Perfit Liner PF-5284-813

Perfit Liner Front Grille Instruction Manual

Model: PF-5284-813

PRODUCT OVERVIEW

This manual provides essential information for the installation, maintenance, and troubleshooting of your Perfit Liner Front Grille. This grille is designed as a direct fit replacement for the original factory parts of compatible Nissan D21 models. The Perfit Liner Front Grille serves both as a functional component for vehicle protection and an aesthetic enhancement, crafted from premium materials for durability and longevity.

Key Features:

- Direct fit replacement for original factory parts.
- Enhances vehicle style and appearance.
- Manufactured to meet or exceed OEM specifications.
- Superior durability and impact resistance.

COMPATIBILITY

This Perfit Liner Front Grille (Model: PF-5284-813) is compatible with the following Nissan D21 models:

- 1990-1992 Nissan D21 Base
- 1990-1992 Nissan D21 SE

Reference Part Numbers: 6231086G00, NI1200120.

SETUP AND INSTALLATION

The Perfit Liner Front Grille is designed for easy installation. However, professional installation is highly recommended to ensure proper fitment and function.

Important Notes Before Installation:

- Ensure the vehicle is parked on a level surface and the engine is off.
- Gather all necessary tools before beginning the installation process.
- No specific installation instructions are included with the product; refer to a professional automotive technician or a vehicle-

specific service manual for detailed steps.

OPERATING INFORMATION

Once installed, the front grille operates passively as a protective and aesthetic component of your vehicle. It does not require active operation.

Function:

- **Protection:** Shields the radiator and other front-end components from road debris, rocks, and other foreign objects.
- **Airflow:** Allows necessary airflow to the engine compartment for cooling.
- **Aesthetics:** Contributes to the overall appearance and styling of the vehicle's front end.

MAINTENANCE

Regular maintenance of your Perfit Liner Front Grille will help preserve its appearance and longevity.

Cleaning:

- Clean the grille regularly with mild automotive soap and water.
- Use a soft cloth or sponge to avoid scratching the surface.
- Rinse thoroughly with clean water and dry to prevent water spots.
- Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.

Inspection:

- Periodically inspect the grille for any signs of damage, cracks, or loose fasteners.
- Address any issues promptly to prevent further damage or compromise to its protective function.

TROUBLESHOOTING

This section addresses common concerns related to the Perfit Liner Front Grille.

Problem	Possible Cause	Solution
Grille appears loose or rattles.	Improper installation; loose mounting clips or screws.	Check all mounting points and fasteners. Tighten any loose components. If unsure, consult a professional.
Visible damage (cracks, dents).	Impact from road debris or minor collision.	Depending on the severity, the grille may need to be repaired or replaced.
Discoloration or fading.	Exposure to harsh weather, UV rays, or improper cleaning agents.	Ensure proper cleaning methods are used. Consider automotive protectants designed for plastic components.
