

Marg AC/DC Adapter for AUVIO Cat.No.16-906 7

Marg AC/DC Adapter Instruction Manual

For AUVIO Cat.No.16-906 7 Portable ATSC/NTSC LCD TV

INTRODUCTION

This manual provides essential instructions for the safe and efficient use of your Marg AC/DC Adapter. This adapter is specifically designed to provide power to the AUVIO Cat.No.16-906 7 Portable ATSC/NTSC LCD TV, ensuring reliable operation and charging.

IMPORTANT SAFETY INFORMATION

Please read all safety warnings and instructions carefully before using this product. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- **Indoor Use Only:** This adapter is designed for indoor use in dry locations. Do not expose to rain, moisture, or extreme temperatures.
- **Proper Voltage:** Ensure the wall outlet voltage matches the adapter's input requirements.
- **Avoid Damage:** Do not use the adapter if the cord or plug is damaged. Do not bend, twist, or pull the cord excessively.
- **Ventilation:** Ensure adequate ventilation around the adapter during use. Do not cover it with cloth or other materials.
- **Disconnect When Not in Use:** Unplug the adapter from the wall outlet and the device when not in use for extended periods.
- **Children and Pets:** Keep the adapter out of reach of children and pets.
- **Compatibility:** Use this adapter only with compatible devices as specified (AUVIO Cat.No.16-906 7 Portable ATSC/NTSC LCD TV). Using it with incompatible devices may cause damage.

SETUP

Follow these steps to properly set up your Marg AC/DC Adapter:

1. **Inspect the Adapter:** Before connecting, visually inspect the adapter and its cable for any signs of damage. Do not use if damaged.
2. **Connect to Device:** Locate the power input port on your AUVIO Cat.No.16-906 7 Portable ATSC/NTSC LCD TV. Carefully insert the adapter's output connector into the device's power port. Ensure a snug fit.
3. **Connect to Power Outlet:** Plug the adapter's AC plug into a standard wall power outlet.
4. **Verify Connection:** Once connected, the device should power on or begin charging, indicated by its power indicator light.

OPERATING INSTRUCTIONS

Using your Marg AC/DC Adapter is straightforward:

- **Powering On:** After connecting the adapter to both the TV and a power outlet, turn on your AUVIO TV using its power button.
- **Charging:** If your AUVIO TV has a rechargeable battery, the adapter will automatically charge it when connected and the TV is off or in standby mode.
- **Continuous Use:** The adapter provides continuous power for extended viewing sessions.
- **Disconnecting:** To disconnect, first turn off your AUVIO TV. Then, unplug the adapter from the wall outlet, followed by disconnecting it from the TV.

MAINTENANCE

Proper maintenance ensures the longevity and safe operation of your adapter:

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or solvents.
- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid tightly winding the cable to prevent damage.
- **Cable Care:** Regularly check the power cord for any cuts, fraying, or kinks. If any damage is observed, discontinue use immediately.

TROUBLESHOOTING

If you encounter issues with your adapter, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device not powering on/charging.	Adapter not properly plugged in. Wall outlet not functioning. Damaged adapter or cable. Device power port issue.	Ensure adapter is securely plugged into both the wall and the device. Test the wall outlet with another device. Inspect adapter and cable for damage. Discontinue use if damaged. Consult your AUVIO TV manual or support.
Adapter feels warm during use.	Normal operation. Poor ventilation. Overload or internal fault.	A slight warmth is normal. Ensure adapter is in an open area, not covered. If excessively hot or emitting smoke/smell, unplug immediately and discontinue use.

If the problem persists after trying these solutions, please contact customer support.

SPECIFICATIONS
