› Bright Starts Hug 'N Cuddle Activity Gym & Playmat with Take-Along Toys Hug Cuddle

## Bright Starts 12590

# Bright Starts Hug 'N Cuddle Activity Gym & Playmat

Model: 12590

## PRODUCT OVERVIEW

---

The Bright Starts Hug 'N Cuddle Activity Gym & Playmat provides a comfortable and engaging space for infants. Designed with an elephant-approved hug, this plush activity gym supports both tummy time and lay-and-play activities. It includes five take-along toys, such as a musical sloth and a giraffe teether, to captivate your baby's attention. The mat features engaging satin tags and a peek-a-boo mirror for sensory exploration. As your child grows, the toy bar can be removed, transforming the elephant into a soft playmat, offering extended use.

*The complete Bright Starts Hug 'N Cuddle Activity Gym, ready for play.*

## ASSEMBLY INSTRUCTIONS

1. **Unpack Components:** Carefully remove all parts from the packaging, ensuring all pieces are accounted for.
2. **Lay Out Playmat:** Spread the elephant-shaped playmat flat on a clean, soft surface.
3. **Attach Arch Bars:** Connect the two arch bars by inserting their ends into the designated slots on the playmat. Secure them firmly to create the overhead arch structure.
4. **Hang Toys:** Attach the five take-along toys (musical sloth, giraffe teether, bead chaser, textured toys, and mirror) to the loops on the arch bars. Arrange them to be within your baby's reach.
5. **Insert Batteries (Musical Sloth):** Locate the battery compartment on the musical sloth toy. Insert 2 AA batteries (not included) as indicated by the polarity markings. Securely close the compartment.

*An infant enjoying the assembled activity gym, reaching for the hanging toys.*

## **USING YOUR ACTIVITY GYM**

### **Lay-and-Play Mode**

Place your baby on their back on the soft playmat. The overhead arches with hanging toys encourage reaching, batting, and visual tracking, promoting motor skill development.

*A baby engaging with a hanging toy during lay-and-play time.*

### **Tummy Time Mode**

Position your baby on their tummy, using the soft elephant head as a comfortable support pillow. Encourage interaction with the crinkly ears and colorful fabric tags located on the elephant's head, which provide tactile stimulation.

*An infant enjoying tummy time on the elephant-shaped playmat.*

### **Musical Sloth Toy**

The included musical sloth toy plays cheerful melodies for up to 20 minutes. Tap the sloth to activate or change songs. The toy can be set to continuous play or activated by touch, providing auditory stimulation.

*Detailed view of the musical sloth and giraffe toys.*

### **Detachable Toys**

All five take-along toys can be easily detached from the arches, allowing for versatile play options and entertainment on the go.

*One of the detachable toys, a colorful bead chaser.*

### **Mirror Play**

The included baby-safe mirror can be attached to the arches or placed on the mat, encouraging self-discovery and visual engagement.

*A baby interacting with the mirror toy on the playmat.*

## CARE AND CLEANING

Proper care ensures the longevity and hygiene of your activity gym.

- **Playmat:** The playmat is machine washable. Remove the arch bars and all toys before washing. Use cold water on a gentle cycle. Do not bleach. Tumble dry on low heat or air dry.
- **Arch Bars & Toys:** Wipe down plastic components and fabric-covered arches with a damp cloth and mild soap. Ensure all parts are thoroughly air-dried before reassembly or storage. Do not immerse electronic components (e.g., musical sloth) in water.

## COMMON ISSUES

---

### Musical Sloth Not Playing

- **Check Batteries:** Ensure 2 AA batteries are correctly inserted with the proper polarity. Replace old batteries with new ones if necessary.
- **Power Switch:** Verify that the power switch on the sloth toy is in the
