Tengsen Faux Fur Pom Poms Instruction Manual

Model: B08FB63VNL

INTRODUCTION

This manual provides instructions for the proper use and care of your Tengsen Faux Fur Pom Poms. These pom poms are designed for DIY craft projects, including embellishing hats, scarves, bags, shoes, and key chains. Please read these instructions carefully before use to ensure optimal results and longevity of your product.

SAFETY INFORMATION

- Keep out of reach of small children to prevent choking hazards.
- This product is for decorative and craft purposes only. Do not ingest.
- Avoid exposing the faux fur to open flames or extreme heat.

PACKAGE CONTENTS

Your package includes:

- 16 x Faux Fur Pom Poms (approximately 4.7 inches / 12 cm in diameter)
- Assorted colors: white, black, natural, camel, beige, gray, dark gray, black with a white tip (2 of each color)

SETUP AND PREPARATION

Upon receiving your faux fur pom poms, they may appear flattened due to packaging and transportation. To restore their full, fluffy appearance, follow these steps:

1. Gently shake each pom pom to loosen the fibers.
2. Use a hairdryer on a low heat setting. Hold the hairdryer approximately 6-8 inches away from the pom pom and gently blow warm air over the fur for a few minutes. This will help the fibers expand and become fluffy.
3. Alternatively, you can gently comb the fur with your fingers or a wide-tooth comb to help fluff it up.

OPERATING INSTRUCTIONS (ATTACHMENT)

Each Tengsen Faux Fur Pom Pom is equipped with a small elastic loop for easy attachment to various items.

Attaching to Hats or Garments:

1. Sew a small button securely onto the inside top of your hat or garment where you wish to attach the pom pom.

2. Thread the elastic loop of the pom pom over the button. This allows for easy removal for washing or changing pom poms.

Attaching to Bags, Key Chains, or Shoes:

- For key chains or bag charms, simply loop the elastic through a ring or clip and secure it.
- For shoes or other accessories, the elastic loop can be tied or sewn into place, depending on the item's design.

MAINTENANCE AND CARE

To maintain the quality and appearance of your faux fur pom poms:

- **Cleaning:** Hand wash only. Gently spot clean with a damp cloth and mild soap if necessary. Do not machine wash or tumble dry, as this can damage the fur.
- **Drying:** Allow to air dry completely. Once dry, re-fluff using the hairdryer method described in the "Setup and Preparation" section.
- **Storage:** Store in a dry place away from direct sunlight to prevent discoloration or damage to the faux fur.
- **Removal for Washing:** If attached to a garment, always remove the pom pom before washing the garment to preserve the fur's quality.

TROUBLESHOOTING

Problem: Pom poms appear flat or matted.

Solution: This is a common occurrence due to packaging, storage, or use. Refer to the "Setup and Preparation" section for detailed instructions on how to re-fluff your pom poms using a hairdryer or by gently shaking and combing.
