HOMCOM 831-328WT

HOMCOM Jewelry Armoire with Mirror and 18 LED Lights

Model: 831-328WT

1. Introduction

This manual provides essential instructions for the safe assembly, operation, and maintenance of your HOMCOM Jewelry Armoire. Please read this manual thoroughly before use and retain it for future reference. This jewelry armoire features a full-length mirror, integrated LED lighting, and extensive internal storage for various jewelry and cosmetic items. It can be installed as either a wall-mounted unit or an over-the-door cabinet.

2. Safety Information

- Ensure all components are securely fastened during assembly to prevent injury or damage.
- Do not overload the cabinet or individual storage compartments. The maximum weight capacity is 22 lbs.
- Keep small parts and batteries out of reach of children.
- Handle the mirror with care to avoid breakage.
- For LED lights, use the specified battery type and ensure correct polarity. Replace all batteries at the same time.
- Avoid exposing the unit to excessive moisture or direct sunlight.

3. Package Contents

Verify that all parts are present before beginning assembly:

- Jewelry Armoire Cabinet with Mirror and LED Lights
- Over-the-Door Hooks (2 pieces)
- Mounting Screws and Wall Anchors (for wall-mounting)
- Instruction Manual

4. Setup and Installation

The jewelry armoire offers two installation methods: wall-mounted or over-the-door.

4.1 Over-the-Door Installation

1. Attach the two over-the-door hooks to the top rear of the armoire using the provided screws. Ensure they are securely tightened.
2. Hang the armoire over the top edge of a standard door.
3. Adjust the height of the armoire by selecting one of the 3 available mounting positions on the hooks to suit your preference.
4. For stability, apply the included adhesive pads or tape to the back of the armoire where it contacts the door to prevent swinging.

Figure 2: Visual comparison of wall-mounted and over-the-door installation options.

4.2 Wall-Mounted Installation

1. Choose a suitable wall location. Ensure there are no electrical wires or pipes behind the drilling area.
2. Mark the desired mounting points on the wall using the pre-drilled holes on the back of the armoire as a template.
3. Drill pilot holes at the marked locations. Insert wall anchors if drilling into drywall.
4. Align the armoire with the drilled holes and secure it to the wall using the provided screws. Ensure the armoire is level and firmly attached.

5. Operating Instructions

5.1 Opening and Closing the Armoire

The armoire door opens outwards to reveal the internal storage. Gently pull the door open from the side opposite the hinges. To close, push the door firmly until it latches securely.

5.2 Using the LED Lights

The armoire features 18 LED bulbs around the mirror frame. These lights are powered by batteries (not included) and controlled by an ON/OFF switch located on the battery box inside the cabinet. Insert the required batteries into the battery compartment, then use the switch to illuminate the lights for enhanced visibility when dressing or applying makeup.

5.3 Organizing Jewelry and Accessories

The interior of the armoire is designed for efficient organization:

- **24 Earring and Necklace Hooks:** Located on the left inner door for hanging necklaces, bracelets, and earrings.
- **Plastic Bag:** A clear plastic bag provides additional storage for smaller items.
- **Storage Shelves:** Various open shelves on the right side accommodate cosmetics, perfumes, and other accessories.
- **Folding Acrylic Panel:** A clear, folding panel helps secure items on the shelves and can be used as a temporary surface.
- **16 Holes for Brushes:** Dedicated slots for organizing makeup brushes.
- **Bottom Drawer:** A pull-out drawer at the bottom provides concealed storage.

Figure 6: Close-up of the dedicated brush holder slots.

6. Maintenance

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner to wipe the mirror surface. Avoid abrasive cleaners.
- **Cleaning the Cabinet:** Wipe the exterior and interior surfaces with a soft, damp cloth. Do not use harsh chemicals or abrasive materials.
- **LED Lights:** If the LED lights dim or stop working, replace all batteries with new ones of the correct type. Ensure the battery compartment is dry and free of corrosion.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight.

7. Troubleshooting

- **LED Lights Not Working:**
  - Check if the batteries are inserted correctly with the correct polarity.
  - Replace old batteries with new ones.
  - Ensure the ON/OFF switch on the battery box is in the 'ON' position.

- **Armoire Door Does Not Close Properly:**
  - Check for any obstructions inside the cabinet that might be preventing the door from closing.
  - Ensure the armoire is mounted level and securely.

8. Specifications

Feature	Specification
Model Number	831-328WT
Overall Dimensions	12.5" W x 5.25" D x 39.25" H
Material	Engineered Wood, Glass
Color	White
Special Feature	18 LED Lights
Mounting Type	Wall-Mounted / Over-The-Door (3 adjustable heights)
Weight Capacity	22 lbs
Number of Drawers	1
