a comprehensive set of components designed for versatile cleaning. Familiarize yourself with each part before assembly and use.

Image: All components of the Jimmy JV85 Pro Cordless Vacuum Cleaner, including the main motor unit, battery, extension tube, flexible extension tube, floor brush, upholstery brush, crevice tool, charger, and wall mount.

- **Main Motor Unit:** Contains the 600W brushless digital motor, dust cup, and control panel.
- **Removable Battery Pack:** Provides up to 70 minutes of runtime.
- **Floor Brush:** Equipped with two interchangeable brush rolls: a soft velour roll for hard floors and a brush lamella roll for carpets. Features a swivel joint for enhanced maneuverability.
- **Rigid Extension Tube:** Connects the main unit to the floor brush or other attachments. Features a flexible joint allowing it to bend for cleaning under furniture.
- **Flexible Extension Hose:** A corrugated hose, approximately 50 cm long, that can stretch to over a meter, useful for cleaning tight spaces or inside vehicles.
- **Upholstery Tool with Electric Brush:** Designed for cleaning upholstered furniture and mattresses, effective against dust mites.
- **Crevice Tool (Wide and Narrow):** For cleaning narrow gaps and corners. Features extendable brush elements.
- **Charger:** Power adapter for charging the battery.
- **Wall-Mount Charging Base:** For convenient storage and charging of the vacuum cleaner.
- **Swivel Adapter:** Allows attachments to be angled for difficult-to-reach areas.

## SETUP

---

Follow these steps to set up your Jimmy JV85 Pro Cordless Vacuum Cleaner for first use.

### 1. Unpacking

Carefully remove all components from the packaging. Inspect for any damage. Keep packaging materials for future storage or transport if needed.

Image: The top view of the Jimmy JV85 Pro Cordless Vacuum Cleaner's retail packaging, displaying the product name and an illustration of the vacuum.

## 2. Assembly

- 1. Attach the Battery:** Slide the removable battery pack into the designated slot on the main motor unit until it clicks securely into place.
- 2. Connect Extension Tube:** Insert the rigid extension tube into the main motor unit. Ensure it is firmly connected.
- 3. Attach Floor Brush:** Connect the desired floor brush (soft velour or brush lamella) to the end of the extension tube.
- 4. Install Wall-Mount Charging Base:** For convenient storage and charging, install the wall-mount base in a suitable location. It can be affixed using double-sided tape (included) or screws (not included) for a more secure installation. Ensure the base is high enough so the vacuum cleaner's brush does not touch the floor when docked. Connect the charger to the base.

## 3. Initial Charging

Before first use, fully charge the battery. Place the assembled vacuum cleaner onto the wall-mount charging base, ensuring the contacts align. The LED display on the main unit will show the charging progress. A full charge typically takes approximately 4.5 hours.

## OPERATING INSTRUCTIONS

Learn how to effectively use your Jimmy JV85 Pro Cordless Vacuum Cleaner for various cleaning tasks.

Image: The Jimmy JV85 Pro Cordless Vacuum Cleaner standing upright, showcasing its sleek design and purple accents.

## 1. Powering On/Off and Mode Selection

- **Power On:** Press the power button located on the top of the handle to turn on the vacuum cleaner. It will typically start in the medium (Turbo) power mode.
- **Change Modes:** Press the mode selection button (usually next to the power button) to cycle through the three suction modes: Eco (minimum), Turbo (medium), and Max (maximum power).
- **Power Off:** Press the power button again to turn off the vacuum cleaner.

## 2. LED Display

The intelligent LED display on the main unit provides real-time information:

- **Battery Level:** Shows the remaining battery percentage.
- **Working Mode:** Indicates the current suction mode (Eco, Turbo, Max).
- **Battery Icon:** Displays white during normal operation and turns red when the battery charge drops below 20%.

### 3. Using Different Attachments

Image: The Jimmy JV85 Pro's main floor brush demonstrating its effectiveness on both carpeted and hardwood surfaces, highlighting its multi-surface cleaning capability.

