- 1. Unpack and Identify Parts:** Carefully remove all components from the packaging. Refer to the 'Package Contents' section to ensure all items are present.
- 2. Attach Leg Frames to Tabletop:** Position the tabletop (A) upside down on a protected surface. Align the leg frames (B) with the pre-drilled holes on the underside of the tabletop. Secure them using the provided screws from the hardware set (E). Do not fully tighten the screws yet.
