

Cleer ENDURO-ANC

Cleer Enduro ANC Headphones User Manual

Brand: Cleer
Model: ENDURO-ANC

INTRODUCTION

Welcome to the user manual for your Cleer Enduro ANC Noise Cancelling Over the Ear Bluetooth Headphones. This guide provides essential information on setting up, operating, and maintaining your headphones to ensure optimal performance and longevity. Please read through this manual carefully before using your device.

WHAT'S IN THE BOX

- Cleer Enduro ANC Headphones
- CD (Included Components)

PRODUCT OVERVIEW & KEY FEATURES

The Cleer Enduro ANC headphones are engineered for superior audio quality and user comfort. Below are some of its standout features:

Figure 1: Cleer Enduro ANC Headphones - Dark Navy

- **Hi-Res Audio & Deep Bass:** Indulge in high-resolution audio with our over ear headphones featuring a 40mm Ironless Driver for deep bass. These wireless headphones, featuring customizable EQ modes, are ideal for both travel and home office use, effectively minimizing distractions and allowing you to fully immerse yourself in the audio experience.

Bluetooth 5.0 and Multipoint Connectivity allow you to seamlessly switch between multiple paired playback devices.

40mm patented Ironless Drivers™ produce bold and articulate Hi-Res sound. AptX Adaptive supported.

Figure 2: Patented Ironless Driver technology for rich, powerful Hi-Res Sound.

- **ANC Noise Cancelling Technology:** Experience the pinnacle of sound isolation with Enduro ANC noise canceling headphones wireless.

Experience peace & quiet with Active Noise Cancellation that blocks up to 25dB of background noise.

Ambient Mode allows you to enjoy your music while also hearing outside noises around you.

Simple multi-function buttons allow you to control media playback, calls, and volume.

Figure 3: Active Noise Cancellation blocks up to 25dB of background noise.

- **Extended Playtime & Multi-Point Connectivity:** Enjoy up to 60 hours of uninterrupted music with our wireless headphones. 10 Minute quick charge gives you 3 hour usage time. Bluetooth 5.0 Multi-point connections allow seamless switching between devices for convenient control over both devices.

Travel with Cleer Audio Enduro ANC

This video showcases the Cleer Enduro ANC headphones in various travel scenarios, highlighting their portability and noise-cancelling capabilities for an immersive audio experience on the go.

Flex to Fit

This short video demonstrates the flexible design of the Cleer Enduro ANC headphones, emphasizing their adaptability and comfortable fit for different head sizes and movements.

Cleer Audio Brand

An overview of the Cleer Audio brand, showcasing their commitment to high-performance audio products and innovative design.

Ironless Driver technology explained

This video provides a detailed explanation of Cleer's proprietary Ironless Driver technology, highlighting how it contributes to the headphones' deep bass and Hi-Res Audio capabilities.

SETUP

Charging the Headphones

Before first use, fully charge your Cleer Enduro ANC headphones. Connect the included USB-C cable to the charging port on the headphones and to a compatible USB power source. A 10-minute quick charge provides up to 3 hours of usage time.

Bluetooth Pairing

1. Ensure your headphones are powered off.
2. Press and hold the power button until the LED indicator flashes, indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "Cleer Enduro ANC" from the list to connect.
5. Once connected, the LED indicator will show a solid light.

The headphones support Bluetooth 5.0 and Multi-Point Connectivity, allowing seamless switching between two paired devices.

OPERATING INSTRUCTIONS

Headphone Controls

The Cleer Enduro ANC headphones feature intuitive physical buttons for easy control:

- **Power Button:** Press and hold to power on/off. Short press for play/pause.
- **Volume Up/Down:** Adjust audio volume.
- **ANC/Ambient Toggle:** Switch between Active Noise Cancellation and Ambient Sound modes.

Active Noise Cancellation (ANC) & Ambient Mode

Toggle between ANC and Ambient modes using the dedicated button or through the Cleer+ App. ANC reduces external noise for immersive listening, while Ambient Mode allows you to hear your surroundings for increased awareness.

Using the Cleer+ App

Enhance your listening experience by downloading the Cleer+ App (available on iOS and Android). The app allows you to:

- Personalize audio with preset or custom Equalizers (EQs).
- Adjust Noise Cancelling and Ambient Noise levels.
- Monitor battery life.
- Receive and install firmware updates for optimal performance.

MAINTENANCE

To ensure the longevity and performance of your Cleer Enduro ANC headphones, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the earcups and headband with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the headphones in the provided soft pouch to protect them from dust and scratches. Fold them compactly for easy storage.
- **Water Resistance:** These headphones are *Not Water Resistant*. Avoid exposure to water, moisture, or extreme humidity to prevent damage.
- **Battery Care:** For optimal battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not in constant use.

TROUBLESHOOTING

If you encounter any issues with your Cleer Enduro ANC headphones, refer to the solutions below:

Problem	Solution
Headphones do not power on.	Ensure the battery is charged. Connect to a power source using the USB-C cable.
Cannot pair with a device.	Ensure headphones are in pairing mode (flashing LED). Turn off and on Bluetooth on your device. Forget previous pairings and try again.

Problem	Solution
No sound or low volume.	Check headphone and device volume levels. Ensure headphones are properly connected to the audio source.
Noise cancellation is not effective.	Ensure earcups fit snugly over your ears. Check ANC settings in the Cleer+ App.
