

Creative Pebble V3

Creative Pebble V3 Desktop Speakers User Manual

Model: Pebble V3 (MF1700)

1. INTRODUCTION

Thank you for choosing the Creative Pebble V3 Minimalistic 2.0 Desktop Speakers. This manual provides detailed instructions for the proper setup, operation, and maintenance of your speakers to ensure optimal performance and longevity. The Pebble V3 speakers offer versatile connectivity options including USB-C, Bluetooth 5.0, and 3.5mm AUX-in, along with enhanced audio features like Clear Dialog.

Image: The Creative Pebble V3 speakers, showcasing their spherical design and front-facing drivers.

2. PACKAGE CONTENTS

Verify that all items listed below are included in your package:

- Creative Pebble V3 Speakers (Left and Right Satellite Speakers)
- USB-C to USB-A Converter

- Quick Start Guide (not included in this digital manual)
- Safety and Regulatory Leaflet (not included in this digital manual)

3. SETUP AND CONNECTIVITY

The Creative Pebble V3 speakers offer multiple ways to connect to your audio source.

3.1 Speaker Placement

Place the left and right satellite speakers on your desk, ensuring they are positioned to direct audio towards your listening area. The speakers feature 45° elevated drivers for optimal sound projection. The cable connecting the right to left speaker is designed for flexibility in placement.

Image: Creative Pebble V3 speakers positioned on a desktop next to a computer monitor, demonstrating typical placement.

