2. Safety Information

Please read and understand all safety instructions before assembly and use. Keep this manual for future reference.

- **Choking Hazard:** This set contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during play.
- **Material Safety:** The blocks are made from non-toxic, lead-free, BPA-free, and phthalate-free materials.
- **Assembly:** Ensure all pieces are securely connected during assembly to prevent parts from detaching during play.
- **Inspection:** Regularly inspect the blocks for any damage or wear. Discontinue use if any parts are broken or cracked.
- **Cleaning:** Refer to the 'Maintenance and Care' section for proper cleaning instructions.

The set typically includes:

- Various colored building blocks (e.g., red, blue, pink, purple, yellow)
- Castle tower pieces and roofs
- Track sections for vehicles
- Base plates
- Decorative elements (e.g., flags, streetlights, fruit basket, small figures)
- Three small toy vehicles

4. Setup and Assembly Instructions

Follow these steps to assemble your Castle Building Block Set. Refer to the included visual guide for detailed step-by-step instructions.

1. **Unpack Components:** Carefully remove all pieces from the packaging and lay them out on a clean, flat surface. Verify all 161 pieces are present using the 'Package Contents' section and the visual guide.
2. **Build the Base:** Start by connecting the base plates to form the foundation of your castle.
3. **Construct Walls and Towers:** Begin building the castle walls and towers using the various colored blocks. Pay attention to the structure and placement of door and window frames.
4. **Integrate Tracks:** As you build upwards, incorporate the track sections. Ensure they are properly aligned and securely connected to allow the vehicles to roll smoothly.
5. **Add Decorative Elements:** Attach flags, streetlights, and other decorative pieces to complete the castle's appearance.
6. **Final Check:** Once assembled, gently test the stability of the structure and the smoothness of the tracks. Ensure all connections are firm.

5. Operating Instructions (Play Guide)

Once the castle is fully assembled, it is ready for interactive play.

- **Vehicle Play:** Place the small toy vehicles on the designated tracks and slides. Gently push them to watch them navigate the castle's pathways.
- **Creative Building:** The blocks are designed for open-ended play. Encourage users to disassemble and reassemble the castle in different configurations, or create entirely new structures.
- **Role-Playing:** Use the castle as a backdrop for imaginative stories and role-playing scenarios with the vehicles and other small toys.

6. Maintenance and Care

Proper care will ensure the longevity of your building block set.

- **Cleaning:** To clean the blocks, wipe them with a damp cloth using mild soap and water. Rinse thoroughly and air dry completely before storing. Do not immerse electronic components (if any) in water.

- **Storage:** Store the blocks in a clean, dry place away from direct sunlight and extreme temperatures. Keep them in their original packaging or a designated storage container to prevent loss of pieces.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the plastic.

7. Troubleshooting

If you encounter any issues with your building block set, refer to the following common solutions:

Problem	Possible Cause	Solution
Missing pieces	Pieces may have been overlooked during unpacking or lost during play.	Carefully check the packaging and play area. If still missing, contact customer support.
Blocks do not connect securely	Incorrect alignment or debris in connectors.	Ensure blocks are aligned correctly. Check for and remove any debris from the connection points.
Vehicles do not roll smoothly on tracks	Track sections are not properly connected or aligned.	Re-check all track connections to ensure they are flush and securely joined.
