Setup

The Mega Construx Evil-Lyn figure comes pre-assembled. Carefully remove the figure and any included accessories from its packaging. Dispose of packaging materials responsibly.

- **Recommended Age:** This product is recommended for ages 8 months and up.

Operating

The Evil-Lyn micro action figure features multiple points of articulation, allowing for various poses. Gently manipulate the joints at the head, shoulders, elbows, hips, and knees to position the figure as desired. Avoid excessive force to prevent damage to the joints or plastic.

- **Accessory Placement:** Ensure all accessories, such as the staff, are securely placed in the figure's hands or attached to designated points.
- **Display and Play:** The figure is suitable for both display in a collection and imaginative play.

Maintenance

Proper care will help maintain the appearance and longevity of your action figure.

- **Cleaning:** To clean the figure, wipe it gently with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid using harsh chemicals, solvents, or abrasive cleaners, as these can damage the paint or plastic.
- **Storage:** Store the figure away from direct sunlight, high humidity, and extreme temperatures to prevent discoloration, fading, or material degradation.

Troubleshooting

- **Loose Joints:** If a joint becomes loose over time, it may be possible to tighten it by carefully applying a very small amount of clear nail polish or a similar non-damaging adhesive to the joint, allowing it to dry completely before posing. Test on an inconspicuous area first.
- **Missing Accessories:** If any accessories are missing upon unboxing, please contact the manufacturer, Mattel, for assistance.