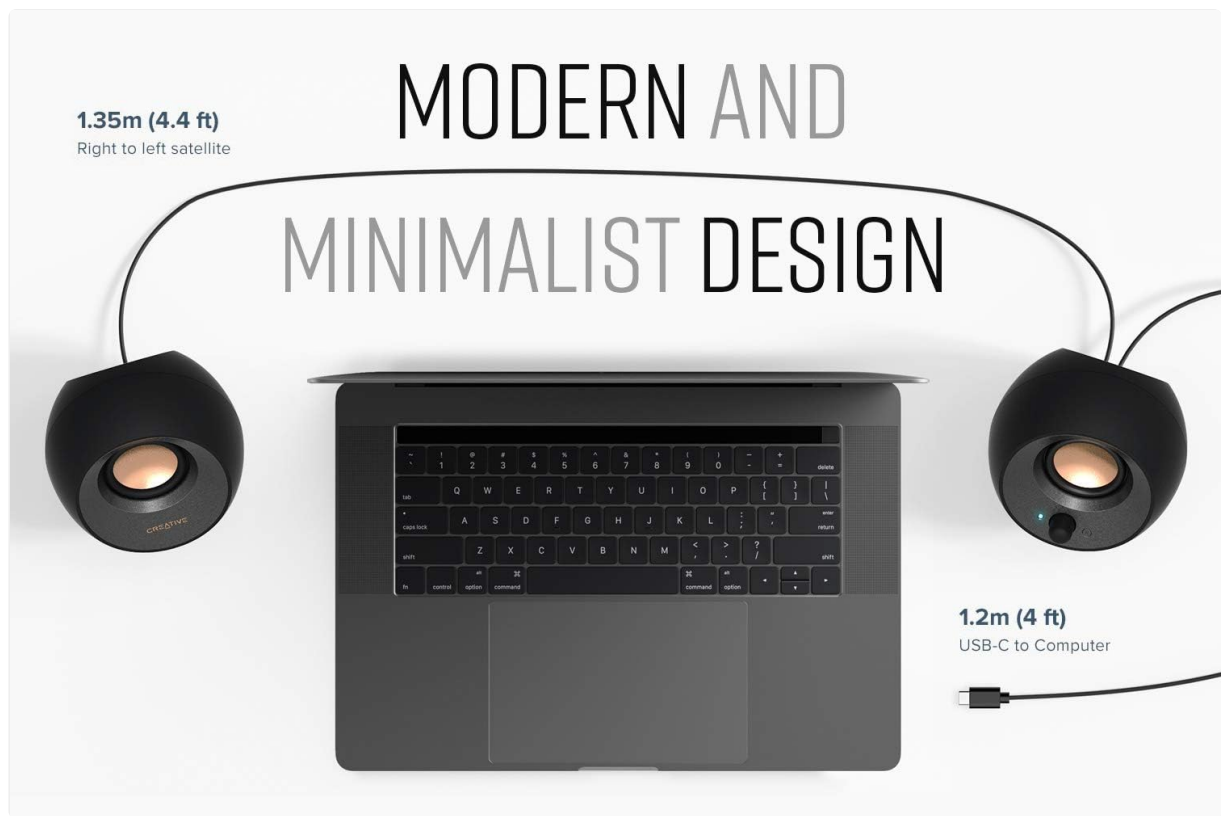

Image: Overhead view of Creative Pebble V3 speakers connected to a laptop, illustrating the cable lengths for speaker separation and USB connection.

3.2 USB-C Audio and Power (Recommended)

For the best audio experience and simplified cabling, connect the speakers directly to a USB-C port on your computer or a 10W USB-C power adapter. This single connection provides both audio and power.

1. Connect the integrated USB-C cable from the right speaker to a USB-C port on your device.
2. Ensure your device's audio output is set to "Creative Pebble V3".

Image: Close-up of the Creative Pebble V3 speaker connected via USB-C to a laptop, highlighting the single cable solution for audio and power.

3.3 USB-A Audio and Power

If your computer only has USB-A ports, use the included USB-C to USB-A converter. For amplified audio, connect to a 5V 2A USB-A power adapter (not included).

1. Attach the USB-C to USB-A converter to the integrated USB-C cable.
2. Plug the USB-A end into a USB-A port on your device or a 5V 2A USB-A power adapter.
3. Ensure your device's audio output is set to "Creative Pebble V3".

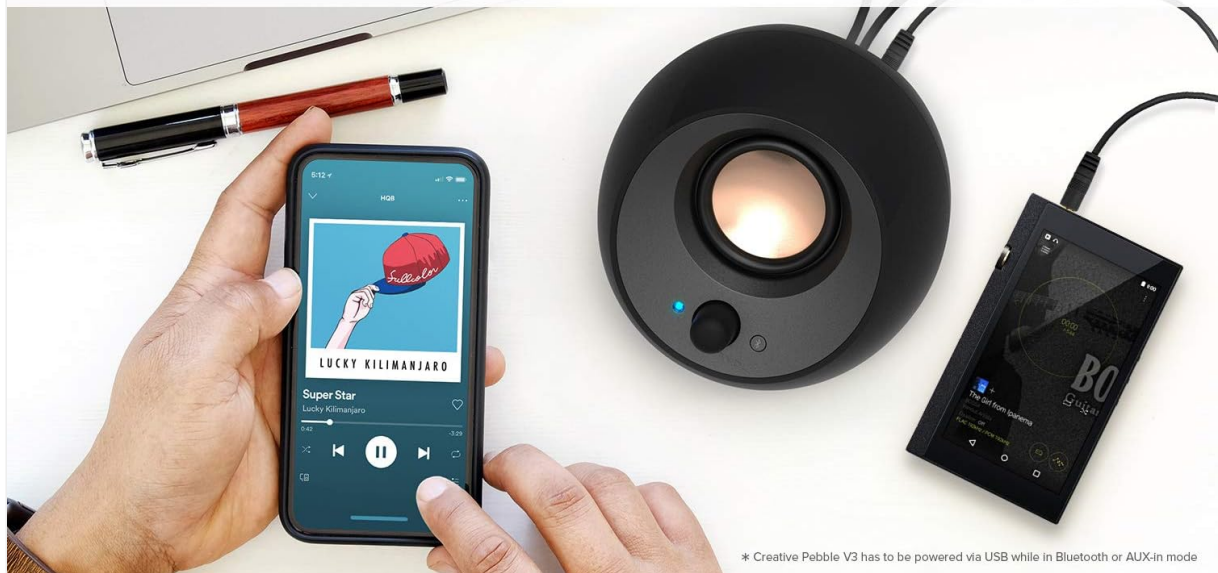

3.4 Bluetooth 5.0 Connectivity

Connect wirelessly to your mobile devices or computers via Bluetooth.

