

RIF6 RIF090408N

RIF6 L Shaped Modern Computer Home Office Gaming Desk

MODEL: RIF090408N

Brand: RIF6

Important Safety Information

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Weight Capacity:** Ensure the desk is not overloaded with more than 150 pounds (68 kg) of weight. Distribute weight evenly across the desk surface.
- **Assembly Precautions:** Take precautions when assembling and moving the desk. Due to its size and material (medium-density fiberboard), it may require special handling. It is recommended that at least one person is involved in the assembly process.
- **Stability:** Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary to maintain stability.
- **Placement:** Place the desk on a level surface to prevent wobbling and ensure proper balance.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets during assembly to prevent choking hazards.

Package Contents

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact RIF6 customer support.

Setup and Assembly Instructions

The RIF6 L-Shaped Desk is designed for easy assembly, typically completed within 60 minutes. Follow these steps carefully:

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Refer to the parts list to ensure everything is present.
2. **Assemble the Frame:** Connect the metal frame legs and support beams according to the diagrams provided in the included paper manual. Ensure all connections are finger-tightened initially.
3. **Attach Desktop Panels:** Carefully place the L-shaped desktop panels onto the assembled frame. Align the pre-drilled holes on the desktop with the holes on the frame. Secure the desktop panels to the frame using the provided screws.

4. **Install Keyboard Tray:** Attach the keyboard tray rails to the underside of the desk. The keyboard tray is interchangeable and can be placed on either the left or right side of the desk to suit your preference. Slide the keyboard tray into the installed rails.
5. **Final Tightening:** Once all components are in place, systematically tighten all screws and bolts using the provided tools. Do not overtighten.
6. **Cable Management:** Utilize the integrated cable management holes and clips to organize your cables for a tidy workspace.

Operating Instructions (Usage)

The RIF6 L-Shaped Desk is designed to provide a spacious and organized workspace for various activities, including computing, gaming, and general office tasks.

- **Spacious Work Area:** The L-shaped design offers ample surface area for multiple monitors, peripherals, and other work essentials.
- **Keyboard Tray:** The integrated keyboard tray slides out smoothly for comfortable typing and can be retracted to save space when not in use. Its interchangeable design allows it to be installed on either the left or right side of the desk.
- **Cable Management:** Utilize the built-in cable management holes and included cable clips to route and conceal power cords and data cables, keeping your workspace neat and free from clutter.

KEYBOARD TRAY

Win back valuable space and type in comfort with a removable tray located below the desk surface.

Maintenance and Care

To ensure the longevity and appearance of your RIF6 L-Shaped Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. For tougher stains, use a mild soap solution and immediately dry with a clean cloth. Avoid abrasive cleaners, harsh chemicals, or solvents, as these can damage the melamine finish.
- **Protection:** The desk features a durable melamine surface that is resistant to wear, heat, moisture, and scratches. However, it is advisable to use coasters for drinks and protective pads under hot items or sharp objects to prevent potential damage.
- **Structural Integrity:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain the desk's stability.
- **Avoid Overloading:** Do not exceed the maximum weight recommendation of 150 pounds (68 kg) to prevent structural damage.

DURABLE SURFACE

Melamine surface of the countertop has great wear, heat, moisture and scratch resistance.

Troubleshooting

If you encounter any issues with your RIF6 L-Shaped Desk, refer to the following common solutions:

- **Desk Wobbles:**

- Ensure the desk is placed on a flat, level surface.
- Check that all assembly screws and bolts are fully tightened.
- Verify that all leg levelers (if applicable) are properly adjusted to compensate for uneven floors.

- **Keyboard Tray Sticks/Does Not Slide Smoothly:**

- Check that the rails are installed correctly and are not obstructed.
- Ensure no debris is caught in the tray's sliding mechanism.
- Lightly lubricate the rails with a silicone-based spray if necessary.

- **Missing or Damaged Parts:**

- Carefully re-check the packaging and all packing materials.
- Contact RIF6 customer support with your product model number and a description of the missing/damaged part for assistance.
