mDesign Metal Wire Storage Organizer Basket with Bamboo Handles

Model: 11594MDKEU

Matte White/Natural/Tan, 2-Pack

INTRODUCTION

Thank you for choosing the mDesign Metal Wire Storage Organizer Basket. This versatile 2-pack of baskets is designed to help organize various items in your kitchen pantry, cabinets, or other areas of your home. Featuring a durable metal wire construction and natural bamboo handles, these baskets combine functionality with a modern aesthetic.

This manual provides essential information regarding the setup, proper usage, maintenance, and specifications of your new storage baskets. Please read it thoroughly to ensure optimal use and longevity of the product.

SETUP

1. **Unpacking:** Carefully remove the baskets from their packaging. Inspect both baskets for any signs of damage during transit.
2. **Handle Installation:** The bamboo handles are designed to fit securely into the designated slots on the metal wire frame. Gently insert each bamboo handle into the top wire loops on opposite sides of the basket. Ensure they are firmly seated.
3. **Initial Placement:** Determine the desired location for your baskets. They are suitable for pantry shelves, kitchen counters, cabinets, or other storage areas.

OPERATING INSTRUCTIONS

These storage baskets are designed for versatile organization throughout your home.

- **Kitchen & Pantry:** Use to store fruits, vegetables, snacks, coffee pods, spice jars, baking supplies, or cleaning products. The open wire design allows for visibility of contents.
- **Household Storage:** Ideal for organizing items in closets, bathrooms, craft rooms, or offices. Store towels, toiletries, craft supplies, magazines, or small accessories.
- **Transport:** The integrated bamboo handles allow for easy lifting and carrying of the baskets, even when full.

MAINTENANCE

To maintain the appearance and functionality of your mDesign storage baskets, follow these simple care instructions:

- **Cleaning:** Wipe the metal wire frame with a soft, damp cloth and mild soap. Rinse thoroughly and dry immediately to prevent water spots or rust.
- **Bamboo Handles:** Clean bamboo handles with a damp cloth. Avoid prolonged exposure to water or harsh cleaning agents, as this may damage the wood. Dry thoroughly after cleaning.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or strong chemical detergents, as these can scratch the finish or damage the bamboo.
- **Air Drying:** Ensure the baskets are completely dry before storing items to prevent moisture buildup.

TROUBLESHOOTING

- **Baskets are stuck together:** If the baskets are tightly nested and difficult to separate, gently rock them back and forth while pulling them apart. Avoid excessive force to prevent damage.
- **Damaged or loose bamboo handles:** If a handle appears damaged or does not fit securely, inspect the wire loops and the handle itself. If the damage is significant, contact mDesign customer support for

assistance.