1. Ensure the speakers are powered on.
2. Press and hold the Bluetooth button on the right speaker until the LED indicator flashes blue, indicating pairing mode.
3. On your device, search for "Creative Pebble V3" in the Bluetooth settings and select it to pair.
4. The LED will turn solid blue once connected.

MULTIPLE CONNECTIVITY OPTIONS^{*}

Stream music wirelessly using Bluetooth 5.0 or connect to your analogue devices like Echo Dot, MP3 Players, or mobile phones via 3.5 mm AUX-in

* Creative Pebble V3 has to be powered via USB while in Bluetooth or AUX-in mode

Image: The rear view of a Creative Pebble V3 speaker showing the USB-C port and 3.5mm AUX-in, with a smartphone and a digital audio player connected, illustrating multiple connectivity options.

3.5 3.5mm AUX-in Connectivity

Connect to other analog audio devices using a 3.5mm audio cable (not included).

1. Connect one end of a 3.5mm audio cable to the AUX-in port on the right speaker.
2. Connect the other end to the audio output of your device.
3. The speakers will automatically switch to AUX-in mode when a connection is detected.

4. OPERATING INSTRUCTIONS

4.1 Power and Volume Control

The right speaker features a multi-function knob for power and volume adjustment.

- **Power On/Off:** Rotate the knob clockwise until it clicks to power on. Rotate counter-clockwise until it clicks to power off.
- **Volume Adjustment:** Rotate the knob clockwise to increase volume, and counter-clockwise to decrease volume.

4.2 Gain Switch

A gain switch is located on the bottom of the right speaker. This switch allows you to toggle between Low and High gain settings.

- **Low Gain:** Standard audio output.

- **High Gain:** Provides amplified audio, resulting in louder output. This mode requires a 10W USB-C port or a 5V 2A USB-A power adapter for optimal performance.

POWERFUL USB AUDIO

Featuring a larger 2.25" full-range drivers and built-in gain switch for amplified USB audio

Image: A Creative Pebble V3 speaker with text overlay "POWERFUL USB AUDIO", indicating its capability for amplified sound with a gain switch.

4.3 Clear Dialog Enhancement

The Creative Pebble V3 incorporates Clear Dialog audio processing. This feature enhances spoken words, making dialogue clearer and more intelligible in movies, TV shows, and videos, without affecting background audio effects. This feature is automatically active.

HEAR EVERY WORD CLEARLY

Engineered with Clear Dialog audio processing to give you rich and clear dialog

Image: Creative Pebble V3 speakers next to a laptop displaying a video, with text overlay "HEAR EVERY WORD CLEARLY", emphasizing the Clear Dialog feature.

5. MAINTENANCE

To maintain the performance and appearance of your Creative Pebble V3 speakers, follow these guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the speaker surfaces. Avoid abrasive cleaners or solvents.
- **Dust:** Regularly remove dust from the speaker grilles and ports using a soft brush or compressed air.
- **Storage:** When not in use for extended periods, store the speakers in a cool, dry place away from direct sunlight and extreme temperatures.
- **Liquid Exposure:** Avoid exposing the speakers to liquids. If liquid spills occur, disconnect power immediately and allow them to dry completely before use.

6. TROUBLESHOOTING

If you encounter issues with your Creative Pebble V3 speakers, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No sound from speakers.	Speakers not powered on. Volume too low. Incorrect audio source selected on device. Loose cable connection. Speakers in incorrect mode (e.g., Bluetooth when using USB).	Ensure power knob is turned on. Increase volume on speakers and connected device. Verify "Creative Pebble V3" is selected as audio output on your computer/device. Check all USB and AUX-in connections. If using USB, ensure Bluetooth is not actively paired to another device.
Low volume or distorted sound.	Gain switch set to Low. Insufficient power supply. Audio source volume too low.	Set the gain switch on the bottom of the right speaker to High. Ensure speakers are connected to a 10W USB-C port or a 5V 2A USB-A power adapter for amplified audio. Increase volume on the connected device.
Bluetooth pairing issues.	Speakers not in pairing mode. Device too far from speakers. Interference.	Press and hold the Bluetooth button until the LED flashes blue. Move your device closer to the speakers (within 10 meters). Turn off other Bluetooth devices nearby. Try unpairing and re-pairing the speakers from your device's Bluetooth settings.
Thumping sound when not in use (USB connection).	Speakers attempting to connect via Bluetooth when USB is preferred.	After computer boots, press the Bluetooth button on the right speaker to disable Bluetooth function if you intend to use USB audio. Alternatively, power off the speakers via the volume knob when not in use.

