User Manual

QYiID SLIM PU LEATHER FOLIO CASE FOR LENOVO TAB M10 HD / SMART TAB P10

1. Introduction

This user manual provides detailed instructions for the QYiID Slim PU Leather Folio Case, designed to protect and enhance the functionality of your compatible Lenovo tablet. This case offers robust protection, a convenient viewing stand, and smart features for an improved user experience.

2. Compatibility

This case is specifically designed for the following Lenovo tablet models:

- Lenovo Tab P10 10.1" (Models: TB-X705F, TB-X705L)
- Lenovo Tab M10 HD (Models: TB-X505F, TB-X505L)
- Lenovo Tab M10 (Models: TB-X605F, TB-X605L)

Note: This case is not compatible with any other tablet models.

3. Key Features

- **Premium Material:** Constructed from high-quality synthetic leather with a soft, non-scratch microfiber interior to protect against fingerprints, dirt, and scratches.
- **Easy Clip-on Design:** Allows for simple and secure installation of your tablet.
- **Smart Sleep/Wake Function:** Automatically wakes your device when the lid is opened and puts it to sleep when closed, conserving battery life.
- **2-Folding Stand:** Features a flip capability to transform the case into a horizontal viewing stand, ideal for watching videos or typing.
- **Interior Pocket:** An open interior pocket provides easy insertion and secure holding of your device.
- **Color Variety:** Available in a variety of colors, including Blue.

4. Package Contents

Upon opening the package, please verify that all items listed below are present:

- 1 x QYiID Tablet Case (Blue)
- 1 x Random Stylus
- 1 x Cleaning Cloth

Figure 4.1: Contents of the package, including the blue tablet case, a set of colorful stylus pens (one random stylus is included), and a cleaning cloth.

5. Setup

1. **Prepare Your Tablet:** Ensure your Lenovo tablet is clean and free of dust or debris. Use the provided cleaning cloth if necessary.
2. **Insert Tablet:** Gently slide your tablet into the open interior pocket of the case. Ensure all corners and edges are securely seated within the case's frame.

Figure 5.1: View of the tablet securely placed inside the open folio case, showing the precise cutouts for ports and buttons.

3. **Secure the Tablet:** The case features an easy clip-on design. Gently press the tablet into the case until it clicks into place, ensuring a snug fit.
4. **Close the Cover:** Close the front cover of the case. The magnetic closure will secure it.

6. Operating Instructions

6.1. Smart Sleep/Wake Function

The case is equipped with a smart magnetic sensor. When you open the front cover, your tablet will automatically wake up. When you close the cover, your tablet will go into sleep mode, helping to conserve battery life.

