Motor Trend SafeKeeper Heavy Duty Car Cover (Fits up to 190" Length)

Motor Trend SafeKeeper Heavy Duty Car Cover Instruction Manual

Model: SafeKeeper Heavy Duty Car Cover (Fits up to 190" Length)

Introduction

The Motor Trend SafeKeeper Heavy Duty Car Cover is designed to provide comprehensive protection for your vehicle against various environmental elements. This multi-layered cover shields your car from UV rays, rain, snow, dust, pollen, tree sap, and debris, helping to preserve its exterior and interior condition. Crafted from water-resistant, breathable materials, it prevents moisture buildup while ensuring proper ventilation. The UV-resistant fabric protects against sun fading and heat damage, making it suitable for year-round use.

Key Features

- **Universal Fit:** Designed to fit most standard vehicles, including cars, trucks, SUVs, and vans, providing reliable protection.
- **Multi-Layered Design:** Features multiple layers for superior protection against UV rays, snow, rain, dust, and scratches. The waterproof exterior blocks moisture, while the soft felt interior prevents scratches.
- **Heavy-Duty Protection:** Reinforced seams and sturdy construction ensure lasting use.
- **Secure Straps:** Three adjustable buckles and straps secure the cover in place, even in windy conditions, tested to withstand winds up to 70 MPH.
- **Full Coverage:** Elastic hems provide a snug fit, preventing moisture buildup and wind lift.
- **Reflective Strips:** Strategically placed reflective strips enhance visibility in low-light conditions, reducing the risk of accidental impact.
- **Scratch-Proof Lining:** The soft inner lining is thoroughly tested to prevent damage to your vehicle's exterior.

Installation & Usage

1. Vehicle Measurement

Before purchasing or installing the cover, measure your vehicle's length from front to rear. Refer to the product sizing chart to select the appropriate cover size. If your vehicle is between sizes, it is recommended to choose a size up for easier installation and complete coverage.

2. Cover Placement

Carefully unfold the car cover and identify the front and rear sections. Position the cover over your vehicle, starting from the front bumper and gradually pulling it towards the rear, ensuring even distribution.

3. Securing the Cover

Locate the three adjustable buckle straps on the underside of the cover. Fasten these straps securely beneath the vehicle to prevent the cover from shifting or being blown off by wind. Adjust the straps for a snug fit around the vehicle's perimeter.

This video highlights the waterproof material, secure buckle system, reflective strips, and scratch-proof lining, providing a visual guide to the product's benefits and proper usage.

Maintenance & Care

Cleaning

To ensure maximum protection and prevent scratches, always install the car cover on a clean vehicle. Ensure the vehicle's exterior is free of any dirt, dust, or debris before covering. The cover itself can be cleaned with mild soap and water, then air-dried.

Prolonged Use Advisory

Car covers are intended for temporary protection and should not be left on a vehicle for extended periods (beyond a few weeks) without removal. Prolonged use without periodic removal may lead to trapped moisture, condensation buildup, and potential damage to the paint or clear coat. It is recommended to periodically remove the cover, allow the vehicle to air out, and inspect for any signs of moisture accumulation or wear.

Troubleshooting

Scratches on Vehicle

If scratches occur, ensure the vehicle was thoroughly cleaned before cover installation. Dirt or debris trapped between the cover and the vehicle's surface can cause abrasion. Always install the cover on a clean, dry vehicle.

Cover Wear in Extreme Climates

In regions with extreme weather conditions (e.g., intense sun, high heat, heavy snow), the cover may experience accelerated wear. While designed for all-weather use, continuous exposure to severe elements can impact its lifespan. Regular inspection and adherence to the prolonged use advisory can help mitigate this.

Specifications

Brand	Motor Trend
Model	SafeKeeper Heavy Duty Car Cover (Fits up to 190" Length)
Color	Silver Up to 190"
Material	Felt, Polyester, Vinyl
Vehicle Service Type	Car, SUV, Truck, Van