7. SPECIFICATIONS

Feature	Detail
Model Name	Pebble V3
Speaker Type	Multimedia Desktop Speakers
Connectivity Technology	USB-C, Bluetooth 5.0, 3.5mm Auxiliary
Speaker Driver Size	2.25 Inches Full-range
Speaker Maximum Output Power	16 Watts Peak Power (8W RMS)
Signal-to-Noise Ratio (SNR)	75 dB
Input Voltage	5 Volts
Product Dimensions (each speaker)	4.69"D x 4.8"W x 4.61"H
Item Weight	730 Grams (1.61 pounds)
Wireless Communication Technology	Bluetooth
Bluetooth Range	Up to 10 meters (33 feet)
Special Features	USB Audio, Clear Dialog Enhancement, Gain Switch
Compatible Devices	Smartphone, Laptop, Desktop, Television, Tablet
Material	Plastic
Color	Black

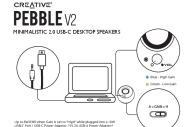

8. WARRANTY AND SUPPORT

The Creative Pebble V3 speakers come with a **Limited Warranty**. For specific warranty terms and conditions, please refer to the warranty information provided with your product packaging or visit the official Creative website.

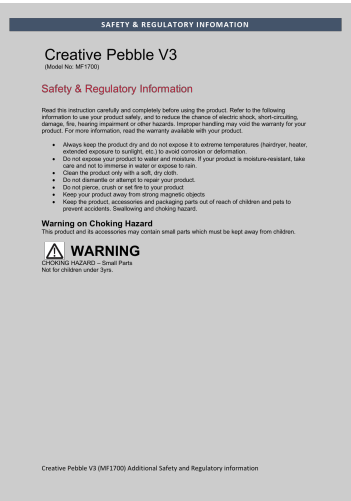

For technical support, product registration, or further assistance, please visit the Creative support website or contact their customer service.

БЕЗОПАСНОСТ И НОРМАТИВНА ИНФОРМАЦИЯ

Creative Pebble V2

(Model No. MF1695)

Безопасност и Нормативна Информация

Прочитайте эти инструкции внимательно и точно, прежде чем использовать продукт. Обратите на них особое внимание, так как они содержат информацию, которая может повлиять на безопасность и работоспособность. Неправильное обращение может повредить продукт или вызвать пожар. За нарушение инструкций производитель не несет ответственности.

- Всегда держите продукт сухим и не используйте на открытом воздухе (например, на улице, на террасе, на пляже и т.д.), так как это может вызвать повреждение.
- Не используйте продукт вблизи огня и воды. Не используйте продукт в условиях высокой влажности и не используйте на открытых участках на улице.
- Прочтите инструкции перед тем, как использовать продукт.
- Не используйте продукт и не пытайтесь разобрать его самостоятельно.
- Не разбирайте, не ремонтируйте и не пытайтесь изменить продукт.
- Поставьте продукт на не скользкую и ровную поверхность.
- Поставьте продукт, аккумулятор и зарядное устройство вдали от огня и других источников возгорания.

Предупреждение за опасност от задавяние
Ваш продукт не является игрушкой и не должен использоваться детьми. Если ребенок достигнет до него, немедленно удалите его из зоны доступа ребенка.

**ВНИМАНИЕ**

ОСТОРОЖНО ОТ ЗАДАВАННЯ – Мелкие части
не должны попадать в рот.