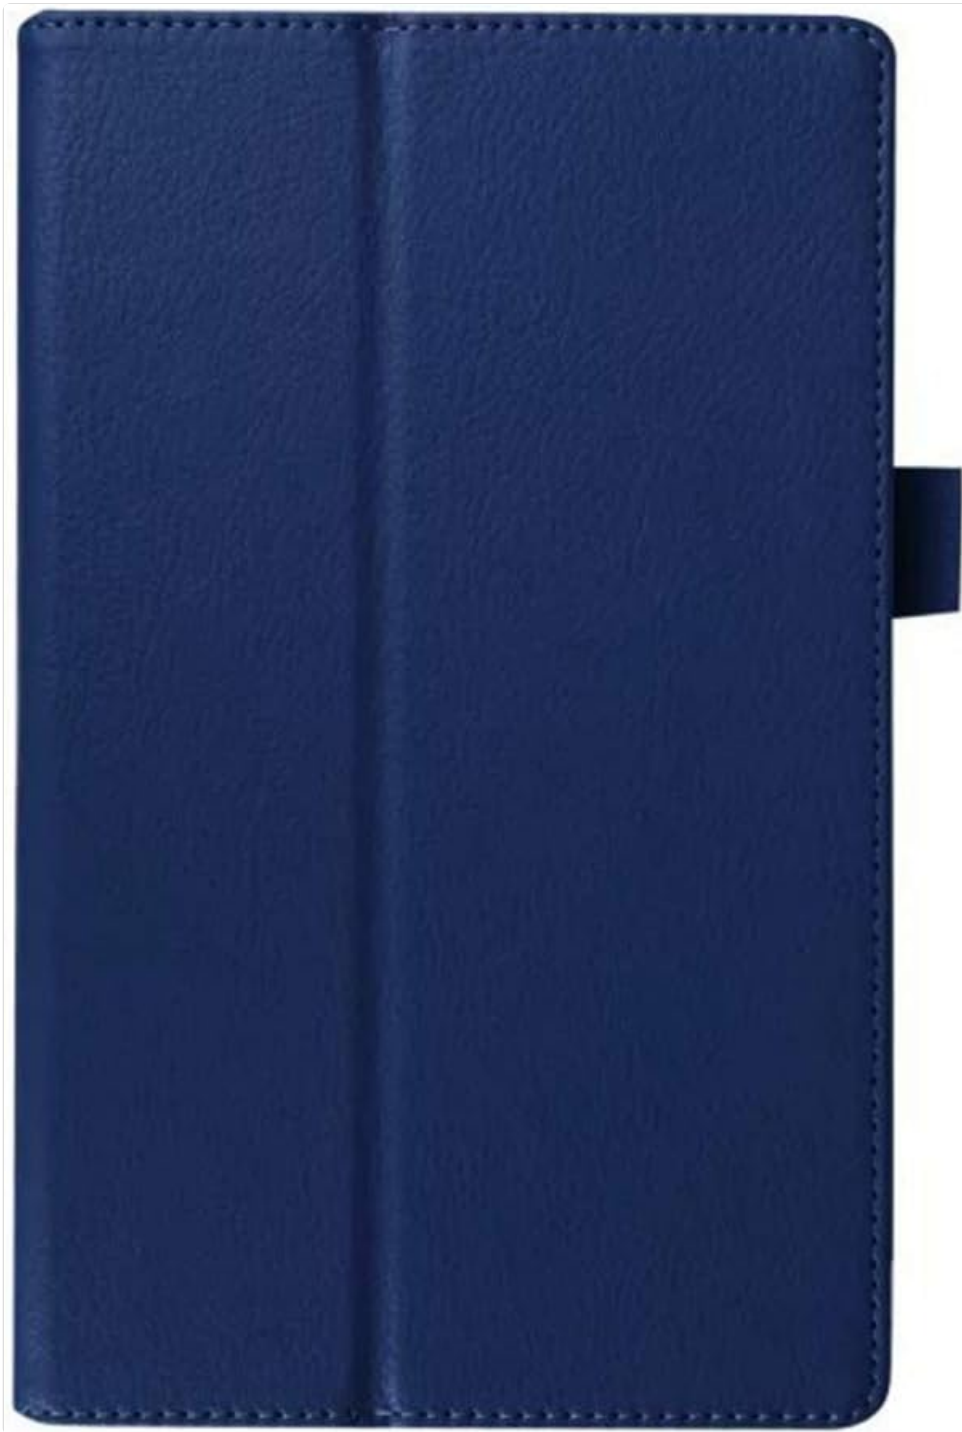

Figure 6.1: The tablet case in its closed position, demonstrating the sleek and protective design when not in use.

6.2. Using the 2-Folding Stand

The case can be transformed into a horizontal viewing stand for hands-free use:

1. **Open the Cover:** Open the front cover of the case.
2. **Fold Back:** Fold the front cover back along the designated creases.
3. **Position for Viewing:** The case will form a triangular stand, allowing your tablet to be propped up at a comfortable viewing angle.

Figure 6.2: The tablet case folded into a horizontal viewing stand, providing a stable base for media consumption or video calls.

Figure 6.3: A rear view of the tablet case demonstrating the folding mechanism that creates the stable viewing stand.

7. Maintenance

- **Cleaning:** Use the provided cleaning cloth or a soft, dry, lint-free cloth to wipe the exterior of the case. For stubborn dirt, lightly dampen the cloth with water and gently wipe. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Sharp Objects:** Keep the case away from sharp objects to prevent scratches or damage to the synthetic leather.

8. Troubleshooting

Problem	Possible Cause	Solution
Tablet does not fit or is loose.	Incorrect tablet model.	Verify your tablet model against the compatibility list in Section 2. This case is only compatible with specific Lenovo Tab M10 HD/P10 models.
Smart sleep/wake function not working.	Tablet not properly seated; tablet settings.	Ensure the tablet is fully inserted and aligned correctly within the case. Check your tablet's settings to ensure the "Smart Cover" or "Flip Cover" function is enabled (if applicable).
Case stand is unstable.	Improper folding; uneven surface.	Ensure the case is folded correctly into the triangular stand shape as described in Section 6.2. Place the stand on a flat, stable surface.