- **Floor Brush:** Use the appropriate brush roll for your floor type. The soft velour roll is ideal for delicate hard floors, while the brush lamella roll is designed for effective cleaning of carpets and rugs. The swivel joint allows for easy navigation around furniture.
- **Flexible Extension Tube:** Attach this hose for extended reach and flexibility, particularly useful for cleaning car interiors, high shelves, or tight corners.
- **Upholstery Tool:** Connect this tool for cleaning sofas, chairs, and mattresses. Its electric brush helps to agitate and remove embedded dirt and dust mites.
- **Crevice Tools:** Use the narrow crevice tool for extremely tight spaces and the wider one for slightly larger gaps. The extendable brush elements can be deployed for dusting.
- **Flexible Extension Tube with Swivel Adapter:** For reaching under low furniture without bending, press the locking button on the rigid extension tube to fold it. This allows the floor brush to slide easily into spaces as low as 70mm and up to 60cm deep.

## MAINTENANCE

Regular maintenance ensures the optimal performance and longevity of your Jimmy JV85 Pro Cordless Vacuum Cleaner.

### 1. Emptying the Dust Cup

It is recommended to empty the dust cup after each use, especially when cleaning large amounts of debris. The dust cup is designed for easy, one-click emptying. While the dark purple body looks stylish, monitor the fill level by observing the debris at the bottom of the container.

### 2. Cleaning Filters

The Jimmy JV85 Pro features a multi-stage filtration system, including a cyclone filter and a HEPA filter. Clean these regularly to maintain suction power.

- Cyclone Filter and Pre-foam Filter:** After emptying the dust cup, remove the cyclone filter and pre-foam filter. Rinse these components under running water. Ensure they are completely dry before reassembling them into the vacuum cleaner.
- HEPA Filter:** The HEPA filter can also be washed according to the manual. However, for extended filter life, it is generally recommended to tap out dust and debris rather than washing, unless heavily soiled. If washed, ensure it is completely dry before reinstallation.

### 3. Cleaning Brush Rolls

Hair and threads can accumulate on the brush rolls, reducing their effectiveness. Regularly remove the brush rolls from the floor brush and upholstery tool to clean them. If excessive hair is wrapped around them, the brush rolls may stop rotating automatically as a safety feature.

### 4. General Cleaning

Wipe the exterior of the vacuum cleaner with a soft, damp cloth as needed. Do not use harsh detergents or abrasive cleaners. Ensure all components are thoroughly dry before reassembly and storage.

## TROUBLESHOOTING

If you encounter issues with your Jimmy JV85 Pro, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
No power / Does not turn on	Battery is depleted or not properly installed.	Charge the battery fully. Ensure the battery pack is securely clicked into place.
Low suction power	Dust cup is full. Filters are clogged. Blockage in the nozzle, tube, or hose.	Empty the dust cup. Clean the cyclone and HEPA filters. Check for and remove any blockages.
Brush roll not rotating	Hair or debris tangled around the brush roll. Brush roll is jammed.	Remove the brush roll and clean off any tangled hair or debris. Check for foreign objects obstructing the brush.

Problem	Possible Cause	Solution
Short runtime	Battery not fully charged. Using Max power mode continuously. Battery degradation.	Ensure battery is fully charged before use. Use Eco or Turbo mode for longer cleaning sessions. If battery life significantly decreases, consider battery replacement.
Charging indicator not working	Charger not connected properly. Faulty charger or battery.	Ensure the charger is securely plugged into both the wall outlet and the charging base/vacuum. Verify power outlet is functional. Contact support if issue persists.

If the problem persists after attempting these solutions, please contact Jimmy customer support for further assistance.

## SPECIFICATIONS

Key technical specifications for the Jimmy JV85 Pro Cordless Vacuum Cleaner:

- **Model Name:** Jimmy JV85 Pro
- **Brand:** Jimmy
- **Motor:** 600W Brushless Digital Motor
- **Suction Power:** 200 AW (Air Watts)
- **Runtime:** Up to 70 minutes (in Eco mode)
- **Battery Life:** Approximately 60 minutes (general usage)
