IONIX K-1 Single Bluetooth.

IONIX Bluetooth Truly Wireless In-Ear Earbuds with Mic

Model: K-1 Single Bluetooth

Introduction

Thank you for choosing the IONIX Bluetooth Truly Wireless In-Ear Earbuds. This manual provides essential information for setting up, operating, and maintaining your new earbuds. Designed for convenience and clear communication, these earbuds feature a built-in microphone for hands-free calling and are compatible with most Bluetooth-enabled devices.

Setup

Charging the Earbuds

Before first use, ensure your earbuds are fully charged.

- Connect the included charging cable to the charging port on the earbuds.
- Connect the other end of the charging cable to a compatible USB power source (charger not included).
- The indicator light will show charging status and turn off or change color when fully charged.
- A full charge provides approximately 4-5 hours of talk time or music playback, with a standby time of up to 120 hours.

Pairing with a Device

Pairing your IONIX earbuds with your smartphone or other Bluetooth device is quick and easy.

1. Ensure the earbuds are charged and powered off.
2. Press and hold the multi-function button on the earbud until the indicator light flashes red and blue, indicating pairing mode.
3. On your smartphone or Bluetooth device, go to Bluetooth settings and turn Bluetooth on.
4. Search for available devices. You should see "IONIX" or a similar name appear in the list.
5. Select "IONIX" to connect. Once connected, the indicator light will stop flashing or flash slowly.
6. Pairing typically takes only a few seconds.

Operating Instructions

Power On/Off

- **Power On:** Press and hold the multi-function button for approximately 3 seconds until the indicator light turns blue.
- **Power Off:** Press and hold the multi-function button for approximately 5 seconds until the indicator light turns red and then off.

Call Management

- **Answer Call:** Short press the multi-function button when a call comes in.
- **End Call:** Short press the multi-function button during a call.
- **Reject Call:** Press and hold the multi-function button for 2 seconds when a call comes in.
- **Redial Last Number:** Double-press the multi-function button.

Music Playback

- **Play/Pause:** Short press the multi-function button.
- **Next Track:** (Functionality may vary by device and earbud model, typically a long press on volume up or specific button).
- **Previous Track:** (Functionality may vary by device and earbud model, typically a long press on volume down or specific button).

The earbuds offer a working distance of up to 10 meters (approximately 33 feet) from the connected device, allowing for skip-free music enjoyment.

Maintenance

Proper care will extend the life and performance of your IONIX earbuds.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds. Do not use harsh chemicals or abrasive materials.
- **Sweat Resistance:** The earbuds are designed to be sweat-proof. However, avoid submerging them in water or exposing them to excessive moisture.
- **Storage:** When not in use, store the earbuds in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Battery Care:** To maintain battery health, avoid fully discharging the battery frequently. Charge the earbuds regularly, even if not used for extended periods.

Troubleshooting

Problem	Possible Cause	Solution
Earbuds not powering on	Low battery.	Charge the earbuds fully.
Cannot pair with device	Earbuds not in pairing mode; Bluetooth off on device; device too far.	Ensure earbuds are in pairing mode (flashing red/blue). Turn on Bluetooth on your device. Move device closer to earbuds (within 10 meters).
No sound or poor sound quality	Volume too low; earbuds not connected; interference; earbud placement.	Increase volume on both earbuds and connected device. Re-pair the earbuds. Move away from sources of interference. Adjust earbud position for a better fit.
Calls not connecting or mic issues	Earbuds not selected as audio output; mic blocked.	Check audio output settings on your phone. Ensure the microphone is not covered.
