Model: Windy Knickers (577 10822)

## INTRODUCTION

---

The Ideal Windy Knickers game is an interactive children's game designed for 2-4 players aged 4 and up. The objective is to be the first player to successfully hang all their washing on Granny's spinning clothesline without her losing her knickers to the wind. This game incorporates humor and laughter, making it an enjoyable experience for young players.

## COMPONENTS (WHAT'S IN THE BOX)

---

- 1 x Granny Figure with Dress and Glasses
- 1 x Revolving Washing Line Base
- Various 'Knickers' (Game Pieces)
- 1 x Dice
- 1 x Instruction Manual

All game components laid out: the Granny figure, the green base with the washing line, multiple colorful knicker pieces in red, blue, and yellow patterns, and a single dice.

## SETUP

1. Carefully remove all components from the box.
2. Assemble the Granny figure by attaching her to the designated slot on the revolving washing line base. Ensure she is securely in place.
3. Distribute the 'knickers' game pieces evenly among all players. Each player should have their own set of colored knickers.
4. Place the assembled game unit in the center of the playing area, accessible to all players.

Step 1: Help Granny put out her washing. This image shows the Granny figure holding the washing line, with a hand placing a blue knicker with white flowers onto one of the pegs.

## HOW TO PLAY (OPERATING INSTRUCTIONS)

1. The youngest player starts the game, and play proceeds clockwise.
2. On your turn, roll the dice. The number on the dice indicates how many knickers you must attempt to hang on Granny's washing line.
3. Carefully use your fingers to hang the specified number of knickers onto the pegs of the revolving washing line.
4. After hanging your knickers, the washing line may spin. If any knickers fall off during or after your turn, they are returned to your pile.
5. The game continues with players taking turns rolling the dice and hanging knickers.
6. The first player to successfully hang all of their knickers on the washing line wins the game.

Two children are engaged in playing the Windy Knickers game, demonstrating the fun and interactive nature of the game for young players.

Step 2: Watch out! The wind will get her in a spin. The washing line is shown spinning, causing some knickers to fly off, adding an element of surprise to the game.

## GAME VARIATIONS

- **Shorter Game:** For a quicker game, players can agree to start with fewer knickers each or reduce the total number of knickers required to win.
- **Challenge Mode:** Players can try to hang knickers using only one hand or with their non-dominant hand for an added challenge.

## CARE AND MAINTENANCE

- Wipe all game components with a dry, soft cloth after use.
- Do not immerse any part of the game in water.
- Store all pieces in the original box to prevent loss or damage.
- Keep the game away from direct sunlight and extreme temperatures.

## TROUBLESHOOTING

- **Washing Line Not Spinning:** Ensure the Granny figure is correctly attached to the base and that there are no obstructions preventing the washing line from rotating freely.

- **Knickers Falling Off Too Easily:** Make sure the knickers are securely hooked onto the pegs. The game is designed to have a challenging element of balance, so some falling is expected.
- **Missing Pieces:** Check all packaging thoroughly. If pieces are genuinely missing, contact customer support.
