## YOGASLEEP 4001240

# YOGASLEEP Travelcube Portable White Noise Machine

Model: 4001240

## INTRODUCTION

The YOGASLEEP Travelcube is a compact and portable sound machine designed to help you achieve better sleep by effectively masking disruptive noises. Its user-friendly design and multiple sound options make it ideal for use at home or while traveling, benefiting adults, babies, and children.

## SAFETY INFORMATION

- Use caution when charging; keep away from water.
- Do not use the device while charging.
- This product is intended for adult use and is not a toy.
- For proper use, only use the provided USB cable included with this unit.

## PACKAGE CONTENTS

- YOGASLEEP Travelcube Portable White Noise Machine
- USB-C Charging Cable (Power adapter not included)
- Easy-hang Lanyard

## PRODUCT FEATURES

- **6 Soothing Sound Settings:** Includes white noise, brown noise, nature sounds, gentle surf, classic Dohm sound, and a calming lullaby.
- **Optional Sleep Timer:** Set the device to automatically turn off after 30 minutes, 1 hour, or 2 hours.
- **Rechargeable Battery:** Powered by a USB-C cord, providing up to 18 hours of use on a single charge (depending on volume and sound settings).
- **Compact and Portable Design:** Lightweight (0.212 ounces) and small (3.5 x 3.5 x 1.8 inches) for easy travel.
- **Easy-Hang Lanyard:** Convenient for attaching to strollers, car seats, or doorknobs.

## SETUP

---

1. **Initial Charge:** Before first use, fully charge the Travelcube using the provided USB-C cable. Connect the cable to the device's USB-C port and a compatible USB power adapter (not included). The charging indicator light will show status.
2. **Placement:** Place the device on a flat surface or use the easy-hang lanyard to attach it to a secure object like a stroller handle or doorknob.

## OPERATING INSTRUCTIONS

---

### Power On/Off

- **To Power On:** Press and hold the power button (🔌) for a few seconds until the device activates.
- **To Power Off:** Press and hold the power button again until the device shuts down.

### Sound Selection

- Press the music note button (🎵) to cycle through the 6 available sound options.

### Volume Adjustment

- Use the volume up (🔊) and volume down (🔇) buttons to set your desired sound level. The device can reach up to 83.5 dB.

### Sleep Timer Settings

- Press the timer button (🕒) to cycle through the auto-off options: 30 minutes, 1 hour, or 2 hours. The corresponding indicator light will illuminate.
- If no timer is selected, the device will play continuously until manually turned off or the battery is depleted.

## CHARGING

---

The YOGASLEEP Travelcube features a rechargeable Lithium Polymer battery. Use the provided USB-C cable to charge the device. A full charge can provide up to 18 hours of operation. The charging indicator light will signal when the device needs recharging and when charging is complete.

Image: Yogasleep Travelcube connected to its USB-C charging cable. The cable is white and connects to the bottom of the device.

## MAINTENANCE

---

- Keep the device clean by wiping it with a soft, dry cloth.
- Avoid exposing the device to excessive moisture or extreme temperatures.
- Store in a cool, dry place when not in use.

## TROUBLESHOOTING

- **Device not turning on:** Ensure the battery is charged. Connect to a power source using the USB-C cable.
- **No sound:** Check the volume level and ensure it is not muted. Try cycling through different sound options.
- **Short battery life:** Ensure the device is fully charged. High volume settings can reduce battery duration.
- If issues persist, please contact YOGASLEEP customer support.
