GTRACING GT890MF

GTRACING Gaming Chair GT890MF Instruction Manual

Brand: GTRACING | Model: GT890MF

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your GTRACING Gaming Chair GT890MF. Please read thoroughly before use to ensure safe and optimal performance.

SAFETY INFORMATION

- For safe use, ensure the total weight on the chair does not exceed the maximum capacity of 330 lbs (150 kg).
- Keep small parts away from children during assembly.
- Ensure all screws and bolts are tightened securely before use. Periodically check and re-tighten if necessary.
- Do not stand on the chair or use it as a step stool.
- Avoid exposing the chair to direct sunlight or extreme temperatures to prevent material degradation.

PRODUCT FEATURES

- Designed with 2 Bluetooth speakers. A surround sound system enhances your entertainment experience.
- Connect to your smartphone, tablet, or other Bluetooth-enabled devices to enjoy music and mobile games.
- Ergonomic Design: Strong metal frame designed to help promote a comfortable seated position.
- Multi-Function: Bluetooth speakers for 16-hour music play, adjustable armrests, adjustable seat height.
- Seat height adjustable; 90 to 160-degree reclining; 360-degree swivel; removable headrest.
- High Quality: Smooth PU leather upholstery. Thick padded seat cushion made of high-density foam.
- Game and Office: GTRACING gaming chair is an ideal seat of choice for working, studying, and gaming.

SETUP AND ASSEMBLY

The GTRACING Gaming Chair requires assembly. Please follow the instructions provided in the package. Ensure all components are present before beginning assembly. Typically, assembly involves attaching the base to the gas lift, then securing the seat and backrest, followed by the armrests and any additional pillows.

ADJUSTABLE MULTI-DIRECTIONAL ARMRESTS

Allows the gamer to adjust to the position that best suits the game.

Figure 4: Key components of the chair, highlighting the high-intensity thicker steel frame and multi-layered leather for durability and stability.

OPERATING INSTRUCTIONS

Adjusting Seat Height

Locate the lever on the right side beneath the seat. Pull the lever upwards while lifting your weight off the seat to raise the chair. To lower the chair, pull the lever upwards while remaining seated.

Reclining the Backrest

Use the recline lever on the left side of the seat. Pull the lever up and lean back to adjust the backrest angle between 90 and 160 degrees. Release the lever to lock the backrest in your desired position.

ROCK OUT WHILE YOU GAME WITH OUR BLUETOOTH SPEAKER CHAIR

Figure 5: Visual representation of the chair's recline function, showing various angles from 90 degrees for work to 155 degrees for resting.

Using the Footrest

Pull the footrest out from underneath the seat. Extend it to your desired length. To retract, push it back under the seat until it is fully stored.

Figure 6: The retractable footrest in its extended position, providing additional comfort for relaxation.

Adjusting Armrests

The armrests are multi-directional. They can be adjusted in height by pressing the button on the side of the armrest and moving it up or down. They can also pivot left and right to suit your preference.

Figure 7: Detail of the adjustable armrests, which can be moved in multiple directions to find the optimal position.

Connecting Bluetooth Speakers

Ensure the chair's Bluetooth speakers are charged. Turn on the speakers (refer to the specific speaker controls if separate). On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices. Select 'GTRACING' from the list to pair. Once paired, audio will play through the chair's speakers.

MAINTENANCE

- **Cleaning:** Wipe the PU leather with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For fabric parts, use a mild upholstery cleaner.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections to ensure they are tight. Retighten any loose hardware to maintain stability and safety.
- **Wheel Care:** Keep the wheels free of hair and debris to ensure smooth rolling.
- **Pillow Care:** The headrest and lumbar pillows are removable for cleaning or adjustment.

TROUBLESHOOTING

- **Chair not adjusting height:** Ensure the gas lift lever is fully engaged and there are no obstructions. If the issue persists, the gas lift may need replacement.
- **Backrest not reclining/locking:** Check the recline lever mechanism for any obstructions or damage. Ensure it engages properly.
- **Bluetooth speakers not connecting:** Ensure the speakers are powered on and fully charged. Verify Bluetooth is enabled on your device and the chair is in pairing mode. Try restarting both the chair's speakers and your device.
- **Chair is unstable/wobbly:** Check all assembly screws and bolts, especially those connecting the base to the seat and the backrest to the seat. Tighten any loose connections.

PRODUCT SPECIFICATIONS

Specification	Detail
Brand	GTRACING
Model Name	GT890MF
Color	Purple
Product Dimensions	20.87"D x 21.65"W x 53.15"H
Maximum Weight Recommendation	300 Pounds
Back Style	Solid Back
Special Features	Adjustable Height, Adjustable Lumbar, Ergonomic, Foot Rest, Rolling
Fill Material	Foam
Furniture Finish	Leather
Item Weight	47 pounds
