Lavish Home 187225EUW

Lavish Home Linen Tower Storage Cabinet User Manual

Model: 187225EUW

PRODUCT OVERVIEW

The Lavish Home Linen Tower Storage Cabinet is designed to provide additional storage in narrow spaces such as bathrooms or laundry rooms. This 67-inch tall unit features a combination of open shelving and a closed cupboard, offering versatile storage options.

Key features include a lower cupboard with an adjustable shelf and a magnetic latching door, and an upper section with three open tiers, including an X-shaped cubbyhole divider ideal for storing rolled towels.

SAFETY INFORMATION

Important: Always ensure the cabinet is properly assembled and secured to the wall using the provided anti-tipping hardware to prevent accidents. Avoid purchasing counterfeit products to ensure safety and authenticity. Look for the Lavish Home logo on the packaging.

SETUP AND ASSEMBLY

Assembly is required for this product. Follow the instructions provided in the packaging carefully. All necessary hardware is included and typically organized in labeled bags corresponding to assembly steps.

Adjustable Shelves

The lower cabinet features adjustable shelves. Shelf height can be customized to 8 inches, 10.5 inches, or 13 inches from

the base. Locate the pre-drilled holes on the interior sides of the cabinet to adjust shelf placement. Insert the shelf support pins into the desired holes, then place the shelf on top.

Anti-Tipping Hardware

For safety, anti-tipping hardware is included. Secure the cabinet to a wall stud using the provided hardware to prevent accidental tipping, especially in households with children or pets.

OPERATING INSTRUCTIONS

Using the Storage Compartments

- **Upper Open Shelves:** Ideal for displaying decorative items, toiletries, or frequently accessed linens.
- **X-shaped Cubbyhole Divider:** Specifically designed for neatly storing rolled towels.

- **Lower Cupboard:** Provides concealed storage for various items. The magnetic latch ensures the door remains securely closed.

MAINTENANCE AND CARE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the

finish.

- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Finish Protection:** Protect the painted finish from excessive moisture and direct heat.

TROUBLESHOOTING

Cabinet Instability

If the cabinet feels unstable after assembly, ensure all screws are fully tightened. Verify that the anti-tipping hardware is correctly installed and secured to a wall stud. Ensure the cabinet is placed on a level surface.

Door Not Closing Properly

Check if the magnetic latch is properly aligned and secured. Ensure hinges are correctly installed and tightened. Adjust the shelf inside if it is obstructing the door's closure.
