## PawHut D30-296V84BN

# PawHut Floor-to-Ceiling Cat Tree Instruction Manual

MODEL: D30-296V84BN

Thank you for choosing the PawHut Floor-to-Ceiling Cat Tree. This manual provides essential information for assembly, use, and maintenance.

## 1. Introduction

The PawHut Floor-to-Ceiling Cat Tree is designed to provide a multi-level activity center for your feline companions. Featuring sisal-covered scratching posts, soft platforms, and an adjustable tension rod for secure installation, it offers a safe and engaging environment for climbing, playing, and resting. Its space-saving design allows for placement in various indoor settings.

## 2. Safety Information

- **Adult Assembly Required:** This product requires adult assembly. Please follow all instructions carefully.
- **Indoor Use Only:** This cat tree is designed for indoor use exclusively.
- **Secure Installation:** Ensure the tension rod is properly adjusted and firmly secured between the floor and ceiling to prevent wobbling or tipping.
- **Regular Inspection:** Periodically check all components for tightness and wear. Replace any damaged parts immediately.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

## 3. Package Contents

Please verify that all parts are present before beginning assembly. Refer to the included parts list in your physical manual for detailed component identification.

- Sisal-covered posts (various lengths)
- Multi-level platforms

- Adjustable tension rod mechanism
  - Base plate
  - Assembly hardware (screws, connectors)
  - Instruction manual
- 

## 4. Setup and Assembly

Assembly is required. Please follow the step-by-step instructions provided in the physical manual included with your product. The general steps are outlined below:

1. **Attach Base and Initial Posts:** Begin by securely attaching the lowest posts to the base plate using the provided hardware.
2. **Install Platforms:** Connect the various platforms to the posts. Note that the height of the platforms can be adjusted to suit your cat's preferences and your room's layout.
3. **Assemble Upper Posts:** Continue adding posts and platforms, working your way upwards.
4. **Install and Adjust Tension Rod:** The top section of the cat tree features an adjustable tension rod. Position the cat tree in your desired location. Extend the tension rod until it firmly presses against the ceiling, creating a secure, stable fit. This mechanism is designed to hold the tree in place without permanent fixtures to your ceiling.
5. **Optional Wall Attachment:** For enhanced stability, especially with very active or multiple cats, consider securing the cat tree to an adjacent wall using appropriate wall anchors (not included).

## 5. Operating Instructions

This cat tree provides multiple functions for your cat's well-being:

- **Climbing and Exercise:** The multi-level design and sisal-covered posts encourage natural climbing instincts and provide ample opportunity for exercise.
- **Scratching:** The sisal-covered posts serve as dedicated scratching surfaces, helping to protect your furniture and maintain your cat's claws.
- **Resting and Observation:** The soft, carpeted platforms offer comfortable spots for your cat to rest, nap, and observe their surroundings from an elevated position.

*Figure 4: Detail of the sisal-wrapped post for scratching and the soft platform for resting.*

## 6. Maintenance

- **Cleaning:** Regularly vacuum or brush the carpeted surfaces to remove loose fur and debris. Spot clean any soiled areas with a mild detergent and damp cloth. Avoid harsh chemicals.
- **Sisal Care:** The sisal rope is designed for scratching. Over time, it may show signs of wear. Monitor its condition and consider replacing heavily worn sections if available from the manufacturer.
- **Structural Integrity:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary to maintain stability.

## 7. Troubleshooting

- **Wobbling:** If the cat tree feels unstable, ensure the tension rod is fully extended and securely tightened against the ceiling. Verify that the base is on a flat, even surface. If wobbling persists, consider using the optional wall attachment.
- **Parts Missing/Damaged:** If any parts are missing or damaged upon arrival, please contact PawHut

customer service for assistance.

## 8. Specifications

Feature	Detail
Brand	PawHut
Model Name	Cat Tree
Model Number	D30-296V84BN
Overall Dimensions (L x W x H)	17" x 10.75" x 89.75" - 102.25"
Item Weight	18.04 Pounds
Material	P2 Grade Particle Board, Flannel
Color	Brown
Style	Adjustable
Recommended Use	Indoor
