Mega Construx GRG94

Mega Construx Aliens Xenomorph Egg Slime Building Set

Model: GRG94

Brand: Mega Construx

Introduction

Welcome to the Mega Construx Aliens Xenomorph Egg Slime Building Set. This set allows you to discover buildable Xenomorph micro action figures and Facehugger accessories hidden within a slimy Xenomorph egg. Designed for Probuilders aged 10 and up, this manual will guide you through the setup, assembly, and care of your new collectible.

What's Included:

- 1 Xenomorph Egg container
- 2 Buildable Xenomorph micro action figures (parts)
- 2 Facehugger accessories
- 1 Slime pool (slime)

Setup

1. **Unpack the Egg:** Carefully remove the Xenomorph Egg from its packaging.
2. **Open the Egg:** Gently separate the two halves of the Xenomorph Egg container.
3. **Retrieve Contents:** Inside, you will find a slime pool containing the parts for your micro action figures and accessories.

Assembly

The micro action figures require assembly. Refer to the included instruction sheet for detailed, step-by-step visual guidance. The figures are designed for articulation, allowing for various poses once assembled.

1. **Extract Parts from Slime:** Carefully remove all figure parts and accessories from the slime pool. It is recommended to do this over a protected surface.
2. **Clean Parts:** Wipe any excess slime from the figure parts and accessories before assembly.
3. **Assemble Figures:** Follow the visual instructions on the included paper guide to connect the various body parts of the Xenomorph micro action figures.
4. **Attach Accessories:** Once the figures are assembled, attach the Facehugger accessories as desired.

Operating / Play

Your Mega Construx Aliens figures are designed for dynamic play and display.

- **Posing:** Utilize the multiple points of articulation on the micro action figures to create various menacing poses.
- **Slime Interaction:** The included slime can be used for creative play scenarios, simulating the alien environment.
- **Display:** The Xenomorph Egg container can be used as a display base for your assembled figures.

Maintenance

- **Cleaning Figures:** If figures become dirty, wipe them gently with a damp cloth. Avoid harsh chemicals.
- **Slime Care:** Store the slime in an airtight container to prevent it from drying out. Keep away from direct sunlight and extreme temperatures.
- **Storage:** Store all components in a cool, dry place, preferably in their original packaging or a sealed container.

Troubleshooting

- **Missing Parts:** If any parts are missing upon opening, please contact Mega Construx customer support.
- **Slime Drying Out:** If the slime begins to dry, a very small amount of water can sometimes help restore its consistency. Do not add too much water.
- **Figures Not Posing:** Ensure all joints are correctly assembled and not obstructed by excess slime.
