1. INTRODUCTION

This manual provides essential information for the proper use and understanding of PhosFix, a dietary supplement designed to support normal phosphorus levels and kidney health. PhosFix is formulated with natural ingredients to assist the body in maintaining optimal renal function.

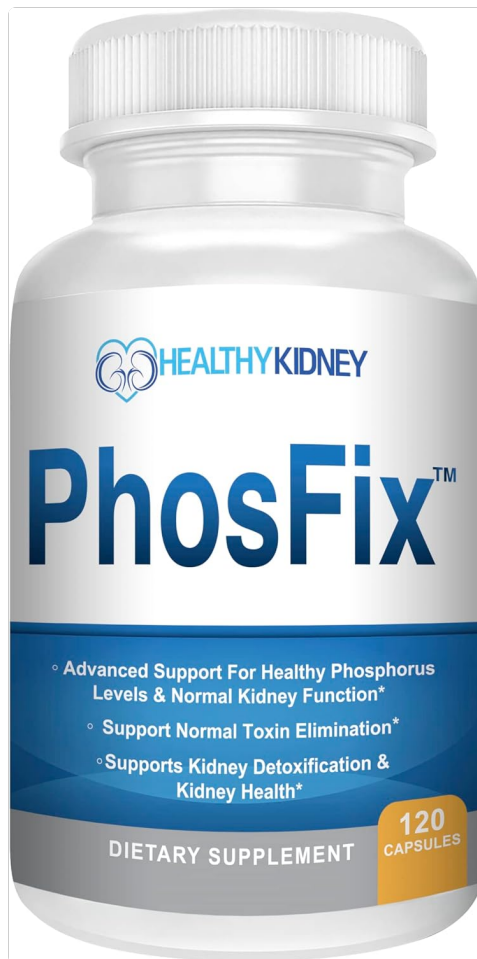

Image 1.1: Front view of the PhosFix dietary supplement bottle, containing 120 capsules.

2. PRODUCT OVERVIEW AND BENEFITS

PhosFix is a powerful phosphorus binder formulated to support normal kidney function and overall kidney health. It is designed to help optimize kidney health by assisting in the balance of phosphorus levels within the body.

- Supports normal phosphorus levels.
- Aids in normal kidney function and health.
- Assists in the elimination of unwanted substances from the body.
- Formulated with a unique, science-based blend of natural ingredients.
- Manufactured in a cGMP facility, ensuring quality and consistency.

PhosFix™ is Enhanced & Optimized To Work Faster & Stronger With Super Nutrients

The infographic features a central image of a white plastic bottle of PhosFix capsules. The bottle label includes the 'HEALTHY KIDNEY' logo, the product name 'PhosFix™', and several bullet points: 'Advanced Support For Healthy Phosphorus Levels & Normal Kidney Function*', 'Support Normal Toxin Elimination & Healthy Cholesterol Levels*', and 'Supports Kidney Detoxification & Kidney Health*'. At the bottom of the label, it says 'DIETARY SUPPLEMENT' and '120 CAPSULES'. Surrounding the bottle are six circular icons, each with a text description of an ingredient and its benefit. To the right of the bottle are three circular logos: 'MADE IN A FDA REGISTERED FACILITY', 'GMP GOOD MANUFACTURING PRACTICE QUALITY PRODUCT', and an American flag with 'MADE IN USA' text below it.

Niacinamide is a natural phosphorus blocker, supports good kidney health & cholesterol levels.

FOS (a prebiotic) supports growth of probiotics to support healthy BUN, Creatinine & GFR levels.

Inulin (another prebiotic) supports growth of probiotics to support normal toxin elimination.

Chitosan supports healthy normal toxin elimination & cholesterol levels.

3. INGREDIENTS

PhosFix contains a blend of ingredients selected for their role in supporting normal phosphorus levels and kidney health.

- **Niacinamide (Vitamin B3):** Primary active ingredient known for its ability to support normal phosphorus levels.
- **Chitosan:** Derived from crustacean shells, it supports normal toxin elimination and phosphorus balance.
- **Fructo-oligosaccharides (FOS):** A prebiotic that supports the growth of beneficial gut bacteria, aiding in the removal of unwanted substances.
- **Inulin:** Another prebiotic that contributes to effective toxin elimination.

4. SETUP AND FIRST USE

PhosFix is ready for use upon receipt.

1. Unpack the PhosFix bottle from its packaging.
2. Ensure the safety seal on the bottle is intact before first use. Do not use if the seal is broken or missing.
3. Read the "Suggested Use" and "Supplement Facts" on the bottle label carefully.

5. DOSAGE AND ADMINISTRATION

For optimal results, follow the suggested use guidelines or consult with a healthcare professional.

- **Suggested Use:** Take 1 to 2 capsules 2-3 times daily with a meal, or as directed by a healthcare professional.
- **Caution:** Do not exceed recommended dose. Pregnant and nursing mothers, children under the age of 18, and individuals with a known medical condition should consult a physician before taking this or any dietary supplement.

6. STORAGE AND MAINTENANCE

Proper storage ensures the potency and longevity of PhosFix.

- Store in a cool, dry place.
- Keep out of reach of children.
- Do not remove the desiccant packet (if present) from the bottle.

7. TROUBLESHOOTING AND IMPORTANT CONSIDERATIONS

While PhosFix is generally well-tolerated, individual responses to dietary supplements can vary.

- If you experience any adverse reactions, discontinue use and consult your healthcare professional.
- If you have existing medical conditions or are taking other medications, consult your physician before starting PhosFix to ensure compatibility.

- Remember that dietary supplements are intended to complement, not replace, a balanced diet and healthy lifestyle.
