# GODREJ INTERIO Lattice King Size Bed with Pull-Out Storage Instruction Manual

## 1. INTRODUCTION

---

Thank you for choosing the GODREJ INTERIO Lattice King Size Bed with Pull-Out Storage. This manual provides essential information for the safe and efficient use of your new bed. Please read these instructions carefully before assembly and use, and retain them for future reference.

The Lattice King Size Bed is designed for comfort and functionality, featuring durable engineered wood construction and convenient pull-out storage for optimizing your bedroom space.

## 2. SAFETY INFORMATION

---

- **Assembly:** This product requires professional carpenter assembly. Do not attempt to assemble it yourself unless you are a qualified professional. Incorrect assembly can lead to instability and injury.
- **Weight Distribution:** Ensure weight is evenly distributed across the bed frame. Avoid concentrating heavy loads in one area.
- **Stability:** Do not stand or jump on the bed. Ensure all connections are secure after assembly and periodically check for tightness.
- **Children:** Keep children away from the assembly area. Do not allow children to play with the pull-out storage mechanism unsupervised.
- **Moving the Bed:** When moving the bed, always lift it. Do not drag it, as this can damage the frame or flooring.

## 3. PACKAGE CONTENTS

---

Upon delivery, please verify that all components are present and undamaged. The package for your GODREJ INTERIO Lattice King Size Bed should include:

- Main Bed Frame Components (Headboard, Footboard, Side Rails)

- Bed Base Panels
- Pull-Out Storage Drawer Components
- All necessary assembly hardware (screws, bolts, connectors, drawer runners)

If any parts are missing or damaged, please contact GODREJ INTERIO customer support immediately.

## 4. SETUP AND ASSEMBLY

---

The GODREJ INTERIO Lattice King Size Bed requires professional carpenter assembly. Free assembly is provided with your purchase. Please ensure the assembly service is scheduled and completed by authorized personnel.

### **Assembly Process Overview:**

1. **Preparation:** Clear the assembly area. Ensure sufficient space for maneuvering components.
2. **Frame Assembly:** The headboard, footboard, and side rails are connected to form the main bed frame.
3. **Storage Integration:** The pull-out storage drawer mechanism is installed into the bed frame.
4. **Bed Base Installation:** The bed base panels are placed and secured within the frame.
5. **Final Checks:** All connections are tightened, and the bed is checked for stability and proper functioning of the storage.

Image 1: Dimensional diagram of the bed, showing a human figure for scale. The bed measures approximately 2.04m (80.5") in length, 1.89m (74.7") in width, and 1.18m (46.5") in height.

## 5. OPERATING INSTRUCTIONS

The Lattice King Size Bed features integrated pull-out storage for convenient access to your belongings.

### 5.1 Using the Pull-Out Storage Drawer

The bed is equipped with a pull-out drawer located at the foot of the bed. This drawer is ideal for storing extra bedding, clothes, or other items that require easy access.

- To open, gently pull the handle or edge of the drawer outwards from the foot of the bed.
- To close, push the drawer back into the bed frame until it is fully recessed.
- Avoid overloading the drawer to ensure smooth operation and prevent damage to the runners.

*Image 2: The Lattice King Size Bed with its pull-out storage drawer fully closed, showing a seamless design.*

## **5.2 Accessing Under-Bed Storage**

In addition to the pull-out drawer, the bed features lift-up panels on the bed base, providing access to a larger storage compartment underneath the mattress. This space is suitable for bulkier items such as suitcases or seasonal bedding.

- To access, carefully lift the mattress and then the bed base panels. The panels are typically hinged or designed to lift easily.
- Ensure the panels are securely propped open before placing or retrieving items to prevent accidental closure.
- When closing, gently lower the panels and then the mattress back into position.

*Image 4: A top-down perspective of the bed, showing the two large liftable panels that provide access to the under-bed storage.*

## 6. MAINTENANCE

---

Proper care and maintenance will extend the life and appearance of your GODREJ INTERIO Lattice King Size Bed.

- **Cleaning:** Wipe the bed surface with a soft, thick cloth. Avoid using harsh chemicals, abrasive cleaners, or bleach, especially on any upholstered parts.
- **Heat Protection:** Do not place hot items directly on the furniture surface. Always use a hot pad or coasters to prevent damage.
- **Sunlight Exposure:** To protect your furniture from fading and material degradation, avoid placing it next to windows or other areas where it can be exposed to direct sunlight for prolonged periods.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.
- **Upholstery Care:** If the headboard has upholstered elements, follow specific care instructions for the fabric type. Generally, vacuuming with a soft brush attachment can help remove dust.

## 7. TROUBLESHOOTING

---

Here are some common issues and their potential solutions:

Problem	Possible Cause	Solution
Bed feels wobbly or unstable	Loose connections or uneven floor.	Check and tighten all assembly screws and bolts. Ensure the bed is on a level surface.
Squeaking noises	Loose connections, friction between parts, or mattress issue.	Tighten all hardware. Apply a small amount of lubricant (e.g., silicone spray) to metal-on-metal contact points if identified. Check if the mattress is the source.
Pull-out drawer sticks or is difficult to open/close	Overloaded drawer, debris in runners, or misaligned runners.	Reduce the load in the drawer. Clean the drawer runners of any dust or obstructions. Check if the runners are properly aligned and secured.

If you encounter issues not listed here or require further assistance, please contact GODREJ INTERIO customer support.

## 8. SPECIFICATIONS

---
