## SETUP

### 1. Charging the Earbuds and Case

Before first use, fully charge both the earbuds and the charging case.

1. Place the earbuds into the charging case. Ensure they are seated correctly.
2. Connect the USB charging cable to the charging port on the case and to a USB power source.
3. The indicator light on the case will show charging status. Refer to the LED indicator section for details (if available in product documentation).
4. Once fully charged, disconnect the charging cable.

## 2. Pairing with a Device

The Driftr earbuds feature easy, straightforward pairing.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, computer), go to Bluetooth settings.
3. Search for available devices and select "Wicked Audio Driftr" (or similar name).
4. Once connected, you will hear an audio prompt, and the indicator light on the earbuds will change.
5. For subsequent uses, the earbuds will automatically connect to the last paired device when removed from the case.

## OPERATING INSTRUCTIONS

---

### Wearing the Earbuds

Insert the earbuds into your ears with the angled housing pointing forward for a comfortable and secure fit. Adjust as needed for optimal sound isolation.

## Touch Controls

The Driftr earbuds feature touch controls for easy management of audio playback and calls.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud (e.g., Siri, Google Assistant).
- **Volume Control:** Volume control may be primarily managed via the connected device.

## Hands-Free Calling

The built-in microphone allows for hands-free communication. Ensure the earbuds are connected to your phone via Bluetooth.

- Incoming calls will ring through the earbuds.
- Use the touch controls as described above to manage calls.

## Maintenance

Proper maintenance ensures the longevity and performance of your earbuds.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Water Resistance:** The earbuds are not specified as waterproof. Avoid exposure to water, moisture, or extreme temperatures.
- **Charging:** Only use the provided charging cable or a certified equivalent.

## Troubleshooting

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "Wicked Audio Driftr" from your device's Bluetooth list and re-pair. Place earbuds back in the case, close, then reopen to reset pairing mode.
No sound from one earbud	Ensure both earbuds are charged. Try resetting the earbuds (refer to specific product instructions if a reset procedure is available, otherwise re-pair). Clean any debris from the earbud's speaker mesh.
Charging case not charging	Check the charging cable and power adapter. Ensure the charging port is clean and free of debris. Try a different USB port or power source.
Low volume	Increase volume on both your connected device and the earbuds (if applicable). Ensure earbuds are properly seated in your ears for optimal sound isolation. Clean any earwax or debris from the earbud's speaker mesh.

## Specifications

Feature	Detail
Model Name	Wicked Audio Driftr WITW2150
Connectivity Technology	Wireless (Bluetooth)

Feature	Detail
Bluetooth Version	5.0
Ear Placement	In Ear
Form Factor	In Ear
Noise Control	Sound Isolation
Control Method	Touch
Frequency Range	20-20,000 Hz
Impedance	33 Ohm
Audio Driver Type	Dynamic Driver
Material	Plastic
Item Weight	2.11 ounces
Product Dimensions	1.5 x 3 x 5.5 inches
UPC	712949012258
