THE BEASTMASTER

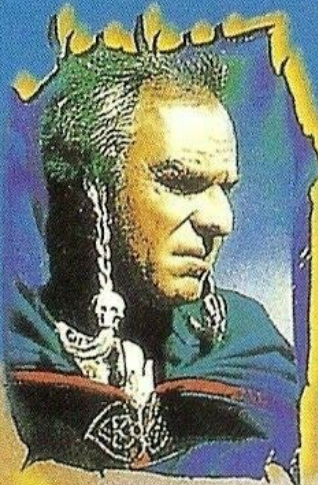

BORN WITH THE COURAGE OF AN EAGLE,
THE STRENGTH OF A PANTHER
AND THE POWER OF A GOD.

THE EPIC ADVENTURE IS BACK
LIKE NEVER BEFORE!

He was the unborn crown prince of a family slaughtered by lords of evil. But when he grows to manhood, the warrior Dar (Marc Singer) embarks on a perilous journey to seek his revenge on the monstrous priest Maax (Rip Torn). Now with the help of a cunning hunter (John Amos), the love of a beautiful slave girl (Tanya Roberts) and the extraordinary ability to communicate with animals, Dar must battle his way through a wasteland of sorcery and black magic on the ultimate quest for freedom and vengeance.

Experience **THE BEASTMASTER** like you've never seen or heard it before! This cult favorite has now been transferred from original vault materials and comes loaded with exclusive extras, never-before-seen footage and some very wild surprises, all personally supervised by co-writer/director Don Coscarelli (PHANTASM).

MAINTENANCE

Proper care of your DVD will ensure its longevity and optimal performance:

- **Handling:** Always hold the DVD by its edges or by placing a finger through the center hole. Avoid touching the shiny playback surface.
- **Cleaning:** If the disc becomes dirty or smudged, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use abrasive materials or harsh cleaning chemicals.
- **Storage:** Store the DVD in its original case, away from direct sunlight, extreme temperatures, and high humidity. Laying discs flat or stacking them without cases can lead to warping or damage.
- **Avoid Scratches:** Be careful when inserting and removing the disc from the player or case to prevent scratches.

TROUBLESHOOTING

If you encounter issues during playback, consider the following:

- **Disc Not Playing:**
 - Ensure the disc is clean and free of smudges or scratches.
 - Verify the disc is inserted correctly (label side up).
 - Check if your DVD player is compatible with Region 0 (this disc is Region 0). Most modern players are region-free or compatible.
 - Try playing another DVD to confirm the player is functioning correctly.
- **Skipping or Freezing:**
 - Clean the disc thoroughly as described in the Maintenance section.
 - Ensure the DVD player is on a stable surface to prevent vibrations.
- **No Audio/Video:**
 - Check all cable connections between the DVD player and your television/audio system.
 - Ensure the correct input source is selected on your television.
 - Verify the volume on your television and audio system is turned up and not muted.
- **Subtitles Not Appearing/Disappearing:**
 - Access the DVD's main menu or use the 'Subtitle' button on your remote to toggle subtitle options.
